Association of Professional Engineers and Geoscientists of the Province of British Columbia

INGENIEUR

LICENSÉ

Limited Licence 175994

OCT 30 2014

Donald Matthew Hope is authorized by the Association of Professional Engineers and Geoscientists of the Province of British Columbia to engage in the practice of Professional Engineering within the limited scope as specified hereunder:

Limited to:

1. Petroleum Storage Systems with ULC Standard shop fabricated tanks.

2. Petroleum Transfer Systems to auxiliary tanks and fuel burning appliances.

3. Petroleum Dispensing Facilities and product transfer areas with aboveground and underground piping and leak detection.

4. Water Distribution Systems up to 10,000 people (planning and evaluating).

5. Water Distribution Piping.

6. Process Piping for pump stations and water treatment plants.

7. Sanitary Sewer Collection Systems.

8. Storm Water Collection Systems.

9. Work that is in conformance with commonly published and recognized standards.

Exclusions:

a. Design of field erected storage tanks, refining process equipment and tank distribution facilities.

b. Design of water and wastewater treatment plants and pump stations.
