Amendment 001 is raised to:

(A) Answer the following questions:

(B) Delete and replace Annex B, Basis of Payment.

(A) Answer the following questions:

Question 1: - Items 6 & 7: Please define "Large Operator/Non-Operator Gorget Patches" for the tunic. What are these?

Answer 1: Large Non-operator Gorget patches are for GO - placed on DEU Tunic. Large operator Gorget are for Col - placed on Tunic

Question 2: Items 17 & 18: Please clarify if these items are for DEUs. If so, these are only done in pairs.

Answer 2: Line 17 is for Cadpat, Line 18 is for DEU.

Question 3 : Can you please provide a description or some diagrams as to what Medal alterations are required. See Medal Alteration Requirement below

Answer 3: Unfortunately we do not have a PDF file that explains the medal mounting process. These requirements are for medals that will be worn on uniforms. There are many ribbons as each tour has its own unique ribbon. This is why it is required the vendor has medal mounting experience as no training will be provided.

Question 4: If we cannot do this type of medal alterations but can do everything else outlined in the RFQ will we be eliminated with our bid?

Answer 4: If a bidder cannot do the Medal mounting, their bid will be non-compliant. Medal mounting experience is evaluated in Point Rated Criteria R3. A minimum of 5 points must be scored in order for the bid to be compliant.

(B) Delete and replace Annex B, Basis of Payment.

The summary of the changes in the Basis of Payment are as follows.

- Items 9 & 20 deleted.
- Item 23 moved to Sew on Badges and Braid section
- Estimated annual usages changed as follows: (The items numbers refer to the original Basis of Payment)

- Item 5: 10
- Item 10: 400
- Item 11: 400
- Item 12: 50
