PART 1 - GENERAL INFORMATION

1. Introduction

The *Farm Debt Mediation Act* (FDMA) received Royal Assent on April 25, 1997 and came into force on April 1, 1998. The Farm Debt Mediation Service (FDMS) was established to deliver the FDMA. The service provides a streamlined process of mediation to assist insolvent farmers and their creditors to negotiate settlement arrangements, rather than have those disputes result in costly legal proceedings for all parties. A Mediator is assigned to assist the farmer and creditors explore options for the successful resolution of the case.

To apply for assistance under the FDMA, an individual, corporation, partnership, cooperative or other association of persons must be "engaged in farming for commercial purposes", meaning that the production from their crops, livestock, or other eligible commodities is commercially available for sale as opposed to being grown for the personal use of the farmer or for a person related to the farmer as defined in the regulations. The applicant must also be "insolvent", which is defined in article 6 of the FDMA as follows:

Only farmers:

- who are for any reason unable to meet their obligations as they generally become due;
- who have ceased paying their current obligations in the ordinary course of business as they generally become due; or
- the aggregate of whose property is not, at a fair valuation, sufficient, or if disposed of at a fairly conducted sale under legal process would not be sufficient, to enable payment of all their obligations, due and accruing due.

Under the FDMA, farmers can apply for review and mediation only or for a Stay of Proceedings, review and mediation. There are several factors to consider in deciding how to apply.

Secured creditors are obliged by the Act to serve the farmer with a *Notice of Intent to Realize on Security* before undertaking any action to recover debts. In this case, the farmer would usually choose the FDMS application which includes a Stay of Proceedings to prevent further action by the creditor during mediation. The farmer would also apply for a Stay when being sued for a debt by an unsecured creditor. Though unsecured creditors are not required to provide a Notice of Intent, the Stay still protects the farmer's assets during mediation. If a Notice of Intent has not been served and legal action has not been taken, the farmer may prefer to apply for review and mediation only, without applying for a Stay.

Once the review and recovery plan are prepared an unbiased mediator is appointed by the Manager to meet with the farmer and their creditors to try and facilitate a comprehensive solution between the parties. Mediators must be free from any conflict of interest in the matters between the farmer and creditors and are expressly forbidden under the FDMA from providing advice to either the farmer or any of the creditors. During the mediation the farmer presents the recovery plan to the creditors and seeks their agreement to a course of action to resolve the current financial difficulties. If the farmer has applied with a Stay, the meeting would involve all creditors. If without a Stay, then the meeting would involve all secured creditors and any other creditors who need to be involved in reaching a settlement. There may be cases where a recovery plan would not be required, such as those situations where the farmer wants to negotiate an agreement for an orderly sale of assets and an exit from farming. At the conclusion of the negotiation it is critical for the parties to obtain either a signed, binding agreement or an agreement-in-principle with a well-defined plan of action for having a final agreement drawn up and signed.

An assessment will be conducted by the FDMS office after completion of the mediation. The assessment will evaluate the participants' satisfaction with the FDMS office, and the mediation services and help to determine possible program changes or enhancements that may be initiated.

You can find more information about the FDMS on AAFC web site:

2. Summary

2.1 One method of supply used by Agriculture and Agri-Food Canada (AAFC) to satisfy the requirements of our programs is to invite suppliers (by way of a Request for Standing Offer (RFSO)) to submit an offer for the provision of services during a specified period. With the completed RFSO process, AAFC is authorized to make call-ups against the resulting SO's detailing the exact level of services they wish to order at a particular time during the effective period of the SO, in accordance with the predetermined conditions.

A RFSO does not commit AAFC to authorize the utilization of an SO or to obtain services or issue a subsequent Contract to this effect.

A standing offer is not a contract and that the issuance of an SO and Call-up Authority does not oblige or commit Canada to procure or contract for any services listed in the SO. The Offeror understands and agrees that Canada has the right to procure the services specified in the SO by means of any other contract, SO or contracting method.

2.2 The purpose of this Request for Standing Offers (RFSO) is to select Offerors to enter into negotiations with AAFC to issue Departmental Individual Standing Offers (SO) to obtain the services described in the Statement of Work, for British Columbia.

The total budget for the SOs will be approximately \$180,000.00, based on a possibility of issuing two (2) standing offers.

Services are required for a period of four (4) years, starting at date of issuance of standing offers.

3. Debriefings

After issuance of an SO, Offerors may request a debriefing on the results of the RFSO process. Offerors should make the request to the SO Authority within 15 working days of receipt of the results of the RFSO process. The debriefing may be in writing or by telephone.

4. Office of the Procurement Ombudsman

If you have issues or concerns regarding the solicitation, you have the option of raising them with the department or with the Office of the Procurement Ombudsman (OPO). The Office of the Procurement Ombudsman was established by the Government of Canada to provide an independent avenue for suppliers to raise complaints regarding the award of contracts under \$25,000 for goods and under \$100,000 for services. You have the option of raising issues or concerns regarding the solicitation, or the award resulting from it, with the OPO by contacting them by telephone at 1-866-734-5169 or by e-mail at boa.opo@boa.opo.gc.ca. You can also obtain more information on the OPO services available to you at their website at www.opo-boa.gc.ca.

5. Interpretation

In the Request for Standing Offer, unless the context otherwise requires:

“Call-up” means an order issued by an Identified User duly authorized to issue a call-up against a particular SO. Issuance of a call-up to the Offeror constitutes acceptance of its offer and results in the creation of a Contract between Her Majesty the Queen in right of Canada and the Offeror for the services described in the call-up.

“Canada”, “Crown”, “Her Majesty” or “the Government” means Her Majesty the Queen in right of Canada as represented by the Minister of Agriculture and Agri-Food Canada and any other person duly authorized to act on behalf of that Minister.

“Identified User” means a person or entity identified in the SO and authorized by the SO Authority to make call-ups against the SO.

“Offeror” means the person or entity whose name appears on the signature page of the SO and who offers to provide goods, services or both to Canada under the SO.

“Standing Offer” means the written offer from the Offeror, the clauses and conditions set out in full text, the general conditions, annexes and any other document specified or referred to as forming part of the SO.

PART 2 - OFFEROR INSTRUCTIONS

1. Instructions, Clauses and General Conditions

This part contains general information on AAFC's requirements and general instructions for the preparation and submission of an offer.

Instructions, clauses and conditions identified in the RFSO and the call-up(s) by number, date and title are part of the RFSO, the SO and any resulting Contract as though they were expressly set.

2. Submission of Offers

- 2.1. Canada requires that each offer, at closing date and time or upon request from the SO Authority, be signed by the Offeror or by an authorized representative of the Offeror. If an offer is submitted by a joint venture, it must be in accordance with, PART 3, section 2 of the RFSO.
 - 2.2. It is the Offeror's responsibility to:
 - 2.2.1 obtain clarification of the requirements contained in the RFSO, if necessary, before submitting an offer;
 - 2.2.2 prepare its offer in accordance with the instructions contained in the RFSO;
 - 2.2.3 submit a complete offer by closing date and time;
 - 2.2.4 send its offer only to the address specified on page 1 the RFSO;
 - 2.2.5 ensure that the Offeror's name, return address, the RFSO number, and the RFSO closing date and time are clearly visible on the envelope or the parcel(s) containing the offer; and
 - 2.2.6 provide a comprehensible and sufficiently detailed offer, that will permit a complete evaluation in accordance with the criteria set out in the RFSO.
 - 2.3. Offers will remain open for acceptance for a period of not less than sixty (60) days from the closing date of the RFSO, unless specified otherwise in the RFSO. Canada reserves the right to seek an extension of the offer validity period from all responsive Offerors in writing, within a minimum of three (3) days before the end of the offer validity period. If the extension of the validity period is accepted by all responsive Offerors, Canada will continue with the evaluation of the offers. If the extension is not accepted by all responsive Offerors, Canada will, at its sole discretion, either continue with the evaluation of the offers of those who have accepted the extension or cancel the RFSO.
 - 2.4. Offers and supporting information may be submitted in either English or French.
 - 2.5. Offers received on or before the stipulated RFSO closing date and time will become the property of Canada and will not be returned. All offers will be treated as confidential, subject to the provisions of the *Access to Information Act* (R.S.C. 1985, c. A-1) and the *Privacy Act* (R.S.C. 1985, c. P-21).
 - 2.6. Unless specified otherwise in the RFSO, Canada will evaluate only the documentation provided with an Offeror's offer. Canada will not evaluate information such as references to web site addresses where additional information can be found, or technical manuals or brochures not submitted with the offer.
 - 2.7. An offer cannot be assigned or transferred in whole or in part.
- ### 3. Late Offers
- 3.1 AAFC will return offers delivered after the stipulated RFSO closing date and time to the Offeror.
- ### 4. Electronic Transmission or Facsimile
- 4.1. Offers submitted by facsimile or other electronic means will not be accepted by AAFC

5. Legal Capacity

- 5.1 The Offeror must have the legal capacity to enter into a contract. If the Offeror is a sole proprietorship, a partnership or a corporate body, the Offeror must provide, if requested by the SO Authority, a statement and any requested supporting documentation indicating the laws under which it is registered or incorporated together with the registered or corporate name and place of business. This also applies to Offerors submitting an offer as a joint venture.

6. Rights of Canada

- 6.1. Canada reserves the right to:
- a. Accept any Offer in whole or in part, without prior negotiation;
 - b. Reject any or all Offers received in response to this RFP;
 - c. Cancel and/or re-issue this RFSO at any time;
 - d. Ask the Bidder to substantiate any claim made in the Proposal;
 - e. Enter into negotiations with one or more Offerors on any or all aspects of their offer;
 - f. Award one or more Standing Offers;
 - g. Retain all Offers submitted in response to this RFSO.

7. Rejection of Offer

- 7.1. Canada may reject an offer where any of the following circumstances is present:
- a. the Offeror is bankrupt or where, for whatever reason, its activities are rendered inoperable for an extended period;
 - b. evidence, satisfactory to Canada, of fraud, bribery, fraudulent misrepresentation or failure to comply with any law protecting individuals against any manner of discrimination, has been received with respect to the Offeror, any of its employees or any subcontractor included as part of the offer;
 - c. evidence satisfactory to Canada that based on past conduct or behaviour, the Offeror, a subcontractor or a person who is to perform the Work is unsuitable or has conducted himself improperly;
 - d. with respect to current or prior transactions with the Government of Canada:
 - i. Canada has exercised its contractual remedies of suspension or termination for default with respect to a contract with the Offeror, any of its employees or any subcontractor included as part of the offer;
 - ii. Canada determines that the Offeror's performance on other contracts, including the efficiency and workmanship as well as the extent to which the Offeror performed the Work in accordance with contractual clauses and conditions, is sufficiently poor to jeopardize the successful completion of the requirement being bid on.
- 7.2. Where Canada intends to reject an offer pursuant to a provision of section 7.1(d), the SO Authority will so inform the Offeror and provide the Offeror ten (10) days within which to make representations, before making a final decision on the offer rejection.
- 7.3. Canada reserves the right to apply additional scrutiny, in particular, when multiple offers are received in response to a RFSO from a single Offeror or a joint venture. Canada reserves the right to:
- a. reject any or all of the offers submitted by a single Offeror or joint venture if their inclusion in the evaluation has the effect of prejudicing the integrity and fairness of the process, or;
 - b. reject any or all of the offers submitted by a single Offeror or joint venture if their inclusion in the procurement process would distort the solicitation evaluation, and would cause a result that would not reasonably have been expected under prevailing market conditions and/or would not provide good value to Canada.

8.0 Communications - Solicitation Period

8.1 All enquiries and other communications with government officials throughout the solicitation period are to be directed ONLY to the SO Authority named below. Noncompliance with this condition during the proposal solicitation period may (for that reason alone) result in disqualification of an Offer.

Lyndsay Rajaram
lyndsay.rajaram@agr.gc.ca

8.2 To ensure consistency and quality of information provided to Offerors, significant inquiries received and the responses to those requests will be provided on buyandsell.gc.ca without the name of the author of the inquiries mentioned.

8.3 Amendment of RFSO:

12.3.1. To ensure consistency and quality of information provided to Offerors, any amendment to the RFSO will be posted on buyandsell.gc.ca.

12.3.2. It is the Offeror's responsibility to obtain the original documents and any subsequent documents from Buy and Sell.

9.0 Enquiries

9.1 All enquiries must be submitted in writing to the SO Authority no later than five (5) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered. Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer.

10. Offer Costs

No payment will be made for costs incurred in the preparation and submission of an offer in response to the RFSO. Costs associated with preparing and submitting an offer, as well as any costs incurred by the Offeror associated with the evaluation of the offer, are the sole responsibility of the Offeror.

11. Conduct of Evaluation

11.1 In conducting its evaluation of the offers, Canada may, but will have no obligation to, do the following:

- a. seek clarification or verification from Offerors regarding any or all information provided by them with respect to the RFSO;
- b. contact any or all references supplied by Offerors to verify and validate any information submitted by them;
- c. request, before issuance of any SO, specific information with respect to Offerors' legal status;
- d. conduct a survey of Offerors' facilities and/or examine their technical, managerial, and financial capabilities to determine if they are adequate to meet the requirements of the RFSO;
- e. verify any information provided by Offerors through independent research, use of any government resources or by contacting third parties; and
- f. interview, at the sole costs of Offerors, any Offeror and/or any or all of the resources proposed by Offerors to fulfill the requirement of the RFSO.

11.2 Offerors will have the number of days specified in the request by the SO Authority to comply with any request related to any of the above items. Failure to comply with the request may result in the offer being declared non-responsive.

12. Conflict of Interest - Unfair Advantage

- 12.1 In order to protect the integrity of the procurement process, Offerors are advised that Canada may reject an offer in the following circumstances:
- a. if the Offeror, any of its subcontractors, any of their respective employees or former employees was involved in any manner in the preparation of the RFSO or in any situation of conflict of interest or appearance of conflict of interest;
 - b. if the Offeror, any of its subcontractors, any of their respective employees or former employees had access to information related to the RFSO that was not available to other Offerors and that would, in Canada's opinion, give or appear to give the Offeror an unfair advantage.
- 12.2 The experience acquired by an Offeror who is providing or has provided the goods and services described in the RFSO (or similar goods or services) will not, in itself, be considered by Canada as conferring an unfair advantage or creating a conflict of interest. This Offeror remains however subject to the criteria established above.
- 12.3. Where Canada intends to reject an offer under this section, the SO Authority will inform the Offeror and provide the Offeror an opportunity to make representations before making a final decision. Offerors who are in doubt about a particular situation should contact the SO Authority before the RFSO closing date. By submitting an offer, the Offeror represents that it does not consider itself to be in conflict of interest nor to have an unfair advantage. The Offeror acknowledges that it is within Canada's sole discretion to determine whether a conflict of interest, unfair advantage or an appearance of conflict of interest or unfair advantage exists.

13. Entire Requirement

- 13.1 The RFSO contains all the requirements relating to this request for offers. Any information or documentation provided to or obtained by an Offeror from any other source is not relevant. Offerors should not assume that practices used under previous contracts will continue, unless they are described in this RFSO. Offerors should also not assume that their existing capabilities meet the requirements of this RFSO simply because they have met the requirements of previous RFSOs.

14. Applicable Laws

- 14.1 The SO and any Contract resulting from the RFSO must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

In their bid submission, bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their proposal, by deleting the Canadian province specified in the previous paragraph and inserting the Canadian province or territory of their choice. If no change is made, the bidder acknowledges the applicable law specified is acceptable to the Bidder.

PART 3 - OFFER PREPARATION INSTRUCTIONS**1. Offer Preparation Instructions**

The offer must be completed and signed by the Offeror or an authorized officer of the Offeror. The signature of the Offeror indicates acceptance of the conditions for an eventual SO as stipulated in the RFSO.

2. Joint Venture

- 2.1 A joint venture is an association of two or more parties who combine their money, property, knowledge, expertise or other resources in a single joint business enterprise, sometimes referred to as a consortium, to submit an offer together on a requirement. Offerors who submit an offer as a joint venture must indicate clearly that it is a joint venture and provide the following information:
- a. the name of each member of the joint venture;
 - b. the Procurement Business Number of each member of the joint venture;
 - c. the name of the representative of the joint venture, i.e. the member chosen by the other members to act on their behalf, if applicable;
 - d. the name of the joint venture, if applicable.
- 2.2 If the information is not clearly provided in the offer, the Offeror must provide the information on request from the SO Authority.
- 2.3 The offer and any resulting SO must be signed by all the members of the joint venture unless one member has been appointed to act on behalf of all members of the joint venture. The SO Authority may, at any time, require each member of the joint venture to confirm that the representative has been appointed with full authority to act as its representative for the purposes of the RFSO and any resulting SO. If an SO is issued to a joint venture, all members of the joint venture will be jointly and severally or solidarily liable for the performance of any Contract resulting from a call-up against the SO.

3. Offer Preparation Instructions

Canada requests that Offerors provide their offer in separately bound sections as follows:

Section I: Technical Offer, 1 original hard copy and 1 soft copy on electronic media (ie: CD, USB etc)

Section II: Certification, 1 original hard copy and 1 soft copy on electronic media (ie: CD, USB etc)

If there is a discrepancy between the wording of the soft copy and the hard copy, the wording of the soft copy will have priority over the wording of the hard copy.

Canada requests that Offerors follow the format instructions described below in the preparation of their offer:

- a. use 8.5 x 11 inch (216 mm x 279 mm) paper;
- b. use a numbering system that corresponds to that of the RFSO.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process (Policy on Green Procurement: <http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, Offerors are encouraged to:

1. use paper containing fibre certified as originating from a sustainably-managed forest and/or containing a minimum of 30% recycled content; and
2. use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of Cerlox, duo tangs or binders.

4. Section I: Technical Offer

4.1 The technical proposal should identify the following information:

- a. Type of legal entity;
- b. the name of the official and if different, contact name of the company;
- c. the address, telephone, fax number, e-mail address of the company; and
- d. the reference number of this RFSO: 01B68-14-0116

4.2 In the Technical Proposal, the Offeror should:

- a. explain and demonstrate how they propose to meet the requirements of technical evaluation (Annex "C");
- b. attach curriculum vitae not exceeding 4 pages for each resource proposed

5. Section II: Certification Precedent to Issuance of a Standing Offer

5.1 In order to be awarded a standing offer, the certifications attached in Annex "F" will be required. The certifications should be submitted with the offer. Canada may declare an offer non-responsive if the certifications are not submitted or completed as required. Where Canada intends to reject a proposal pursuant to this paragraph, the SO Authority will so inform the Offeror and provide the Offeror with a time frame within which to meet the requirement. Failure to comply with the request of the SO Authority and meet the requirement within that time frame period will render the offer non-responsive.

5.2 The certifications the Offeror provides to Canada are subject to verification by Canada both during the offer evaluation period (before issuance of an SO) and after issuance of an SO. The SO Authority has the right to ask for additional information to verify Offerors' certifications before issuance of an SO. The offer will be declared non-responsive if any certification claimed by the Offeror is untrue, whether knowingly or unknowingly. Failure to comply with the certifications, to provide the related documentation or to comply with the request of the Standing Offer Authority for additional information will also render the offer non-responsive.

6. Multiple Resources Proposed

If an Offeror is proposing multiple resources, each resource offering the services under the SO must comply with the requirements of the RFSO. For each resource proposed, the Offeror must submit a technical offer (section I), as well as the certifications (section II), in Annex F2.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

1. Evaluation Procedures

- a. Offers will be assessed in accordance with the requirements of the RFSO, including the technical evaluation and certifications.
- b. An evaluation team composed of representatives of Canada will evaluate the offers.
- c. The objective of the technical evaluation is to award a maximum of 100 points for the technical components.
- d. The technical component of the proposal will be deemed compliant if it achieves a score equal to or in excess of the pass mark of 70% overall on the rated criteria, and will be ranked accordingly.

The pass mark represents only what is minimally acceptable to AAFC and does not guarantee the issuance of an SO. AAFC reserves the right to verify all information included by an Offeror in its proposal. In all cases, AAFC reserves the right to cancel this RFSO and request new proposals.

2. Method of Selection

For purposes of evaluation, the technical component is awarded a maximum of 100 points. Each proposed resource will be assessed individually against the evaluation grid, included as Annex "C". Where an Offeror has identified more than one resource in their Offer, the average score of all proposed resources will be used in ranking of the Offerors.

AAFC's policy is to recommend the selection of the Offeror with the highest technical score, up to the required number of SO's, as described in section 2 of PART 1 of this RFSO.

PART 5 – SECURITY REQUIREMENTS

Successful personnel clearance by AAFC's Security Services is a mandatory condition before AAFC SO authority can award an SO. As indicated in Part 6B, article 8, all resources proposed to provide services under the resulting standing offer must hold a valid security clearance at the level of Reliability.

Offerors are not obligated to complete "Personnel Screening Consent and Authorization Form" (tbs/sct 330-23e) available at <http://www.tbs-sct.gc.ca/tbsf-fsct/330-23-eng.asp> at this point in the tender process. However, once the technical evaluation teams have evaluated the received proposals and have selected the winning offers, this requirement will become mandatory. Failure to comply with security requirements within the timeframe determined by the SO authority will also render the offer non-responsive.

Offerors have the option to complete the form at their sole discretion at this point. Should an Offeror decide to complete the required information and is selected by the technical evaluation team, *the initiative will only accelerate the due diligence process by 2 or 3 weeks*. Regardless of the option chosen by the Offeror, their decision has no bearing or influence on the technical team's evaluation.

PART 6 - STANDING OFFER AND RESULTING CONTRACT CLAUSES

A. STANDING OFFER

1. Offer

1.1 The Offeror offers to provide and deliver to Canada the services described in the SO, in accordance with the pricing set out in the SO as and when the Identified User may request such services, in accordance with the conditions listed herein.

1.2 The Offeror understands and agrees that:

- a) a call-up against the SO will form a contract only for those services which have been called-up, provided that such call-up is made in accordance with the provisions of the SO.
- b) Canada's liability is limited to that which arises from call-ups against the SO made within the period specified in the SO.
- c) The SO cannot be assigned or transferred in whole or in part.
- d) The SO may be set aside by Canada at any time.

2. Clauses and General Conditions

The General Conditions of the SOs "Annex D" as well as all clauses identified in the SO and in the call-up, apply to and form part of the SO agreement.

3. Period of the Standing Offer

3.1. The period for making call-ups against the SO is from the date of signature of the SO agreement for a period of four (4) years.

3.2. Amendment of Standing Offer

The period of the Standing Offer may only be extended, or its usage increased, by the Standing Offer Authority issuing an amendment to the Standing Offer in writing.

4. Authorities and Identified Users

4.1. Standing Offer Authority

The SO Authority is responsible for the establishment of the SO, its administration and its revision, if applicable. Upon the making of a call-up, as Contracting Authority, the SO authority is responsible for any contractual issues relating to individual call-ups made against the SO by any Identified User.

4.2. Identified Users

The regional managers of Agriculture and Agri-Food Canada, and/or their delegated representatives are the identified users authorized by the Minister to make call-ups against the SO on behalf of AAFC / FDMS.

4.3 Offeror Representative

The contact information for the Offeror Representative will be provided at time of contract award.

4.3.1 The duties and responsibilities of the Offeror Representative shall include the following:

1. Responsible for the overall management of the standing offer and call ups;
2. Ensure that the standing offer and call ups is administered in accordance with the terms and conditions of the standing offer;
3. Act as a single point of contact to resolve any contractual disputes that may arise. The Offeror Representative must have direct access to the level of management within the Offeror's organization vested with the decision-making authority for contractual matters;
4. Shall be established as the only recognized individual from the Offeror's organization to speak on behalf of the Offeror for purposes of standing offer and call up management;
5. Monitor all resources that are providing services/deliverables in accordance with the call up;
6. Liaise with the Identified Users on all matters concerning technical aspects of the Work and performance of its resources; and
7. Manage the transition of any potential resource(s) turnover during the period of the Work.

5. Call-up Instrument

The Work will be authorized or confirmed by the Identified User(s) using AAFC's form- "Departmental Individual Standing Offer- Call- up".

6. Limitation of Call-ups

Individual call-ups against the SO must not exceed \$10,000.00 (Goods and Services Tax or Harmonized Sales Tax included).

The Offeror must not perform any work or services in response to call ups which would cause the total cost to Canada to exceed the said sum, unless an increase is authorized by the SO Authority.

7. Financial Limitation

The Offeror must not perform any work or services in response to call-ups that would cause the total cost to Canada to exceed the said sum on page 2 of the standing offer, unless an increase is so authorized.

8. Call-up Procedures

The acceptable offers will be ranked in descending order by score in the technical evaluation of the RFSO.

Each call-up will be issued on a rotational basis, with the first call-up issued to the first-ranked SO holder, the second call-up issued to the second-ranked SO holder, and so on.

The following list represents scenarios in which the rotation process may not be followed.

- a) Where the cost of traveling will justify it, a call-up could be issued to an Offeror with a resource who is located in closer proximity to where the services will be rendered.
- b) In the event the applicant's choice to receive the services in one of two official languages prevents the next Offeror on the list from providing the services, the Regional Manager will award the mandate to the next Offeror on the list who can meet the linguistic requirements.
- c) To avoid any perceived or potential conflict of interest, if the Offerors resource is already engaged to provide Financial Expert Services on particular case, if the Offeror has multiple resources qualified to render service, they will be asked to provide a different resource. If the Offeror does not have additional qualified resources available, the regional manager may award the call up to the next Offeror on the list.

In any of the above scenarios, where the next Offeror on the list is not selected, there will be no penalty to the Offeror. The Offeror who was skipped will be allocated the next available call up.

If an Offeror refuses work under a call-up, he maintains his ranking and must wait his turn to come back before being offered work under a subsequent call-up. If an Offeror does not provide confirmation of his availability in writing for the work within 24 hours of being offered, the Regional Manager will consider the non-response as an unavailability/refusal.

If for reasons beyond its control, the Offeror is unable to provide the services he must advise the Regional Manager of the reason. For the purposes of this clause, only the following reasons will be considered as beyond the control of the Offeror: death, sickness, maternity and parental leave.

(list will be provided at standing offer award)

SW7 Region

The services will be rendered in British Columbia.

ANNEX "B"
BASIS OF PAYMENT

FDMS – MEDIATORS

For services rendered under the standing offer, payment will be based on a firm all inclusive cost per case of \$1200.00. This amount will cover up to 15 hours of work in total, including the preparation of the file, actual mediation, reporting, travel time as well as travel expenses within a round trip of 200 kilometers from the mediators place of business.

(a) Lump sum per case price - \$1200.00

- Completion of the mandate as per the Statement of Work in a round trip up to 200 km
- If there must be a second meeting for the same case, AAFC will pay 75% of the initial per case price - \$900.00

(b) Lump sum cases for a round trip above 200 km

When a case will be delivered in a round trip exceeding 200 km, AAFC will pay a unit price in addition to the per case price to cover the travel expenses incurred.

A unit price is defined as follows and includes the following inputs without limiting its scope: price per case + \$125.00 per unit rate.

- For each portion of 90 km beyond the 200 km round trip, one (1) unit rate is payable
- One unit rate comprises (without limiting its scope):
 - 1 hour of professional time
 - 90 km of physical distance (MapQuest, Mapblast or equivalent will be used)
 - Usage of personal vehicle
 - Meals and incidentals
 - Gas
 - Operation and maintenance of personal vehicle
 - Insurance
 - Any other cost.

Thus, a Mediator has full responsibility of his time management under this travel situation.

Example: A case where the services are to be rendered at 380 KM from the Mediator's place of business:
 $(380 \text{ km} - 200 \text{ km}) \div 90 \text{ km} = 2 \text{ units}$
 $\$1,200.00 + (2 \text{ units} \times \$125.00) = \$1,450.00$ for the case.

Mileage between each 90 km will be prorated.

Example: A case where the services are to be rendered at 420 km from the Mediator's place of business:
 $(420 \text{ km} - 200 \text{ km}) \div 90 \text{ km} = 2.45 \text{ units}$
 $\$1,200.00 + (2.45 \text{ units} \times \$125.00) = \$1,506.25$

(c) In complex cases, the AAFC Regional Manager may authorize additional time, beyond the per case time allocation, to reach an agreement. The basis of payment for such a situation will be as follows:

- Hourly rates for professional services: when additional hours of work are required on a complex case (a) or (b): \$80.00/hr.

(d) In some instances other modes of travel, accommodation and additional meals may be required and must be approved and included in the call-up by the Regional Manager and accepted by the Mediator.

For special situations where planes, trains, boats and overnight stays are required, the National Joint Council Travel Directive will apply:

<http://www.njc-cnm.gc.ca/directive/index.php?did=10&dlabel=travel-voyage&lang=eng&merge=2&slabel=index>

- Professional time will be paid based upon the hourly rates (c).

These include:

1. Communicating FDMS programs to third parties on behalf of AAFC;
2. Delivering training sessions to third parties on FDMS on behalf of AAFC;
3. Attending trade shows to assist AAFC staff to promote FDMS

Such described services will be limited to the following financial limits:

- \$1,000.00 per call-up, all expenses included.

For the life of the SO, the total of such call-ups shall not exceed 10% of the total SO amount.

(f) Orientation meetings and training

The Mediator will be required to attend all orientation meetings and training sessions deemed MANDATORY by the Regional Manager and will be paid only for the hours of attendance at the hourly hour (a). The travels of more than 200 km (round trip) will be paid at the unit rate (b).

(g) Information Sessions
