This amendment is being raised to reflect a change to the closing date for the requirement and to respond to a question from a potential bidder as follows:

The closing date for this requirement has been extended to December 8th 2014.

Q) Clause 1.27 states that the unit provided must be equipped with a loader scale which is legal for trade in Canada. Is the customer (client) requesting an on board weighing system with printer? If so, does the customer (client) have any make/model preference as different manufacturers do not function identically?

A) Yes, the customer (client) is asking for an on board weighing system with printer. No, the customer (client) does not have a make/model preference.
