**Amendment 001 – Mobile X-Ray Unit, is being raised for the following reason:**

- 1. Provide a response back from Public Works and Government Services Canada to questions received from bidders.**
- 

**Q1.** I have looked at the detail of solicitation but it doesn't say what kind of X-Ray Unit. Medical or dental ?

**A1.** Requirement is for a Medical X-Ray Unit.

**Q2.** I am inquiring about the portable X-ray machine tender. While we do not have a portable X-ray machine we do have a portable X-ray screen that can be used in tandem with the machine however. I have attached a brochure for your reference and the X-ray portable screen can be found on the bottom right hand corner of page 25.

Kindly let me know if you may have more interest in this product and require further information including pricing.

**A2.** At this time we require a portable x-ray machine as stipulated in the Annex "A" – Requirement.

**Q3.** We are currently in the process of responding to RFSO Solicitation No. 21501-145469/A closing December 17, 2014 for Correctional Service of Canada - various shipping locations across Canada. We are trying to determine why the Kingston RFP would not be able to purchase under the RFSO. The equipment requirements and specifications are identical.

**A3.** As it is only a difference of a week or two between closings we are going to keep this RFP active.

**ALL OTHER TERMS AND CONDITIONS OF THIS SOLICITATION REMAIN UNCHANGED.**

**If your tender has already been forwarded and you wish to revise same, this revision should be faxed and reach the bid receiving area before the closing date. The tender number and the closing date are to be shown on the first page of your fax.**
