**Part A: Questions and Answers****Question #17:** Regarding PDF page 68 of 132;*"17. Qualifications and Experience*

*The Bidder must demonstrate its capability to provide the services required under this RFP by providing two Customer Reference Summary that demonstrates its experience in successfully performing similar duties, within the last 3 years from bid solicitation closing date, where the contract value was \$100,000 or greater."*

That contract value is not common in the industry and exceeds the limitations of currently used purchasing vehicles directly related to the document imaging industry. Purchasing vehicles such as RMSOs for Scanning and Data Conversions have been in place for years and are well recognized and have been awarded to vendors who are very relevant to the requirements detailed in this RFI. The RMSO is limited to \$100,000 including taxes (~ \$88495.00). As such, would PWGSC agree to change the demanded contract value from \$100,000 to \$80,000?

Can that change be applied to any Qualifications and Experience sections as well as any related technical evaluation grid, table or criteria?

**Answer #17:** Thank you for this information, this will be very useful feedback and we will take this into serious consideration in preparing our final documents for the proposed RFP.

**All Other Terms and Conditions Remain Unchanged**
