QUESTIONS AND ANSWERS

Question 3.

Can project personnel stay on the island during the project?

Answer 3.

Yes, however some negotiation between the Contractor and the Departmental Representative may be required as the Contractor is responsible for providing access to the island for the Departmental Representative. Contractor may still be required to provide boat access daily.

Question 4.

Is the use of Transport Canada commercially licensed vessels, captains and crews required?

Answer 4.

Yes

Question 5.

Based on last year late start(Oct 21), lower than seasonal temperatures, high wind and wave conditions in November and the limitations on paint application at low temperatures, Will the contractor be granted access to the island upon award to start the scaffolding of the lighthouse?

Answer 5.

The Contractor will be granted access to the island after contract award as soon as they have submitted all appropriate security, insurance and technical submittals as required by the contract.
