### QUESTIONS AND ANSWERS

#### Question # 035

**Reference:** Attachment 3.1 to the Bid Solicitation

**Question:**

Attachment 3.1 to the RFP includes a reference to R3, that begins with “As part of the RFP process, Bidders were encouraged to demonstrate innovative tools and/or approaches that were material improvement on projects they have completed within the past ten (10) years. The innovative material improvements could be in design, development, operations and/or enhancements....”. Within the Bidder Response Form, the requirement for R3 relates to a particular substantiation being sought for the IT Project Manager, within the resume being supplied for that resource. Please clarify what information should be included/attached with the response to properly address the **Reference Question** that correlates to the current “R3” line item at Attachment 3.1.

**Answer:**

Canada has reviewed the requirement and has respectfully withdrawn the question from the Reference questions.

Please refer to Modification #012 in this Bid Solicitation Amendment.

**Question # 036**

**Reference: --**

**Question:**

Please confirm that a resource with almost five years of experience, which is more than the duration requested, that ends in June 2013, will comply with the definition of “recent” on page 93 of the RFP.

**Answer:**

Yes any resource that completes their last day on a project after December 2012 would qualify.

Please refer to Modification # 013 in this Bid Solicitation Amendment.

**ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.**
