Title: Services for Fall Arrest and Basic Rescue Competent Training Course to a total of thirty six (36) members of DND and Canadian Forces members

This Solicitation Amendment No. 1 is being raised to address the following Supplier Questions, and one correction.

Question 1

Is it possible to provide this training at your location (DND)? We have the ability to come to your site and provide all the training sessions requested.

Answer:

As per the SOW, all training MUST take place at the Vendor's location.

Question 2

In regards to "The vendor shall provide practical training exercises on suitable elevated structures using the following equipment, where applicable." We (the supplier) can provide all the training exercises as requested with the appropriate equipment listed below, however we do not have elevated structures unless DND has access to such structures that we can use.

- 3.1.3.1. casualty harnesses;
- 3.1.3.2. rope grabs, carabineers and other hardware;
- 3.1.3.3. ladder climbing systems;
- 3.1.3.4. tripod lowering/recovery system;
- 3.1.3.5. rope-based retrieval system;
- 3.1.3.6. self-retracting lifelines;
- 3.1.3.7. fall arrest winches;
- 3.1.3.8. casualty lowering;
- 3.1.3.9. casualty raises using mechanical advantage haul systems;
- 3.1.3.10. anchor selection and rigging;
- 3.1.3.11. emergency response procedures; and
- 3.1.3.12. care and maintenance and use of all rescue equipment.

Answer:

If a bidder does not have access to an elevated structure, but they can provide practical exercises using all of the equipment listed in 3.1.3.1 – 3.1.3.12, we will accept this.
