This amendment is to answer questions.

Q1. May a separate invoice be issued for the shipping costs?

A1: yes as it states in Annex B: All shipping costs reasonably and properly incurred in the delivery of items to destination(s) that are specified in the individual Call-ups against this Standing Offer, will be reimbursed at cost with no allowance for profit or overhead and upon receipt of proper cost support documentation. All payments are subject to government audit.

Q2. Would Border Services/PWGSC entertain the idea of splitting up to add smaller ranges in the Basis of Payment for each item? It would have more ranges and a more accurate representation of the actual cost to product.

A2: No

Q3 : Annex B: Basis of Payment, Escalation for Paper. Could you please confirm that the information is only required upon being awarded a Standing Offer?

A3 : No as stated in the Annex B; Offerors must complete the Escalation Clause and include it with their Bid.

ESCALATION CLAUSES (SOLICITATION AND Standing offer)

Offerors must complete the Escalation Clause and include it with their Bid. If the Offeror does not complete and provide the Escalation Clause with the Bid, no Escalation Clause will be included in the Standing Offer and no price escalation will be granted based on increased Paper costs during the period of the Standing Offer and all option periods.
