### **2.1 Question No. 7**

Question:

In annex A, the size of the stake is required to be 10" x 35". The sample we received however has length of 30". Since 30" is the standard size used, can you please confirm if a length of 30" will be accepted?

Answer:

The required size is 10" x 35"; therefore a 30" length is not acceptable. The sample provided was an example only to demonstrate the type of galvanized steel required.
