If no change is made, it acknowledges that the applicable laws specified are acceptable to the offerors.

## PART 3 - OFFER PREPARATION INSTRUCTIONS

### 1. Offer Preparation Instructions

Canada requests that offerors provide their offer in separately bound sections as follows:

Section I: Financial Offer (one (1) hard copy) and (one (1) soft copy) on Excel as an e-mail attachment.

Section II: Certifications (one (1) hard copy)

If there is a discrepancy between the wording of the soft copy and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.

Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer.

Canada requests that offerors follow the format instructions described below in the preparation of their offer.

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to that of the Request for Standing Offers.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, offerors should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

#### Section I: Financial Offer

Offerors must submit their financial offer in accordance with "Annex B, Basis of Payment". The total amount of Applicable Taxes must be shown separately.

**.1 Hard (Paper) Copy:** One (1) hard copy **must be submitted** by the date, time and place indicated on page 1 of the Request for Standing Offers.

**.2 Soft (Electronic) Copy:** In addition to the hard copy, PWGSC is requesting suppliers send in an electronic copy of Excel file, by e-mail to the following address: **Kingston.procurement@pwgsc.gc.ca**

If there is any discrepancy between the wording of the electronic copy and the hard copy, the wording of the hard copy will have priority over the wording of the electronic copy.

### **Annex B - WORKING DOCUMENTS (EXCEL FILE)**

The working documents include the Schedule of Closing Dates as well as Closing Pages and List of Products for each period.

The Schedule of Closing Dates (Annex C) specifies the Closing Dates for each period. It is important to use the appropriate Closing page, matching the period for which the offer applies.

The offerers will complete the List of Products using the Excel file and ensure that it has been properly filled out and contains all required information.

That list, once printed, will be sent to the bid receiving unit with the other required documents, before being transmitted to the above mentioned e-mail address.

### **Payment by Credit Card**

Canada requests that offerors complete one of the following:

- (a) ☐ Government of Canada Acquisition Cards (credit cards) will be accepted for payment of call-ups against the standing offer.

The following credit card(s) are accepted:

VISA \_\_\_\_\_

Master Card \_\_\_\_\_

- (b) ☐ Government of Canada Acquisition Cards (credit cards) will not be accepted for payment of call-ups against the standing offer.

The Offeror is not obligated to accept payment by credit card.

Acceptance of credit cards for payment of call-ups will not be considered as an evaluation criterion.

### **Section II: Certifications**

Offerors must submit the certifications required under Part 5.

## **PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION**

### **1. Evaluation Procedures**

- (a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the offers.

### **1.1 Financial Evaluation**

#### **1.1.1 Mandatory Financial Criteria**

The Offeror must complete and submit with its offer, Annex B - Basis of Payment, in Canadian funds. Pricing must be provided for all line items as listed and a % amount for B. Special Orders.

Offers meeting the requirements of the Mandatory Financial Evaluation will be assessed to arrive at an Aggregate Value based on the estimated usage provided herein at Annex "B" and "FOB Destination", as indicated.

The estimated usage provided herein is for the sole purpose of establishing an evaluation tool, based only on best estimate and in no way reflect the actual usage's expected or any commitment on the part of the Crown.

Offers will be evaluated based on the prices detailed in Annex B - Basis of Payment.

Definition of Extended Price: The line item prices are multiplied by the estimate usage to arrive at an extended price.

Definition of Aggregate Value: The Aggregate Value is the sum of all the extended prices.

#### **1.1.2 SACC Manual Clause**

SACC Manual Clause A0220T (2013-04-25), Evaluation of Price

#### **1.1.3 Pack or Unit Size**

If a requested size is no longer available, it is up to the offeror to contact the Contracting Authority no later than seven (7) calendar days prior to the closing date with a proposed alternative size.

Where changes to pack or unit sizes are proposed the following must be met:

- a. The proposed change is necessary because the original pack size specified is unavailable in the industry; and
- b. The new proposed size reflects the next size up or down (from the original size specified) that is available in the industry; and / or

c. There is less than a 15% difference between the original size specified and the proposed alternative size.

Any changes to the product pack and or size will be made by the Contracting Authority through an amendment to the Request for Standing Offer document. The offeror cannot substitute sizes in their offer that have not been approved.

## **2. Basis of Selection**

**2.1** a) is the intention of Canada to issue a single Standing Offer for this requirement.

For each Standing Offer period, bids will be assessed to arrive at an aggregate value based on the estimated usage provided herein at Annex A, FOB Destination as indicated. The estimated usage provided herein is for the sole purpose of establishing an evaluation tool and are based only on best estimates. They may not reflect the actual usage and do not represent any commitment on the part of Canada.

The Offeror's Unit Prices will be multiplied by the corresponding estimated usage to arrive at an extended price. In the event that a bidder does not provide a price for any item PWGSC will, for assessment purposes only, substitute the highest price quoted (by another bidder) for the item for which they did not provide a quote. If all bidders fail to provide a price for a particular item, that item will be eliminated from the assessment. This will be for the purposes of obtaining an aggregate total for each bidder.

b) The compliant Offeror(s) selected for issuance will be given written notification to provide the information required in 5-2 entitled "Certifications Precedent to Issuance of the Standing Offer" by a specified date and time, unless the information has already been provided in the RFSO submission. Should the Offeror(s) fail to provide all the information required by the date and time specified, the bid will be considered non-compliant and given no further consideration. The compliant Offeror with the next lowest Aggregate Value will be notified. This process will be repeated until the Certifications Precedent to Issuance of Standing Offer have been met.

c) Upon Compliance with 5 entitled "Certifications Precedent to Issuance of the Standing Offer", the Standing Offer(s) will be issued to the compliant Offeror(s) selected for issuance of a Standing Offer.

## **PART 5 - CERTIFICATIONS**

Offerors must provide the required certifications and associated information to be issued a standing offer.

The certifications provided by offerors to Canada are subject to verification by Canada at all times. Canada will declare an offer non-responsive, will have the right to set-aside a standing offer, or will declare a contractor in default in carrying out any of its obligations under any resulting contracts, if any certification made by the Offeror is found to be untrue whether made knowingly or unknowingly during the offer evaluation period, during the Standing Offer period, or during the contract period.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications. Failure to comply and to cooperate with any request or requirement imposed by the Standing Offer Authority may render the Offer non-responsive, may result in the setting aside of the Standing Offer or constitute a default under the Contract.

### **1. Certifications Required Precedent to Issuance of a Standing Offer**

#### **1.1 Integrity Provisions - Associated Information**

By submitting an offer, the Offeror certifies that the Offeror and its Affiliates are in compliance with the provisions as stated in Section 01 Integrity Provisions - Offer of Standard Instructions [2006](#). Canada will have the right to declare an offer non-responsive, or to set-aside a Standing Offer, if the Offeror, or any member of the Offeror if the Offeror is a Joint Venture, appears on the "[FCP Limited Eligibility to Bid](#)" list at the time of issuing of a Standing Offer or during the period of the Standing Offer.
