QUESTION 1:

Is it possible to know who is the current vendor of record for this item with your customer, the prices currently paid and since when the contract has been in place with them?

ANSWER:

The Buy and Sell website has a search capability for contract history information related to contracts awarded by Public Works and Government Services Canada (PWGSC) on behalf of federal departments and agencies since January 2009. This search engine can be found at the following link:

<https://buyandsell.gc.ca/procurement-data/contract-history>

The last contract for the purchase of inmate ankle boots was awarded to *Marathon Watch Company Ltd.* in June 2012 for a value of \$161,954.10 for a firm quantity of 1,416 pairs for year one and 1,416 for year two.

QUESTION 2:

Is it possible to receive a sealed sample of the boot?

ANSWER:

Sealed samples are available for viewing at various PWGSC regional offices throughout Canada. Please refer to Part 2 – Bidder Instructions, paragraph 5 for regional office locations. Unfortunately, Correctional Services Canada does not have a sufficient number of sealed samples to be distributed directly to Bidders.

QUESTION 3:

Can you recommend a laboratory to perform the "color fastness test"?

ANSWER:

The Standards Council of Canada has information related to laboratory office locations that can perform the ISO testing. Please refer to the following link: <https://www.scc.ca/en>.

All other terms and conditions remain unchanged.
