**This Amendment #003 is being raised to address the following questions received from potential bidders:**

**Q1.** Please refer to Annex "A" Statement of Requirement (SOR), specifically paragraph 10.3 which states "The Contractor shall be required to provide all appropriate equipment, devises, tools and machinery, including proper Personal Protective Equipment (PPE) for their personnel employed in the provision of contracted services, (including safety footwear etc.), and will ensure that all provided is maintained in proper working condition; and, is used in the prescribed manner (Canada Labour Code, Part II, Para 125(w) refers) as and when required". Please provide a listing of the PPE that the Contractor will be required to provide.

- A1.** Hardhat ---- ( CSA Z94.1-05 Type 2 Class E)  
 Safety Footwear --- ( CSA approved Grade 1)  
 Eye Protection --- (CSA Z94.3)

**Q2.** Please refer to Part 1 – General Information, paragraph 1.1.1 which states "At the date of bid closing, the following conditions must be met:", sub-paragraph (b) the Bidder's proposed individuals requiring access to classified or protected information, assets or sensitive work site(s) must meet the security requirements as indicated in Part 6 - Resulting Contract Clauses. Also refer to Part 6 – Resulting Contract Clauses, paragraph 6.1.1.2 "The Contractor personnel requiring access to sensitive work site(s) must EACH hold a valid RELIABILITY STATUS, granted or approved by CISC/PWGSC." It has been the Bidder's experience that obtaining a Reliability Status clearance is a protracted experience and therefore we respectfully request that the clearance requirement at paragraph 1.1.1 be changed to "at contract award".

**A2. Under Part 1 - General Information, 1.1 Security Requirements:**

**Delete: In its entirety**

**Insert:**

**Part 1 - General Information**

**1.1 Security Requirements**

**1. Before award of a contract, the following conditions must be met:**

- (a) the Bidder must hold a valid organization security clearance as indicated in Part 6 - Resulting Contract Clauses;
- (b) the Bidder's proposed individuals requiring access to classified or protected information, assets or sensitive work site(s) must meet the security requirements as indicated in Part 6 - Resulting Contract Clauses;

- 
- (c) the Bidder must provide the name of all individuals who will require access to classified or protected information, assets or sensitive work sites;
2. Bidders are reminded to obtain the required security clearance promptly. Any delay in the award of a contract to allow the successful bidder to obtain the required clearance will be at the entire discretion of the Contracting Authority.
3. For additional information on security requirements, bidders should refer to the Industrial Security Program (ISP) of Public Works and Government Services Canada (<http://ssi-iss.tpsgc-pwgsc.gc.ca/index-eng.html>) website.

**Q3.** If the response to the above question is positive please confirm that providing a pending security clearance file number will be acceptable as response to Mandatory Requirement 4.1.1.1, sub-paragraph 4. "Copy of the security clearances as detailed in the SRCL must be supplied with the bid proposal for all personnel which the supplier intends to utilize against this agreement."

**A3. A pending security clearance file number will be acceptable as response to Mandatory Requirement 4.1.1.1, sub-paragraph 4.**

**All other terms and conditions remain the same.**
