AMENDMENT # 004

Regional Individual Standing Offers (RISOs) Hazardous Materials Assessment- Various Locations (NS, NB, and PEI)

THE FOLLOWING AMENDMENT TO THE TENDER DOCUMENTS IS EFFECTIVE IMMEDIATELY. THE AMENDMENT SHALL FORM A PART OF THE CONTRACT DOCUMENTS.

SOLICITATION DOCUMENT:

In the solicitation document, **PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION, 1.1.2.2 Past Experience of Offeror** delete original and **replace with the following:**

1.1.2.2 Past Experience of Offeror

1. What we are looking for:

A demonstration that the offeror, over the past five (5) years, has participated in a range of projects requiring the full scope of services described in the Required Services (Statement of Work) in Annex "A." Assignments should have involved a range of projects including assessment and inspection of hazardous materials/wastes, development and implementation of hazardous product/material inventories and hazardous material management plans, development of asbestos abatement action plans and mould remediation action plans, development of hazardous material remediation/abatement projects, **development of contract specifications in accordance with NMS (National Master Specification) for abatement projects**, hazardous material project contractor supervision, environmental monitoring, hazardous material compliance auditing, development of site specific health and safety plans and creation and implementation of hazardous material training/awareness workshops. Projects involving special characteristics such as difficult site conditions, multiple stakeholders, or public sector clients should be noted. Also, identify any "value added" provided by the project team.

By submission of its tender, the Tenderer confirms that it has read and understands the requirements expressed in all addenda and has included all costs of these requirements in its Total Tender Amount.

All other terms & conditions remain unchanged.
