

Background

On December 12th, 2014, two versions of RFRE amendment 026 were posted on the RFRE's Tender Notice web page (<https://buyandsell.gc.ca/procurement-data/tender-notice/PW-14-00614229>). The first listed version contained two items to be amended and the second listed version contained the same two items to be amended while adding a third item to be amended..

This RFRE amendment 027 is raised to:

1. Delete in their entirety both versions of RFRE amendment 026.
2. Correct a typographical error made in the Description section of the RFRE's Tender Notice web page (i.e. <https://buyandsell.gc.ca/procurement-data/tender-notice/PW-14-00614229>) because the Final Response Intake Date is January 5, 2015 and not January 30, 2015.

Note that this correction makes the date consistent with the date found in Amendment 025 to the RFRE.

3. Correct a typographical error made in the English version of RFRE Amendment 025 because the Final Response Intake Date is January 5, 2015 and not January 5, 2014.
4. Change the target dates of the anticipated RFP Stage and the Contract Finalization Stage.

The RFRE is amended as follows:

1. Delete, in their entirety, both RFRE amendments number 026.
2. The RFRE's Tender Notice web page is amended as follows:

In the Description section, at RFRE Response Intake Dates:

Delete: Final Response Intake Date: January 30, 2015 by 2:00 pm EST

Insert: Final Response Intake Date: January 5, 2015 by 2:00 pm EST

3. The RFRE is amended as follows:

At RFRE clause 2.1.2:

Delete: Final Response Intake Date: January 5, 2014 by 2:00 pm EST

Insert: Final Response Intake Date: January 5, 2015 by 2:00 pm EST

4. The RFRE is amended as follows:

Delete: the table in clause 1.11.2 (The Anticipated RFP and Contract Finalization Stages) of the RFRE in its entirety.

Insert:

Anticipated Stage 2: The RFP	
RFP release	Winter 2015
RFP closing date	Spring 2015
Selection and Approval of Preferred Bidder	Spring / Summer 2015
Anticipated Stage 3: Contract Finalization	
Contract Finalization and Signature	Fall 2015

All other terms and conditions remain the same.
