If the answers to the questions and, as applicable, the information have not been received by the time the evaluation of offers is completed, Canada will inform the Offeror of a time frame within which to provide the information. Failure to comply with Canada's request and meet the requirements within the prescribed time frame will render the offer non-responsive.

Definitions

For the purposes of this clause,

"former public servant" is any former member of a department as defined in the [Financial Administration Act](#) R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

The lump sum payment period does not include the period of severance pay, which is measured in a like manner.

"pension" means a pension or annual allowance paid under the [Public Service Superannuation Act](#) (PSSA), R.S., 1985, c. P-36, and any increases paid pursuant to the [Supplementary Retirement Benefits Act](#), R.S., 1985, c. S-24 as it affects the PSSA. 4. Enquiries - Request for Standing Offer

All enquiries must be submitted in writing to the Standing Offer Authority no later than five (5) calendar days before the Request for Standing Offer (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the questions or may request that offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

5. Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in province of Saskatchewan.

ANNEX D EVALUATION CRITERIA

1.0 Technical Evaluation:

The following elements of the offer will be evaluated and scored in accordance with the following evaluation criteria.

- Mandatory Technical Criteria

It is **imperative** that the offer **address each of these criteria to demonstrate that the requirements are met.**

LISTING EXPERIENCE WITHOUT PROVIDING ANY SUBSTANTIATING DATA TO SUPPORT WHERE, WHEN AND HOW SUCH EXPERIENCE WAS OBTAINED WILL RESULT IN THE STATED EXPERIENCE NOT BEING CONSIDERED FOR EVALUATION PURPOSES.

1. All experience must be strictly work-related. Time spent during education and/or training will not be considered, unless otherwise indicated.
2. Experience must be demonstrated through a history of past projects, either completed or on-going.
3. References must be provided for each project/employment experience.
 - I. Where the stated experience was acquired within a Canadian Federal Government Department or Agency **as a Public Servant**, the reference must be a Public Servant who had a supervisory role over the proposed resource during the stated employment.
 - II. Where the stated experience was acquired within a Canadian Federal Government Department or Agency **as a consultant**, the reference must be the Public Servant who was identified as the Project Authority of the project on which the proposed resource acquired the experience.
 - III. References must be presented in this format:
 - a. Name;
 - b. Organization;
 - c. Current Phone Number; and
 - d. Email address if available.

4. Response Format

In order to facilitate evaluation of offers, it is recommended that Offerers' offers address the mandatory criteria in the order in which they appear in the Evaluation Criteria and using the numbering outlined.

Offerers are also advised that the month(s) of experience listed for a project or experience whose timeframe overlaps that of another referenced project or experience will only be counted once. For example: Project 1 timeframe is July 2001 to December 2001; Project 2 timeframe is October 2001 to January 2002; the total months of experience for these two project references is seven (7) months.

When providing experience/projects start and end dates, Offerers must provide the **MONTH AND YEAR** of each assignment/project start and end date, such as to allow CSC to quantify the claimed experience and assess it against the requirement. Failure to provide this information in the offer will render the offer non-compliant.

MANDATORY TECHNICAL CRITERIA – _____

#	Mandatory Technical Criteria	Offeror Response Description (include location in offer)	Met/Not Met
M1	The proposed service provider must submit proof of occupational qualifications/certificates to perform the services requested in the Statement of Work		
M2	The Contractor must provide a resumé of past experience in providing Drywall/Steel Stud training		
M3	The proposed service provider must have a minimum of 6 months experience as a qualified trainer providing Drywall/Steel Stud training. Provide month and year to support experience.		

An offer must comply with the requirements of the Request for Standing Offers and meet all mandatory technical evaluation criteria to be declared responsive. The responsive offer with the lowest evaluated price will be recommended for issuance of a standing offer.

The successful bidder will be determined using the following calculation to determine the lowest average price per participant:

(Period of Standing Offer Award to March 31, 2016 + Option Period 1 + Option Period 2 + Option Period 3) ÷ 4 = Average total per participant

In the case of a tie, the service provider with the most experience will be deemed the successful bidder.
