

## ADDENDUM # 1

\*\*\*\*\*

**THE FOLLOWING AMENDMENT TO THE BID DOCUMENTS IS EFFECTIVE IMMEDIATELY. THE  
ADDENDUM SHALL FORM A PART OF THE CONTRACT DOCUMENTS.**

\*\*\*\*\*

### **Specification:**

1. In Specification Section 01 10 09, 2.1.5, and Section 01 10 10, 1.1.5, please delete all reference to excavation.
2. In Specification Section 26 24 10, 1.1.1, please delete reference to Nova Scotia Power Inc. and replace with Newfoundland Power.

### **For Clarification Purposes:**

All grubbing, clearing, and trenching will be completed prior to contract award by Parks Canada; using their own equipment. As such, associated cost to complete the grubbing, clearing, and trenching should not be contained in the contractor's bid.

Parks Canada will keep all roadways clear of snow for the duration of the contract. However, the successful contractor will be responsible to keep the work site clear of snow for the purpose of their work for the duration of the project (from project commencement and site mobilization until project completion). This includes, but is not limited to, all holes, trenches, and excavated areas.

By submission of its bid, the Bidder confirms that it has read and understands the requirements expressed in all addenda and has included all costs of these requirements in its Total Bid Amount.
