### **Description of the requirement:**

Health Canada First Nations and Inuit Health Branch, Alberta Region (FNIHB-AB's) has a requirement for a Contractor to gather data by reviewing provided information, conducting interviews with key personnel and partners, and seeking any other required information. The Contractor will then conduct their independent analysis of FNIHB-AB's current organisational structure, business processes and deliverables. Once the analysis is complete, the Contractor will then identify, develop, propose and brief Regional leadership with multiple options for realistic and practical organisational changes that will help FNIHB-AB align itself to better meet its mandate and aims.

Documents may be submitted in either official language of Canada.

### **Security Requirement:**

COMMON-PS-SRCL#9

### **Proposed period of contract:**

The proposed period of contract shall be from February 2015 to June 2015

File Number: 1000158622B
