Amendment 007

This amendment is raised in order to address questions received as of January 15, 2015:

Question 18: Our agency was nearing submission of our completed response to the Request for Proposal (RFP) "Digital Engagement Services" (Solicitation No. HT399-143551/A) and had already completed R.1.1. Understanding of the Requirement based on the original question and evaluation grid. While we will certainly update our response to Point Rated Technical Criteria R.1.1. based on Amendment 005, will we be penalized or declared non-responsive for including our original response and understanding of the audience?

Answer 18: Bidders' responses to R.1.1. must reflect the point rated technical criteria as amended. Bidders may include additional information, however it is important to note that bidders' responses to R.1.1. will only be evaluated in accordance with the R.1.1. Point Rated Technical Criteria as amended.

ALL OTHER TERMS AND CONDITIONS OF THE SOLICITATION REMAIN THE SAME.
