

Amendment 1

Delete section 4.9 Pricing Proposal of the RFP and replace the revised section 4.9 below:

**4.9 Pricing Proposal (Revised)**

**Mandatory**

The proponent must provide a response relative to the pricing of its proposed solution.

All prices and amounts of money in the proposal are to be quoted in Canadian dollars and be exclusive of the Goods and Services Tax (GST), Harmonized Sales Tax (HST), and Provincial Sales Tax (PST), as applicable, unless otherwise indicated. The GST, HST or PST, whichever is applicable, shall be extra to the price quoted by the Vendor and will be paid by CMHC.

The proponent must submit a fixed (firm) price. In addition, the proponent must submit pricing information that indicates how the fixed price was calculated, referencing the following:
