

Avery Weigh-Tronix

WARRANTY & SERVICE POLICY BRIDGEMONT & STEELBRIDGE XT SERIES TRUCK SCALES (CANADA)

Statement of Limited Warranty

Subject to the terms and conditions as stated herein: Avery Weigh-Tronix Inc. (hereafter referred to as "AWT") warrants its equipment to be free from defects in material and factory workmanship for a period from the date of installation.

- ◆ **Five (5) years** - Weigh Bars, j-boxes, summing boxes, SensorComm, cables inside the structure, and BridgeMont (BMS -SD) weighbridge structure
- ◆ **Ten (10) years** - BridgeMont (BMS/BMC/XL/DT/BMS-P) weighbridge structure
- ◆ **Fifteen (15) years** - SteelBridge XT (IMXT/FCXT) & BPV Portable weighbridge structure

Weigh Bars, j-boxes, SensorComm and internal cabling are warranted against failures caused by lightning and moisture provided the scale has been properly installed, grounded and sealed as specified by AWT and the indicator power is supplied through the Tesco AC suppression device.

Exclusions to the warranty include but are not limited to: Corrosion, concrete & rebar or any other items supplied by others, excessive wear, cosmetic defects that do not affect performance, and damage caused by welding surges.

Terms and Conditions of Limited Warranty

This obligation is limited exclusively to defective original equipment manufactured or supplied by AWT and is subject to the inspection and analysis by AWT as to conclusively identify or confirm the nature and cause of the failure.

Defective components, mechanical or electrical, will be repaired or replaced free of any obligation to the owner within ninety (90) days after date of installation.

For the remainder of the product warranty period, defective components (mechanical or electrical), will be repaired or replaced providing equipment owner agrees to pay service technicians labor and traveling expenses from the authorized AWT service branch. The faulty components may be returned to the factory, freight prepaid, at the discretion and authorization of AWT.

AWT responsibility is confined to repair, replacement, or credit (at its option) of equipment or parts and does not extend to labor, material, or service charges involved in removal of equipment for the return to the factory.

AWT is not responsible and will not be held liable for losses, injury or damage caused to persons or property by reason of the installation of AWT products or their failure.

This warranty is not applicable for expenses either direct or consequential that may arise from the use or inability to use these products.

AWT reserves the right to incorporate improvements in material and design of the products without notice and is not obligated to incorporate the same improvements in equipment previously manufactured.

In certain cases, such as used equipment or peripheral equipment not manufactured by AWT, a reduced warranty may apply. Specific details to these exceptions are provided separately or at the time of purchase.

AWT shall not be obligated under any warranty different from its warranty as set forth herein. The AWT warranty is limited to the initial customer and installation and is not transferable in the event of resale.

Conditions Which Void Limited Warranty

This warranty shall not apply to equipment which:

- A. Has had repairs and modifications not authorized by AWT which in AWT judgement has affected the performance or reliability.
- B. Has been subject to misuse "overloading", negligent handling, improper installation, accident, damage by fire, water, submersion or act of God.
- C. Has had serial number altered, defaced or removed.
- D. Has not followed AWT recommendations for epoxy coatings, galvanizing, or stainless steel construction for installation in harsh environments.
- E. Has not been grounded according to AWT recommended procedure.

Freight Carrier Damage

Claims for equipment damaged in transit must be referred to the freight carrier. Visible damage should be reported immediately. Concealed damage as soon as possible in any case, within fifteen (15) days of receipt of shipment, in accordance with freight carrier regulations.
