This Amendment 002 is raised to revise Annex A as follows:

Refer to Annex A, STATEMENT OF REQUIREMENT

DELETE IN ITS ENTIRETY

INSERT:

ANNEX "A"
STATEMENT OF Requirement

For the supply and delivery of new Picnic Tables constructed with 100% recycled plastic planks as described in the detailed specifications below for Parks Canada, located at Kejimikujik National Park and National Historic Site, Maitland Bridge, Nova Scotia.

An offer should clearly indicate compliance or non-compliance with each item below by inserting Yes or No under the Comply Column.

To demonstrate compliance, Bidders must include and appropriately cross-reference published technical information that confirms compliance with each mandatory criterion specified herein.

To ensure compliance is clear, the Bidder should utilize a numbering system that corresponds to the numbring system below. An example of an acceptable would be to indicate the specification reference number on a Tab stuck to the appropriate page of the technical documentation and/or by highlighting or underlining the appropriate technical reference.

If published documentation does not exist for a specific requirement, then a written narrative explaining how the product offered meets the specification should be included with the Proposal. Bids not meeting the mandatory requirements will be declared non-responsive.
