Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the questions or may request that offerors do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered with copies to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

#### **4. Applicable Laws**

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Québec.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the offerors.

#### **5. Product Compliance**

No substitute/equivalent (brand or format) will be accepted. If a product has been delisted or if its format has been modified, a notification from the manufacturer will have to be sent with the Offer.

Canada requests that offerors provide their offer in separately bound sections as follows:

**Section I: Financial Offer (one (1) hard copy and one (1) soft copy by email)**

**Section II: Certifications (one (1) hard copy)**

If there is a discrepancy between the wording of the soft copy and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.

**Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer.**

Canada requests that offerors follow the format instructions described below in the preparation of their offer.

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;

(<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>). To assist Canada in reaching its objectives, offerors should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and/or containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

### Section I: Financial Offer

Offerors must submit their financial offer in accordance with Annex B, Working Document - List of products. The total amount of Goods and Services Tax or Harmonized Sales Tax is to be shown separately, if applicable.

It is requested that offerors send one (1) hard copy by mail or facsimile and one (1) soft copy, Excel file, by e-mail at the following address:

**QueAlimentationSoumissionsMtl.QueFoodSupplyTendersMtl@tpsgc-pwgsc.gc.ca**

---

## **Annex B - Working Document (Excel File)**

This document includes the Schedule of Tender Closing Dates as well as Closing Pages and List of products for each period.

The Schedule of Tender Closing Dates specifies the Closing Dates for each period. It is important to use the appropriate Closing page, matching the period for which the offer applies.

The offerors will complete the List of products using the Excel file and make sure that it has been properly filled out and contains all required informations.

That list, once printed, will be sent, by facsimile or mail, with the other required documents, before being transmitted to the above mentioned e-mail address.

## **Clauses and Conditions Document (PDF Format)**

The offerors will make sure to return any pages that require informations and/or signatures, as well as any other requested documents. These pages shall accompany every offer.

## **Payment by Credit Card**

(b) ☐ Government of Canada Acquisition Cards (credit cards) will not be accepted for payment of call-ups against the standing offer.

Acceptance of credit cards for payment of call-ups will not be considered as an evaluation criterion.

## **Section II: Certifications**

---

## PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

### 1. Evaluation Procedures

- (a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the offers.

#### 1.1. Financial Evaluation

Offers will be evaluated on the "unit" price of all items, in accordance with estimated quantities.

##### 1.1.1 Evaluation of Price

- 1. The price of the offer will be evaluated as follows:
  - a. Canadian-based offerors must submit firm prices, Canadian customs duties and excise taxes included, and Applicable Taxes excluded.
  - b. foreign-based offerors must submit firm prices, Canadian customs duties, excise taxes and Applicable Taxes excluded. Canadian customs duties and excise taxes payable by Canada will be added, for evaluation purposes only, to the prices submitted by foreign-based offerors.
- 2. Although Canada reserves the right to issue the Standing Offer either on an FOB plant or FOB destination, Canada requests that offerors provide prices FOB their plant or shipping point and FOB destination. Offers will be assessed on an FOB destination basis.
- 3. For the purpose of the RFSO, offerors with an address in Canada are considered Canadian-based offerors, and offerors with an address outside of Canada are considered foreign-based offerors.

### 2. Basis of Selection

#### 2.1 Basis of Selection - Multiple Items

An offer must comply with the requirements of the Request for Standing Offers and meet all mandatory technical evaluation criteria to be declared responsive. The responsive offer with the lowest evaluated price on "an item by item basis" will be recommended for issuance of a standing offer.

Respect of the client's acceptable brands and formats will be taken into consideration in the evaluation. Please note that PWGSC reserves the right to issue more than one (1) Standing Offer per period, if it better serves Canada's interest.

---

## **PART 5 - CERTIFICATIONS**

Offerors must provide the required certifications and documentation to be issued a standing offer.

The certifications provided by offerors to Canada are subject to verification by Canada at all times. Canada will declare an offer non-responsive, will have the right to set-aside a standing offer, or will declare a contractor in default, if any certification is found to be untrue whether during the offer evaluation period, during the Standing Offer period, or during the contract period.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications. Failure to comply with this request will also render the Offer non-responsive or may result in the setting aside of the Standing Offer or will constitute a default under the Contract.

### **1. Mandatory Certifications Required Precedent to Issuance of a Standing Offer**

#### **1.1 Code of Conduct and Certifications - Related documentation**

**1.1.1** By submitting an offer, the Offeror certifies that the Offeror and its affiliates are in compliance with the provisions as stated in Section 01 Code of Conduct and Certifications - Offer of Standard Instructions 2006. The related documentation therein required will assist Canada in confirming that the certifications are true.

### **2. Additional Certifications Precedent to Issuance of a Standing Offer and Certifications Required with the Offer**

Offerors must submit the certifications as provided below:

#### **2.1 Additional Certifications Precedent to Issuance of Standing Offer**

The certifications listed below should be completed and submitted with the offer but may be submitted afterwards. If any of these required certifications is not completed and submitted as requested, the Standing Offer Authority will so inform the Offeror and provide the Offeror with a time frame within which to meet the requirement. Failure to comply with the request of the Standing Offer Authority and meet the requirements within that time period will render the offer non-responsive.
