### **The purpose of this amendment is to:**

1. Amend the Solicitation to reflect changes to the estimated usages.

---

#### **1A. Refer: Annex "B" - Basis of Payment**

**Delete:** In its entirety

**Insert:**

### **ANNEX "B" BASIS OF PAYMENT**

All prices are firm net prices in Canadian funds including Canadian customs duties, excise taxes, and are to be Delivered Duty Paid destination(s) indicated, including all delivery, offloading and travel charges. All applicable taxes must not be included in pricing and will be shown as a separate item on invoices if applicable.

#### **Estimated Usage:**

The estimated usages provided are for the sole purpose of establishing an evaluation tool and are based only on best estimate and in no way reflect the actual usages expected or any commitment on the part of the Crown. The quantities as stated herein reflect the expected usage for one year and are an estimate of the requirement made in good faith. The Standing Offer will be limited to the actual goods ordered. The estimated usage per year is the total (combined) estimated usage of the sites identified in the corresponding description.

#### **Sites:**

Each site identified herein must execute call-ups against the Standing Offer in accordance with their respective Item # and the applicable unit prices.

#### **Price Adjustment:**

The prices detailed in the Contract are subject to upward or downward adjustment to allow for any increase or decrease in the support prices for Skim Milk Powder established by the Canadian Dairy Commission. A copy of the Contractor's notification of price increase or decrease from the Canadian Dairy Commission must be provided to the Contracting Authority.

Example – The support price for Skim Milk Powder increases by \$.10/kg. As a result, the price for a 12.5 kg bulk package of Skim Milk Powder would be increased by \$1.25, and the price for the 8 x 2 kg case of Skim Milk Powder would be increased by \$1.60.
