This Amendment 006 is raised to answer a question on this solicitation as follows:

Q15. We would also like clarification on the following:

3.21 Miscellaneous Equipment

Item (e) - A utility compressed air system

We are having difficulties in finding a compressor Manufacturer with the specification that is required in this Solicitation. I expect that DND has information on the compressor. Would it be possible for them to supply the name or names of these Companies? As in previous Solicitations, they have listed a product or equivalent product. It appears the specification here is more compatible to an electric compressor.

More detailed information would be helpful.

A15. DND does not have a particular compressor in mind; however, an electric compressor is the preferred option.

ALL OTHER TERMS AND CONDITIONS OF THE SOLICITATION REMAIN UNCHANGED.
