**This Solicitation Amendment 003 is raised to provide responses to questions received from potential bidders.**

Question 1

At Annex A / Specifications 2.1.8 : Each invoice or invoices shall be issued for each site or location. Do not mix multiple sites all on one invoices.

Please confirm it is acceptable to list all sites on one invoice as provided in the past.

Answer 1

It is not acceptable to list all sites on one invoice.

It is okay to list and invoice together all elevators located at same site, and invoice must include the inspection reports.

Question 2

For Treasury Board Occupational Health and Safety Directive

4.1 Installation and Alteration

4.1.1 The safety inspector shall advise the operating authority when his or her inspection of an installation or alteration is complete.

Please confirm 4.1.1 is redundant as this tender is for safety inspections only.

Answer 2

Correct, clause 4.1.1 (Installations and Alteration) does not apply under this contract which is for annual safety inspection only.

**All other terms and conditions remain unchanged.**
