Project No.: R.059705.001

December 18, 2014

---

The following changes to the tender documents are effective immediately and will form part of the contract documents:

---

**CLARIFICATION:**

**Q.1:** Do we have to supply and fill the diesel fuel and gasoline fuel for the 11,000L tanks – 2 ea. for first fill and commissioning or is it by the Owner? Please advise so we can price accordingly.

**A.1:** See article 1.3 in specification section 23 08 01. After 1.3.1 is done, a half tank of fuel is required to test the pumping.
