This amendment #2 is issued to answer a potential bidder question.

Question #1:

Detail 1/A302 – ASK-001, R01: Top & Bottom Pier stones: Appendix A does not identify how many of each is required. Please clarify.

Answer #1:

Sketch is provided for information purposes only. Provide pier stones to dimensions indicated in Appendix A.

Question #2:

We are concerned that the quality of the stone currently available from the quarry will not meet the quality as specified and as shown in Appendix B. Has PWGSC spoken to the quarry or visited the quarry to determine if the specifications can be met?

Answer #2:

The general quality of stone coming out of the St. Marc's quarry is known to PWGSC. It is expected that one can sort through the material coming out of quarry to obtain the required qualities and quantities as indicated in the bid documents. Refer to section 04 03 42, item 2.2.1 for acceptable characteristics and margins.

All other terms and conditions remain the same.
