Amendment #3

Question 32)

As a company that specializes in staffing, we have significant capability to recruit and staff for skill sets ranging from Engineers, to security consultants, to IT Professionals. This RFP requires that the bidder be able to demonstrate past experience supplying ALL categories of personnel identified in M2 of the RFP (specifically storage architects). This requirement will render us unable to bid. In order to ensure broader competition, will the Crown allow vendors to either:

- A) Team (not a formal partner or JV relationship) with another company that specializes in particular areas, or

Answer 32 A) under the TBIPS supply arrangement you would have to already registered as a Joint Venture team.

- B) Replace the evaluation criteria, allowing for an 80 percent threshold of the overall billing hours?

Answer 32 B)

No change

Question 33) The requirement basically states that we have to provide proof of a minimum total of 16,400 billable days , across 9 categories using only 6 contracts.

Under the recently released Professional Services - Enterprise Server and Mainframe Storage RFP (solicitation 10037218), the requirement was for only 3 categories and a minimum total of 6100 billable days and it allowed for the use of a maximum of 10 contracts.

As such would SSC consider reducing the number of billable days or expanding the number of referenceable contracts?

Answer 33) no change

Question 34)

Due to the complexity and the large amount of information requested we kindly request an extension of 1 week.

Answer 34) No further extensions
