Amendment No. 001 is issued to answers questions received from industry regarding solicitation ET025-150988:

Part A: Questions and Answers

Part B: Solicitation Revisions

PART A: Questions and Answers

Question 1:

a) Please advise if the delivery location (391 York Avenue, Winnipeg, Manitoba, Canada) can accommodate a 53' trailer space during delivery.

Answer 1:

Loading Dock:

Dock Location: Back lane of 391 York Avenue

Size: Door size 2440mm wide x 3000mm high (door sill approximately 450mm – 600mm off roadway grade)

Lift: No

Lift Type: N/A

Special Shipping (if any): None

The front doors at 391 York Avenue can be utilized for delivery purposes if required for the delivery of the Personal Storage Towers, but only after hours (after 5pm).

If deliveries are to happen during regular business hours; the deliveries are to go to the rear Loading Dock Area where they would have to have a smaller delivery vehicle to manoeuvre the back lane.

Question 2:

b) Annex "B" pricing document, item#3 request pricing for "**Total overtime charges as deemed necessary by the contractor**"

Is there an expectancy for after-hours/weekend for delivery & installation; Or is that up to the bidder's discretion?

Answer 2:

It is at the bidders' discretion to determine if overtime will be required.

Question 3:

Is there a window of time and date during regular hours that the service providers are allowed to be on site?

Answer 3:

There are no time/date restrictions.
