Please find following Solicitation Amendment 001, (Addendum No. 1).

All other terms and conditions remain unchanged.

This Solicitation Amendment 001 is raised to provide responses to questions received during the solicitation period.

Q1.) Could you please clarify the discrepancy between the drawing page 2 of 6 and the tender requirement. I understand from the tender requirements that all fuel tanks will be supplied by the Owner. However, the drawing has a detail which states that the Contractor is to provide the 6 - 750 liter tanks. Please clarify.

A1.) Please refer to attached Addendum No. 1.
