## **1 SECTION 1 GENERAL INFORMATION**

### **1.1 Overview of Section 1**

The purpose of this section is to provide general information about CMHC and this Request for Proposal.

### **1.2 Introduction and Scope**

The Canada Mortgage and Housing Corporation (CMHC) wishes to enter into a contract with a vendor(s) (hereafter referred to as the “proponent(s)”) for the purpose of providing services to test, inspect, service, and repair fire protection and safety equipment on Granville Island, in Vancouver, BC.

The value of this service is expected to range from \$15,000.00 to \$20,000.00 CDN, excluding applicable taxes, annually.

Canada Mortgage and Housing Corporation shall not be obligated in any manner to any proponent whatsoever until a written Agreement has been duly executed relating to a qualified, approved proposal.

More detailed specifications can be found in Section 3, “Statement of Work”.

### **1.3 CMHC Background**

CMHC is the Government of Canada’s National Housing Agency, with a mandate to help Canadians gain access to a wide choice of quality, affordable homes. It is a Crown corporation, with a Board of Directors, reporting to Parliament through the Minister of Employment and Social Development, and Minister responsible for Canada Mortgage and Housing Corporation, the Honourable Jason Kenney.

CMHC has more than 2,000 people located at its National Office in Ottawa, and at various Business Centres throughout Canada. The Business Centre areas are divided into five regions: Atlantic; Quebec; Ontario; British Columbia; and Prairies & Territories.

The administration, management and control of the revitalization of Granville Island was transferred to CMHC by Order-in-council in 1972, as CMHC was already deeply involved in an innovative housing development in the area and it had experience in urban renewal and the skilled resources necessary to carry out the challenge.

Granville Island in Vancouver is designed to attract local residents and visitors to meet, explore and experience a variety of cultural, recreational, educational, commercial and industrial activities, all year round. It is recognized as one of the most successful waterfront developments in North America. Granville Island is comprised of 15.2 hectares (37.6 acres) of land area and 2.1 hectares (5.3 acres) of tidal water area, and represents a major public land holding in close proximity to downtown Vancouver. Situated in False Creek between the Burrard and Granville Bridges, it is adjacent to the marinas and aquatic activities of both False Creek and English Bay.

## Map of Granville Island:

Granville Island is currently home to approximately 275 businesses and facilities which employ more than 2,500 people and generate in excess of \$130 million in economic activity.

### 1.4 Purpose of Request for Proposal

CMHC uses a Request for Proposal (RFP) to describe its requirements, ask suppliers for their proposed solutions, describe the criteria which will be used in evaluating proposals and selecting a lead proponent, and outline the terms and conditions under which the successful proponent will operate or supply goods and/or services. In an RFP process, proposals and proponents are evaluated in terms of ability to satisfy the stated requirements, while providing “Best Value” to CMHC in terms of price.

#### 1.4.1 Service Providers

CMHC’s contracting and procurement activities are decentralized among CMHC’s National Office in Ottawa and various Business Centres throughout Canada.

The policy pertaining to the selection of suppliers is based on the principle that all suppliers must be treated fairly and equally. Suppliers are defined as an individual or firm that could provide, or has provided, goods or services or construction under contract.

CMHC utilizes the Supplier Information (SI) database, maintained by **Business Access Canada** as the Official CMHC source list. All proponents **must** be registered with **Business Access Canada** prior to submitting a proposal. The Procurement Business Number (PBN) provided by **Business Access Canada** must be included with your proposal. If you are not registered, and you wish to do so, you may access **Business Access Canada** (<https://buyandsell.gc.ca/>) or you may call their Information Line at: 1-800-811-1148. Present Suppliers not registered with Business Access Canada are required to self-register on the SI via the Business Access Canada Web site.

The following schedule summarizes significant target events for the RFP process. The dates may be changed by CMHC at its sole discretion and shall not become conditions of any contract which may be entered into by CMHC and the selected proponent.

## 1.6 Mandatory Requirements

Throughout this RFP, certain requirements are identified as mandatory. A mandatory requirement is a minimum standard that a proposal must meet in order to be considered for further evaluation. Mandatory is defined as having substantial compliance as assessed by CMHC in its sole and absolute discretion.

Mandatory requirements are identified in:

- Section 2 Submission Instructions
- Section 4 Proposal Requirements
- Section 6 Proposed Contract, and
- Appendix A The Certificate of Submission.

**Caution:** Proposals which fail, in the sole discretion of CMHC, to meet any mandatory requirement will be eliminated from further consideration in the evaluation process. However, CMHC reserves the right to waive any mandatory requirements if it deems fit and appropriate to meet the interests of and provide best value to CMHC. This clause should be interpreted solely for the benefit of CMHC and not for the benefit of the Proponents.

## 1.7 Procurement Policy Re: The Environment

CMHC fully supports the principle of sustainable development. Economic development and the preservation of the environment are given equal consideration to ensure that the actions of one generation do not compromise the ability of future generations to have an equal quality of life.

To this end, CMHC is dedicated to integrating sound environmental practices into its procurement practices.

## **1.8 Proponent Feedback**

CMHC aims to continuously improve its bid documents and procedures. CMHC welcomes input regarding proponent experience in responding to its RFPs, whether as a compliment or suggestion for future RFPs.

Proponents may submit comments labelled as ***Proponent Feedback RFP #201403490*** to the name and address provided in Section 2.4.

As CMHC does not wish to be perceived as influenced by such feedback in the award decision, proponents are requested to submit their feedback after the contract award has been announced.

Any proponent who notes a material flaw in the RFP that could affect the outcome should report it as specified in Section 2.4

## **1.9 Income Tax Reporting Requirement**

As a federal Crown Corporation, CMHC is obliged under the Income Tax Act and Regulations to report payments made by the Corporation to suppliers of goods and/or services by using a T1204 supplementary slip. CMHC must therefore obtain the necessary information from suppliers (including the Contractor's social insurance number and/or corporate identification number) in order to allow it to complete the T1204 supplementary slip. The Lead Proponent(s) will be required to complete and sign a Supplier - Direct Deposit and Tax Information Form (CMHC/SCHL 3085) prior to execution of this Agreement.

## 2 SECTION 2 SUBMISSION INSTRUCTIONS

### 2.1 Overview of Section 2

The purpose of Section 2 is to inform the proponent about CMHC's procedures and rules pertaining to this RFP process.

Proponents are advised that CMHC has provided as Appendix C a Mandatory Compliance Checklist for your benefit to complete prior to submission. This is to assist you in ensuring that you comply with all Mandatory criteria as non-compliance will result in disqualification.

### 2.2 Certificate of Submission Mandatory

The Certificate of Submission, Appendix A, summarizes some of the mandatory requirements set out in the RFP. It is a mandatory requirement that a proposal include a Certificate of Submission (or an accurate reproduction) signed by the proponent. Refer to Section 1.6 Mandatory Requirements.

Proponents must submit a signed Certificate of Submission as part of their proposal. Should a proponent not include the signed Certificate of Submission the proponent will be notified by CMHC and given 48 hours in which to meet this requirement.

### 2.3 Delivery Instructions and Deadline

Timely and correct delivery of proposals to the exact specified proposal delivery address is the sole responsibility of the proponent. All risks and consequences of incorrect delivery of proposals are the responsibility of the proponent. CMHC will not assume or have transferred to it those responsibilities. All registered times will be in accordance with the time CMHC computer servers receive the submission, not the time the proposal was sent by the proponent.\*

**\* Please be advised that E-BID has a size limitation 10 MB. It is advisable and recommended that proponents submit their proposal in multiple smaller files.**

It is recommended that the Proponent send an e-mail as soon as possible after the EBID proposal has been sent, notifying the contact person named in Section 2.4 Inquiries, that a proposal has been submitted to EBID, including the company name and e-mail address, with the date and time the submission was sent.

Upon receipt of proposals, an automated confirmation will be issued to the sender's e-mail address. It is strongly recommended that proponents follow up with the inquiries person named in Section 2.4 should they not receive said confirmation within 30 minutes of submission.

**\* Please be advised that electronic transmissions may not necessarily be immediate and can experience lengthy delivery delays. Proponents should ensure that sufficient delivery time is allowed for proposals to be received.**

## Address for Delivery

Proposals, including all supporting documentation, are to be sent electronically to the following e-mail address:

**EBID@cmhc-schl.gc.ca**

Proposals may be submitted in MS Word or Adobe Acrobat PDF in English or in French. NOTE: In certain email programs the "Send" format may need to be specified as either "HTML" or "Plain Text". Rich Text formatted or Compressed (Zipped) documents cannot be opened by CMHC.

## Proposal Opening and Verification Period

All EBID proposals received on or before the closing date and time specified in this RFP, will be opened for evaluation purposes and verified by CMHC. If at that time, CMHC is unable to open a proposal, the proponent will be so advised and provided an opportunity to resubmit an openable version within 2 hours from notification.

## Submission Deadline

All identification related to the inquiry will be removed in the response. Any questions of a proprietary nature must be clearly marked. CMHC will determine, at its sole discretion, whether it will respond to the question.

## **2.5 Communication**

During proposal evaluations, CMHC reserves the right to contact or meet with any individual proponent in order to obtain clarification of its submission or to gain insight into the quality and scope of relevant services. A proponent will not be allowed to add, change or delete any information during this process. CMHC is in no way obliged to meet with any or all proponents for this purpose.

## **2.6 Proponent Contact**

The proponent shall name a person in their proposal to act as a primary contact for CMHC during the evaluation period. A secondary contact should also be provided for backup purposes.

## **2.7 Offering Period Mandatory**

All responses must provide that the terms of the response including the pricing proposal, shall remain valid and binding on the proponent for a period of sixty (60) days following the closing date.

## **2.8 Changes to Submission**

Changes to the submitted proposal can be made, if required, provided they are received as an addendum to, or clarification of, previously submitted proposal, or as a complete new proposal to cancel and supersede the earlier proposal. The addendum, clarification, or new proposal must be submitted as per the delivery instructions outlined in Section 2.3, be clearly marked “REVISION”, and be received no later than the submission deadline. In addition, the revised bid must include a description of the degree to which the contents are in substitution for the earlier proposal.

An alternative to any portion of a proposal may be submitted and must be in a separate addendum to the proposal.

An acceptable alternative is one which CMHC considers satisfactory in meeting a mandatory requirement. CMHC at its sole discretion will determine if a proposed alternative meets the intent of the original mandatory requirement.

## **2.11 Liability for Errors**

While CMHC has made considerable efforts to ensure an accurate representation of information in this RFP, the information contained in this RFP is supplied solely as a guideline for proponents. The information is not guaranteed or warranted to be accurate by CMHC, nor is it necessarily comprehensive or exhaustive. Nothing in this RFP is intended to relieve proponents from forming their own opinions and conclusions in respect of the matters addressed in this RFP.

## **2.12 Verification of Proponent's Response**

The proponent authorizes CMHC to conduct such investigation as it deems appropriate to verify the contents of the proponent's response.

## **2.13 Ownership of Responses**

All responses and related materials become the property of CMHC and will not be returned. CMHC will not reimburse the proponent for any work related to, or materials supplied in the preparation of the RFP response.

All information regarding the terms and conditions, financial and/or technical aspects of the proponent's proposal, which, in their opinion, are of a proprietary or confidential nature, must be clearly marked "**PROPRIETARY**" or "**CONFIDENTIAL**" at **each item** or at the **top of each page**. Proponents' documents and information so marked will be treated accordingly by CMHC. Notwithstanding the foregoing, proponents are advised that as a Crown corporation, CMHC is subject to the federal legislation with respect to access to information and privacy. Information submitted by third parties will be protected or may be required to be disclosed in specific circumstances pursuant to the federal legislation.

## **2.14 Proprietary Information**

In submitting its proposal, the proponent certifies that no representative for the proponent has offered or given a gratuity (e.g. an entertainment or gift) to any CMHC employee, Board member or Governor-in-Council appointee; and intended, by the gratuity, to obtain a contract or favourable treatment under a contract.

## **2.17 Conflict of Interest**

- (a) The Contractor and its principals, employees and agents shall avoid any conflict of interest during the term of this Agreement and shall immediately declare any existing, potential or apparent conflict and shall, upon direction of CMHC, take steps to eliminate any conflict or perception that a conflict of interest exists.
- (b) The Contractor must not provide any services to any third party in circumstances that might reasonably give rise to a conflict of interest, including a conflict between the Contractor's duties to that third party and the Contractor's duties to CMHC.
- (c) In the event that a conflict of interest, real or perceived, cannot be resolved to the satisfaction of CMHC, CMHC shall have the right to immediately terminate the Agreement. All portions of the Work which have been completed at the date of termination shall be forwarded to CMHC and CMHC shall be liable for payment to the Contractor of an amount which, in the sole opinion of CMHC, constitutes reasonable payment for the partial performance of the Contractor's obligations under the Agreement. Upon such payment, CMHC shall have no further obligation of any nature or kind to the Contractor.
- (d) Any former public office holder must be in compliance with the post-employment provisions of the Conflict of Interest and Post-Employment Code for Public Office Holders (2012) in order to derive a direct benefit from any contract which may arise from this request for proposal.

## **2.18 Declaration re: Bid Rigging and Collusion**

In submitting its proposal, the proponent certifies that:

- (a) prices as submitted in its proposal have been arrived at independently from those of any other proponent;
- (b) the prices as submitted have not been knowingly disclosed by the proponent, and will not knowingly be disclosed by the proponent prior to award, directly or indirectly, to any other proponent or competitor; and
- (c) no attempt has been made, nor will be made, to induce any other person to submit, or not to submit, a proposal, for the purpose of restricting competition.

## **2.19 Security Clearance**

CMHC requires employees of the selected proponent to be security cleared in order to permit them access to CMHC premises when and if required. This process normally takes approximately 5 working days. If they are not security cleared, the proponent or its employees will require an escort by a CMHC employee while in CMHC premises and will not be granted access to CMHC information and systems.

## **2.20 Mandatory Proponents' Site Visit**

**Mandatory**

It is mandatory that the proponent visit the site and examine the scope of the work required and the existing conditions.

Arrangements have been made for a tour of the work site. The site visit will be held on October 7, 2014 at 11:00 AM PDT. The site is located at the Granville Island Administration Office, 1661 Duranleau Street, 2<sup>nd</sup> Floor, Vancouver, British Columbia V6H 3S3. The proponent must send confirmation of attendance, including the name(s) of the person(s) who will be attending, via email to Ryan Lemay at [rlemay@cmhc.ca](mailto:rlemay@cmhc.ca). The proponent who, for any reason, cannot attend at the specified date and time will not be given an alternative appointment to view the site and its proposal, therefore, will be rejected as non-compliant. No exceptions will be made.

## **2.21 Joint Venture Responses**

Joint venture proposals should adequately represent and communicate the proposed participation and responsibilities of each company in the joint venture, and must provide a description of the proposed joint venture business arrangement which would be entered into by all parties upon receipt of a contract. The description must list the companies involved, indicate how long the business arrangement has been in existence, indicate the service(s) each respective party would be providing and describe the proposed participation and responsibility of each party.

The proponent shall designate one of the partners as the contact person through whom any communication between the proponent and CMHC will be channelled during the RFP process.

Joint venture responses must be accompanied by a signed Certification of Submission from each participating company. Refer to Section 2.2.

## **2.22 Intellectual Property Rights**

All material, reports and other work product produced under this (RFP and the resulting) Agreement will be the sole property of CMHC. The Contractor warrants that the Contractor is the only person who has or will have moral rights in the material created by the Contractor and supplied under this Agreement and the Contractor hereby waives in favour of CMHC all of the Contractor's moral rights in the material, as provided for in the law of copyright. Upon the material coming into existence, the Contractor agrees to execute any document requested by CMHC acknowledging CMHC's ownership of the material and work product and the waiver of the Contractor's moral rights therein.

### **3 SECTION 3 STATEMENT OF WORK**

#### **3.1 Overview of Section 3**

This section of the RFP is intended to provide the prospective proponent with the information necessary to develop a competitive proposal. The Statement of Work is a complete description of the tasks to be done, results to be achieved and/or the goods to be supplied

#### **3.2 Mandatory Requirements**

A mandatory requirement is a minimum standard that a proposal must meet in order to be considered for further evaluation.

Any mandatory requirements associated with the Statement of Work are clearly identified in Section 4 - Proposal Requirement.

The Mandatory Compliance Checklist is located at Appendix C (7.3).

#### **3.3 Statement of Work**

Canada Mortgage and Housing Corporation (CMHC) requires a Contractor to undertake and/or provide services to test, inspect, service, repair, and or replace all fire protection and safety equipment with 15 buildings managed by CMHC on Granville Island. The proponent must be available on-call, 24 hours a day, 7 days a week.

CMHC will provide:

- Use of a scissor and boom lift as necessary to a trained employee
- Provisions for Parking while the service provider is onsite performing work for CMHC
- Access to the Public Market and tenant spaces as necessary

The monitoring services are being provided by the same supplier; currently nine of the buildings are being monitored.

Fire extinguishers requiring service are located in common areas, extinguishers within tenant spaces are the responsibility of the tenants and not part of this agreement. Smoke sensitivity tests are not part of this agreement. Battery testing is part of testing emergency lights.

It is expected that the Contractor will meet or exceed fire code. The contractor is required to service and repair all panels, inclusive of proprietary manufactured panels.

This agreement does not allow for the use of subcontractors for any work, unless pre-authorized by CMHC. To ensure consistency, if a sub contractor is to be used, the company name, their specific work, and pricing must be listed as per the table in section 4.9, Pricing Proposal. The use of any sub contractors will be preauthorized in advance of the contract and CMHC reserves the right to reject proposed sub contractors for any reason.

The following is a comprehensive list of systems and locations that the contract will be responsible for, although not limited to, servicing.  
The list will be updated with the lead proponent to ensure accuracy.

## **5 SECTION 5 EVALUATION AND SELECTION**

### **5.1 Overview of Section 5**

Section 5 describes the process CMHC will use to evaluate proposals, select a lead proponent and finalize and sign a contract.

**The lowest cost or any proposal will not necessarily be accepted and CMHC reserves the right to accept or reject any or all proposals in whole or in part.**

CMHC reserves the right to alter the stated requirements as needs require and to accept an alternate proposal included in any proponent's response.

CMHC shall conduct the RFP process in a visibly fair manner and will treat all proponents equitably. To this end, it has established objective RFP standards and evaluation criteria which will be applied uniformly to all proponents. Therefore, no proponent shall have any cause of action against CMHC arising out of a failure to award a contract, the failure to evaluate any proposal, or the methods by which proposals are assessed.

### **5.2 Limitation of Damages**

The proponent, by submitting a proposal, agrees that it will not claim damages in excess of an amount equivalent to the reasonable costs incurred by the proponent in preparing its proposal for matters relating to the agreement or in respect of the competitive process, and the proponent, by submitting a proposal, waives any claim for loss of profits if no agreement is made with the proponent.

### **5.3 Evaluation Table**

The Evaluation Table as provided in Appendix "B" lists all the criteria upon which each proposal will be evaluated. The criteria are based on the requirements as provided in this RFP.

### **5.4 Evaluation Methodology**

Each proposal will be examined to determine compliance with each mandatory requirement identified in this RFP. A proposal must comply with all of the mandatory requirements in order to proceed in the evaluation process. A proposal which is deemed by CMHC to be non-compliant in one or more mandatory requirements will be eliminated from further consideration. A proposal which meets all the mandatory requirements will be deemed compliant and will proceed in the evaluation process.

Each compliant proposal shall be individually evaluated by each member of the Evaluation Committee, made up of qualified personnel. Evaluators shall evaluate and numerically score each proposal in accordance with the evaluation criteria as shown in the Evaluation Table, Appendix "B" and a predefined scoring scale of 0 to 5, where "3" is deemed to meet most requirements. Once individual evaluations are complete, the Evaluation Committee will discuss and agree upon a final score for each proposal.

A proposal must meet the minimum upset score in each category (as shown on the Evaluation Table) to remain in the evaluation.

Each compliant proposal that meets the minimum upset scores in each category shall then be evaluated using the “ratio” evaluation process. The proposal with the lowest cost received the maximum points allowed. All other proposals receive a percentage of the points available based on their relationship to the lowest. The proponent with the highest score will be named the lead proponent.

## **5.5 Financial Evaluation**

CMHC may carry out a credit check and/or a financial capacity on the lead proponent before beginning contract discussions. This is a pass/fail test. Pass means that contract discussions begin. Fail means that the lead proponent may not enter into contract discussions and is disqualified from further consideration. The financial evaluation will be based on the information supplied by the proponent as per Section 4.8 of this RFP.

## **5.6 Proponent Selection**

Acceptance of a proposal does not oblige CMHC to incorporate any or all of the accepted proposal into a contractual agreement, but rather demonstrates a willingness on the part of CMHC to enter into negotiations for the purpose of arriving at a satisfactory contractual arrangement with one or more parties.

Without changing the intent of this RFP or the lead proponent’s proposal, CMHC will enter into discussions with the lead proponent for the purpose of finalizing the contract. If at any time CMHC decides that the lead proponent cannot satisfy CMHC’s requirements, CMHC may terminate negotiations. If at this time CMHC feels that the secondary proponent may meet the requirements, CMHC will continue the process with the secondary proponent and so on.

Announcement of the successful proponent will be made to all proponents following the signing of a contract.

## **6 SECTION 6 PROPOSED CONTRACT**

### **6.1 Overview of Section 6**

Attached in Section 6.3 is a proposed contract. The terms and conditions in this draft contract may be incorporated into any contract resulting from this RFP. CMHC reserves the right to add terms and conditions during negotiations. These terms and conditions will be within the scope of the RFP and will not affect the proposal evaluations.

The proponent's proposal and all associated correspondence from the proponent, where relevant, shall to the extent desired by CMHC form part of the final contract and the proponent must accept that the final contract form will be in a format acceptable to CMHC.

Submission of a proposal constitutes acknowledgement that the proponent has read and, unless otherwise stated in the proponent's proposal (including a declaration in the attached draft contract of any potential conflicts of interest), agrees to be bound by the terms and conditions in the draft contract in Section 6.3 in the event that the proponent is selected by CMHC to enter into a contract agreement.

For the purposes of this section the term "Contractor" refers to the successful proponent with whom CMHC enters into a contract agreement.

### **6.2 Mandatory Contract Terms and Conditions**

The terms, conditions or sections of the draft contract in Section 6.3 that are labelled mandatory must be accepted by the proponent without alteration.

### **6.3 Proposed Contract**

**The attached proposed contract forms Section 6.3 of this RFP.**

The Contractor undertakes to advise such entities in writing that they are independent contractors, and are not employees or agents of CMHC. No assignment of the contract shall relieve the Contractor from any obligation under the Contract or impose any liability upon CMHC.

#### **4.4 Contractor's Indemnification**

The Contractor agrees to indemnify CMHC, and its officers for all loss, damages, costs, expenses, claims, demands, actions, suits or other proceedings of every nature and kind arising from or in consequence of the performance of this agreement, provided such loss, damages, costs, expenses, claims, demands, actions, suits or proceedings arise without negligence on the part of CMHC or its officers or employees, and whether such actions, suits or proceedings are brought in the name of CMHC or in the name of the Contractor.

No specific remedy expressed in the Contract is to be interpreted as limiting the rights and remedies which CMHC may be entitled to under any contract or otherwise in law.

#### **4.6 Termination for Default of Contractor**

Notwithstanding anything to the contrary in this document, CMHC may, by giving 10 days prior written notice to the Contractor, terminate this contract without charge with respect to all or any part of the contract for any of the following reasons:

1. The Contractor commits a material breach of its duties under this contract, unless, in the case of such breach, the Contractor, within thirty (30) calendar days after receipt of written notice of such breach from CMHC, in a manner satisfactory to CMHC in its sole, absolute and non-reviewable discretion, (a) cures such breach and (b) indemnifies for any resulting damage or loss;

4. The Contractor commits fraud or gross misconduct; or

5. The Contractor becomes bankrupt or insolvent, or a receiving order is made against the Contractor, or any assignment is made for the benefit of the creditors, or if an order is made or a resolution passed for the winding up of the Contractor, or if the Contractor takes the benefit of any Statute for the time in force relating to bankrupt or insolvent debtors.

In the event of a termination notice being given under the provisions of this section, and subject to the deduction of any claim which CMHC may have against the Contractor arising out of the contract or out of termination, payment will be made within thirty (30) days of the date of the invoice from CMHC to the Contractor for the value of all finished work delivered and accepted by CMHC, such value to be determined in accordance with the rate (s) specified in the contract.

#### **4.22 Conflict of Interest**

#### **Mandatory**

- (a) The Contractor and its principals, employees and agents shall avoid any conflict of interest during the term of this Agreement and shall immediately declare any existing, potential or apparent conflict and shall, upon direction of CMHC, take steps to eliminate any conflict or perception that a conflict of interest exists.
- (b) The Contractor must not provide any services to any third party in circumstances that might reasonably give rise to a conflict of interest, including a conflict between the Contractor's duties to that third party and the Contractor's duties to CMHC.
- (c) In the event that a conflict of interest, real or perceived, cannot be resolved to the satisfaction of CMHC, CMHC shall have the right to immediately terminate the Agreement. All portions of the Work which have been completed at the date of termination shall be forwarded to CMHC and CMHC shall be liable for payment to the Contractor of an amount which, in the sole opinion of CMHC, constitutes reasonable payment for the partial performance of the Contractor's obligations under the Agreement. Upon such payment, CMHC shall have no further obligation of any nature or kind to the Contractor.
- (d) Any former public office holder must be in compliance with the post-employment provisions of the Conflict of Interest and Post-Employment Code for Public Office Holders (2012) in order to derive a direct benefit from any contract which may arise from this request for proposal.

#### **4.23 Approval of Work**

Before advancing any amount to the Contractor, CMHC reserves the right to determine, in its sole and absolute discretion, whether the work was performed to the satisfaction of CMHC. In the event the work is not acceptable to CMHC, CMHC may take such action as it deems necessary to correct the Contractor's default, including, without limitation, the following:

- a) direct Contractor to redo the work or part of the section which was not completed to CMHC's satisfaction;
- b) withhold payment due or accrued due to the Contractor for services rendered pursuant to this Contract;
- c) set off any expenses incurred by CMHC in remedying the default or failures of Contractor against payment for payment due or accrued due to the Contractor;
- d) terminate this Contract for default and /or seek indemnification from the Contractor for losses suffered by CMHC as a result of such default.

#### **4.24 Ownership**

(a) Reports prepared exclusively for the Corporation shall remain the property of the Corporation and all copyrights thereto are the property of the Corporation and neither the Contractor nor its servants or agents shall divulge, release or publish any such documentation.

(b) Any and all other information relating to the Corporation and obtained by the Contractor during the course of execution of its duties under this Agreement shall remain the property of the Corporation and shall not be used in any way or disclosed to anyone without the prior written consent of the Corporation.

#### **4.25 Insurance**

a) The Contractor will provide and maintain Commercial General Liability insurance for a limit of \$2,000,000 per occurrence for bodily injury, or damage to property including loss of use of such property. This policy shall include the following extensions:

- cross liability including severability of interest clause
- blanket contractual liability
- Canada Mortgage and Housing Corporation to be added as additional insured
- broad form completed operations (required if contractor is doing physical work, e.g. painting, welding, flooring, etc.)
- non-owned automobile
- employer's liability (or confirmation that all employees are covered by WorksafeBC)
- contractor's liability to include operations of independent contractors (if not provided then each subcontractor must provide a Certificate of Insurance confirming that they have liability insurance as detailed in the RFP)

- 30 days prior written notice of cancellation to Granville Island Administration Office, 1661 Duranleau Street, 2<sup>nd</sup> Floor, Vancouver, British Columbia, V6H 3S3.

b) The Contractor will provide and maintain Professional Liability insurance for a limit of not less than \$1,000,000. The policy will provide 30 days prior written notice of cancellation to the Granville Island Administration Office, 1661 Duranleau Street, 2<sup>nd</sup> Floor, Vancouver, British Columbia, V6H 3S3. Coverage is to include Contractors employees and Contractors contract employees (if applicable) as named insureds.

c) The Contractor will provide a Certificate of Insurance at least 5 days prior to the contract commencement date confirming the above insurance policies and evidencing that coverage has been placed with an Insurer licensed to do business in Canada. Upon receipt of the Certificate of Insurance CMHC reserves the right to request a Certified copy of the contractors policy for review.

It shall be the sole responsibility of the Contractor to decide whether or not any other insurance coverage, in addition to the insurance requirements stipulated herein, is necessary for its own protection or to fulfill its obligation under the contract. Any such additional insurance shall be provided and maintained by the Contractor at its own expense.

#### **4.26 Access to CMHC Property**

CMHC agrees to permit access by the Contractor's employees onto CMHC premises for the purpose of fulfilling its obligations as per the terms of this agreement. However, CMHC reserves the right to refuse entry of Contractor's personnel in cases of emergencies. CMHC also will have the right at any time to remove from and/or refuse entry to the work site any incompetent or intemperate employee who violates CMHC Safety and/or Security regulations or interferes with CMHC operations at the site.

The Contractor shall be fully responsible to CMHC for the acts and omissions (including negligence) of its subcontractors and of persons directly or indirectly engaged by such subcontractors as if such acts and omissions were those of the Contractor.

#### **4.27 Suspension of Work and Changes in Specifications**

CMHC may, at any time and from time to time, order a suspension of the work in whole or in part, and make modifications of, changes in or additions to the specifications of the type of services offered and methods of delivery. All directions given by CMHC in writing with respect to the foregoing shall be complied with by the Contractor. If any such suspension, modification, change or addition shall result in an increase or decrease in the cost of the work, the contract price shall be adjusted accordingly provided that the Contractor shall in no event be entitled to compensation for any loss of anticipated profits and provided further that minor increases or decreases in cost shall be disregarded.

#### **4.28 Extras**

Except as otherwise provided in the contract, no payment for extras shall be made unless such extras and the price thereof have been authorized in writing by CMHC

#### **4.29 Closure of CMHC Offices**

(a) Where services are being provided by the Contractor pursuant to this Agreement on CMHC premises and the premises become inaccessible due to evacuation or closure because of events or circumstances beyond the control of CMHC, and where the health or safety of persons on the premises may be reasonably determined by CMHC, in its sole judgment, to be at risk, payment to the contractor hereunder may be suspended or modified. Payment will be suspended in full after 48 hours written notice unless the Contractor provides satisfactory evidence to CMHC that the Contractor will continue to incur monetary obligations to others directly as a result of its undertakings under this Agreement and is unable to mitigate its losses due to such obligations. Based on such evidence and the extent to which the Contractor is able to mitigate, CMHC may continue payment in full (subject to clause (b) below), or at a reduced amount, or suspend payment completely.

(b) Notwithstanding clause (a) above, if closure is continued beyond one calendar week, payment under this Agreement may be suspended in full immediately, on further written notice to the Contractor, until reopening permits the services to continue.

#### **Article 5.0 - Contract Administration**
