SOLICITATION AMENDMENT 001

Question 1

in regards to the following section:

1. The Contractor/Offeror must, at all times during the performance of the Contract, hold a valid Designated Organization Screening (DOS), issued by the Canadian Industrial Security Directorate (CISD), Public Works and Government Services Canada (PWGSC).

Question: Does having a CGRP (Controlled Goods Program Certificate) qualify as DOS?

Answer 1

No, Designated Organization Screening (DOS) is a security requirement. Please refer to the Canadian Industrial Security Directorate at the following link:

<http://iss-ssi.pwgsc-tpsgc.gc.ca/ssi-iss-services/eso-oss-eng.html#DOS>

Question 2

Please note that the task # 5.2.2: Equipment set-up, acceptance testing and operator training can be done outside DRDC Ottawa (at Supplier facility in Ottawa). We do not require a DOS to get security clearances for staff as stated in the RFP. Also, no data/information from DRDC Ottawa is required for the training. The products are standard off the shelf products.

We would like to request Public Works to waive the proposed security requirement (clause 7.3 – to hold a valid Designated Organization Screening (DOS)) as our personnel will not be present at DRDC Ottawa for the training component. We will be able to complete this deliverable (5.2.2 outside DRDC Ottawa).

Answer 2

No, article 7.3 - Security Requirement of the RFP will remain unchanged.
