This Amendment #2 is being issued as follows:

Questions & Answers #1

Q#1. On page 8 of 44, it says at requirement 002 that the resource has to have a valid Certification from the College of Psychologists for their respective province or territory.

a. Does the proposed resource have to have that certification in the province of BC as well as Yukon?

A#1. NO

Q#2. b. Is it just the province of BC ? (as indicated in the sub-point of requirement 002)

A#2. YES

Q#3. 2. On page 18 of 44, it says that the bidder must make an oral presentation of 15 to 20 minutes on the package they have submitted.

a. So is it just the proposed resource who has to make the oral presentation ? Or will a representative from the firm have to be there too?

A#3. Only the proposed resources must make the oral presentations

Q#4. On page 18 of 44, it says that the bidder has to submit a package containing all of the written documentation.

What does the package have to contain? It is not in the invitation to tender because it is asking for a package and then it talks about preparing a bid dealing with the development, implementation and promotion of a mental health strategy.

A#4. See R7 (R7.1) You must send your package within in your bid submission and include everything as indicated. Your submitted package is what you will also speak on at the verbal presentation.

Q#5. Do we include the bid (including the technical and financial part and the attestations) as well as a document about the development, implementation and promotion of a mental health strategy ?
(including the 7 points requested)

A#5. YES

Q#6. There also seems to be confusion about how many years of professional experience the professional needs to have acquired.

On page 9 of 44, it says "Proposed resource, as a licensed psychologist, must have at least two (2) years within the last five (5) years of applied experience practicing clinical psychology in a clinical and/or organizational setting for adult populations."

Whereas on page 7 of 44 it says "phrases such as "within the past eight years" are used to mean "within the eight years preceding the closing date of the ITT".

Can you clarify for us whether it is over the past 5 years or the past 8 years?

A#6. 5 YEARS

Q#7. Is a PHD in Clinical Psychology acceptable ?

A#7. YES
