You can also obtain more information on the OPO services available to you at their website at [www.opo-boa.gc.ca](http://www.opo-boa.gc.ca).

## **PART 2 - BIDDER INSTRUCTIONS**

### **1. Standard Instructions, Clauses and Conditions**

All instructions, clauses and conditions identified in the bid solicitation by number, date and title are set out in the [Standard Acquisition Clauses and Conditions](https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual) (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) Manual issued by Public Works and Government Services Canada.

Bidders who submit a bid agree to be bound by the instructions, certifications, clauses and conditions of the bid solicitation and accept the clauses and conditions of the resulting contract.

The 2003 (2014-09-25) Standard Instructions - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the bid solicitation.

**Subsection 1.4 and 1.5 of 2003, Standard Instructions - Goods or Services - Competitive Requirements, does not form part of and not apply to the bid solicitation. All other subsections of '01 Code of Conduct and Certifications – Bid', form part of and apply to the bid solicitation.**

**Subsection 5.4 of 2003, Standard Instructions - Goods or Services - Competitive Requirements, is amended as follows:**

Delete: sixty (60) days

Insert: one-hundred and twenty (120) days

### **2. Submission of Bids**

Bids must be submitted only to Correctional Service Canada (CSC) by the date, time and place indicated on page 1 of the bid solicitation.

Due to the nature of the bid solicitation, bids transmitted by facsimile or email to CSC will not be accepted.

### **3. Communications – Solicitation Period**

All enquiries must be submitted in writing to the Contracting Authority no later than five (5) business days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all bidders. Enquiries not submitted in a form that can be distributed to all bidders may not be answered by Canada.

### **4. Applicable Laws**

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the bidders.

## PART 3 - BID PREPARATION INSTRUCTIONS

### 1. Bid Preparation Instructions

CSC requests that bidders provide their bid in separately bound sections as follows:

Section I: Technical Bid: **four (4) hard copies**  
Section II: Financial Bid: **one (1) hard copy**  
Section III: Certifications: **one (1) hard copy**

Prices must appear in the financial bid only. No prices must be indicated in any other section of the bid.

**Bidders are requested to submit their Financial Bid in an envelope separate from their technical proposal.**

CSC requests that bidders follow the format instructions described below in the preparation of their bid:

- i. use 8.5 x 11 inch (216 mm x 279 mm) paper;
- ii. use a numbering system that corresponds to the bid solicitation.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, bidders are encouraged to:

- i. use paper containing fibre certified as originating from a sustainably-managed forest and/or containing minimum 30% recycled content; and
- ii. use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

### 2. Section I: Technical Bid

In their technical bid, bidders should demonstrate their understanding of the requirements contained in the bid solicitation and explain how they will meet these requirements. Bidders should demonstrate their capability in a thorough, concise and clear manner for carrying out the work.

The technical bid should address clearly and in sufficient depth the points that are subject to the evaluation criteria against which the bid will be evaluated. Simply repeating the statement contained in the bid solicitation is not sufficient. In order to facilitate the evaluation of the bid, Canada requests that bidders address and present topics in the order of the evaluation criteria under the same headings. To avoid duplication, bidders may refer to different sections of their bids by identifying the specific paragraph and page number where the subject topic has already been addressed.

### 3. Section II: Financial Bid

Bidders must submit their financial bid in accordance with the pricing schedule detailed in **Annex B – Proposed Basis of Payment**. The Goods and Services Tax (GST) or Harmonized Sales Tax (HST) must be shown separately, if applicable.

See Annex B – Proposed Basis of Payment for the Pricing Schedule format.

#### 3.1 Exchange Rate Fluctuation

SACC Manual clause C3011T (2013-11-06) Exchange Rate Fluctuation

**4. Section III: Certifications**

Bidders must submit the certifications required under **Part 5 - Certifications**.

**PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION**

**1. Evaluation Procedures**

- (a) Bids will be assessed in accordance with the entire requirement of the bid solicitation including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of CSC will evaluate the bids.

**1.1 Technical Evaluation**

**1.1.1 Mandatory Technical Criteria**

Proposals will be evaluated to determine if they meet all mandatory requirements outlined in **Annex D – Evaluation Criteria**. Proposals not meeting all mandatory criteria will be declared non-responsive and will be given no further consideration.

**1.2 Financial Evaluation**

SACC Manual Clause A0220T (2014-06-26), Evaluation of Price - Bid

Proposals containing a financial bid other than the one requested at **Article 3. Section II: Financial Bid of PART 3 – BID PREPARATION INSTRUCTIONS** will be declared non-compliant.

**Note to Bidders:** Table Totals will be calculated using the formula in that follows the corresponding table in **Annex B – Proposed Basis of Payment**.

**2. Basis of Selection**

**2.1 Basis of Selection – Mandatory Technical Criteria**

The maximum number of contracts issued per Location (City) will be as follows:

City	# of Hours	Maximum # of Contracts
<b>Atlantic Region</b>		
Halifax/Central Nova Scotia	900 hours	1
Moncton	800 hours	1
St. John’s	800 hours	1
Saint John	650 hours	1
Fredericton	500 hours	1
Charlottetown	500 hours	1
<b>Quebec Region</b>		
Montreal	2830 hours	3
Quebec	1130 hours	1
Granby	1040 hours	1
<b>Ontario Region</b>		
London	500 hours	1
Peterborough	1000 hours	1
Ottawa	500 hours	1
Toronto	2000 hours	2
Sudbury	1000 hours	1
<b>Prairies Region</b>		
Winnipeg	1000 hours	1

Saskatoon	750 hours	1
Regina	750 hours	1
Edmonton	1500 hours	2

<b>Pacific Region</b>		
Lower Mainland/Fraser Valley	3000 hours	3
Victoria	1170 hours	1

A bid must comply with the requirements of the bid solicitation and meet all mandatory technical evaluation criteria to be declared responsive.

The responsive bid(s) with the lowest evaluated bid price per Location (City) as detailed in Annex B will be recommended for award of a contract.

The allocation of hours per contract, per Location (City), will be determined in proportion with the relative evaluated bid price per Location (City) as detailed in the example below based on a 900 hour allocation.

	<b>Bidder 1</b>	<b>Bidder 2</b>	<b>Bidder 3</b>	<b>Total</b>
<b>Evaluated Bid Price</b>	\$ 55,000	\$ 50,000	\$ 45,000	
<b>Calculations</b>	45/55 * 100 = 81.82	50/55 * 100 = 90.91	55/55 * 100 = 100	272.73
	81.82 / 272.73 = 30%	90.91 / 272.73 = 33.33%	100 / 272.73 = 36.66%	
<b>Hours Per Bidder</b>	900*30% = 270	900*33.33% = 300	900*36.66% = 330	900

### 3. Security Requirement

- (c) the Bidder must provide the name of all individuals who will require access to classified or protected information, assets or sensitive work sites.

3.2 Bidders are reminded to obtain the required security clearance promptly. Any delay in the award of a contract to allow the successful bidder to obtain the required clearance will be at the entire discretion of the Contracting Authority.

3.3 For additional information on security requirements, bidders should consult the "[Security Requirements for PWGSC Bid Solicitations - Instructions for Bidders](http://www.tpsgc-pwgsc.gc.ca/app-acq/lc-pl/lc-pl-eng.html#a31)" (<http://www.tpsgc-pwgsc.gc.ca/app-acq/lc-pl/lc-pl-eng.html#a31>) document on the Departmental Standard Procurement Documents Website.

## PART 5 – CERTIFICATIONS

Bidders must provide the required certifications to be awarded a contract. Canada will declare a bid non-responsive if the required certifications are not completed and submitted as requested.

Compliance with the certifications bidders provide to Canada is subject to verification by Canada during the bid evaluation period (before award of a contract) and after award of a contract. The Contracting Authority will have the right to ask for additional information to verify bidders' compliance with the certifications before award of a contract. The bid will be declared non-responsive if any certification made by the Bidder is untrue, whether made knowingly or unknowingly. Failure to comply with the certifications or to comply with the request of the Contracting Authority for additional information will also render the bid non-responsive.

### 1. Certifications Precedent to Contract Award

The certifications listed below should be completed and submitted with the bid, but may be submitted afterwards. If any of these required certifications is not completed and submitted as requested, the Contracting Authority will so inform the Bidder and provide the Bidder with a time frame within which to meet the requirement. Failure to comply with the request of the Contracting Authority and meet the requirement within that time period will render the bid non-responsive.

## **ANNEX A – Statement of Work Faith Community Reintegration Project**

### **1. Objective:**

Contribute to Correctional Service Canada's (CSC) mandate to support successful offender reintegration following their release from CSC institutions through:

- Bridge building between offenders and their religious and spiritual community groups;
- Liaising with parole, justice organizations and faith communities;
- Developing faith community capacity to engage with offenders;
- Assisting offenders to become contributing members of society

### **2. Background:**

**2.1** CSC is a federal government agency responsible for administering sentences of a term of two years or more, as imposed by the courts. CSC is responsible for managing institutions across Canada of various security levels and supervising offenders under conditional release in the community.

**2.2** CSC contributes to public safety through the custody and reintegration of offenders. This includes both the custodial and community supervision of offenders, including those with Long Term Supervision (LTSOs) for periods of up to 10 years. CSC is currently responsible for approximately 15,000 inmates and 8,000 offenders actively supervised in the community.

**2.3** CSC has a national presence, from large urban centres with increasingly diverse populations, to more remote communities across the North. CSC manages institutions, treatment centres, four Aboriginal healing lodges, community correctional centres and parole offices. In addition, CSC has five regional headquarters that provide management and administrative support and serve as the delivery arm of CSC's programs and services.

**2.4** CSC offers every offender a correctional plan that identifies their risk to reoffend, as well as programming needs to address the individual's risk factors while supporting them to become a law-abiding citizen. Spiritual factors are a consideration at parole hearings as a part of the release planning needs.

### **3. Scope and Requirement**

**3.1** Faith Community Reintegration Projects (FCRPs) are an integrated, post-release component of the continuum of care as they align with CSC's mandate for public safety through the provision of a range of services and activities that facilitate the transition and reintegration of individuals back into the community in their support of offender reintegration plans and program goals.

**3.2** FCRPs bridge offender reintegration goals to the mandates of various faith-based organizations which offer religious and/or spiritual services (and may include practical support) to offenders after incarceration.

**3.3** Communities of faith typically offer many diverse, faith-based, pro-social activities to the public that foster a sense of belonging while contributing to spiritual and religious growth. Offender involvement in these activities offers a direct resource to mitigate identified risk factors.

**3.4** FCRPs facilitate and support the unique contribution of faith communities toward a holistic approach to safe and restorative reintegration practices.

### **4. Tasks**

**4.1** **Contribute to the continuing Correctional Work of CSC Post-release:**

The FCRP must offer an essential link between the re-integrating offender and their community of faith/spiritual practice and community at large. The Contractor must complete the following tasks, as a minimum:

- a) Supporting the reintegration goals/correctional plan of the offender from their applied moral, religious/value-based/spiritual perspective;
- b) Engaging faith communities to support the religious/spiritual development path that the offender participated in while incarcerated or has interest in post-release;
- c) Supporting positive, pro-social relationships in faith communities and other communities as appropriate;
- d) Supporting the offender in their accountability (parole officer, following conditions and any other aspects of their re-integration plan), and;
- e) Incorporating and facilitating restorative practices into the offenders' relationships, building on restorative justice principles including in relationships with persons/institutions having authority.

#### **4.2 Local Needs Assessment:**

The FCRP must liaise with local parole offices, justice organizations, institutional chaplains and other community stakeholders to identify the needs and trends of the reintegrating offender population and facilitate responsive services (including volunteers) that are uniquely faith/spirituality based and complementary with existing services. The Contractor must complete the following tasks, as a minimum:

- a) Educate and liaise with community justice organizations (i.e. John Howard, E. Fry, Salvation Army, etc) about the FCRP services available to support offender religious and spiritual practice during the reintegration process;
- b) Conduct offender religious/spiritual needs assessments on an ongoing basis and develop a religious/spiritual care plan that supports the religious and/or spiritual practice of the offender and connects them with the faith community of their choice. The plan draws upon and complements the teachings to strengthen the "good lives" approach of correctional programming within the community;
- c) Coordinate with faith leaders to offer and support religious/spiritual transition rites and rituals that are unique to the needs of offenders returning to the community, and;
- d) Recruit, train, and oversee faith community volunteers.

#### **4.3 Community Safety Impact:**

The FCRP must support the offender's successful safe reintegration and participation in law-abiding society. The Contractor must complete the following tasks, as a minimum:

- b) Accompany offenders in their reintegration into faith communities and model confidence in offenders within the community;
- c) Coach faith communities and others to safely engage with offenders, and;
- d) Facilitate restorative practices where appropriate (e.g. where the faith community has been affected by the offender's actions) by fostering restoration, belonging and mutual care.

#### **4.4 Facilitation of Pro-Social Involvement and Belonging:**

The FCRP must initiate, accompany and support safe integration into an offender's community of interest/preference as they:

- a) Coach/nurture offender social skills through applied spirituality/religious practices;
- b) Foster healthy relationships with self, faith tradition and community at large;
- c) Introduce offenders to like-minded, natural communities of potential social support;
- d) Facilitate faith communities to donate/offer material resources to offenders for practical living, leisure (lessons, membership sponsorships, etc.);

- e) Facilitate faith community networking for occupational opportunities for offenders;
- f) Coach the offender to manage attitudes of self as a spiritual person of value;
- g) Introduce and accompany offender in pro-social religious, spiritual, or faith-based recreational and social activities, and;
- h) Foster the applied religious and spiritual growth of offenders within their faith community as it relates to their unique experience of re-integration including coping, psychological, emotional and physical self-care as well as other needs that are responsive to the offender.

## **5. Scheduled Meetings:**

It is **imperative** that the proposal **address each of these criteria to demonstrate that the requirements are met.**

LISTING EXPERIENCE WITHOUT PROVIDING ANY SUBSTANTIATING DATA TO SUPPORT WHERE, WHEN AND HOW SUCH EXPERIENCE WAS OBTAINED WILL RESULT IN THE STATED EXPERIENCE NOT BEING CONSIDERED FOR EVALUATION PURPOSES.

2. Experience must be demonstrated through a history of past projects, either completed or on-going.
3. References must be provided for each project/employment experience.
  - I. Where the stated experience was acquired within a Canadian Federal Government Department or Agency **as a Public Servant**, the reference must be a Public Servant who had a supervisory role over the proposed resource during the stated employment.
