Solicitation amendment 002 is being created for the following:

The following questions are being asked by potential bidder(s):

Question 1

Can we get a copy of the existing hazmat report?

Answer 1

The hazmat report is available as Appendix A of the Specification.

Question 2

Will you be requiring air monitoring during and after removal of the asbestos?

Answer 2

Contractors should refer to the specifications provided for direction and requirements pertaining to this subject.

Question 3

Will the responsibility of this air monitoring be on the abatement/demolition contractor or will it be carried out under PWGSC/BIO?

Answer 3

Contractors should refer to the specifications provided for direction and requirements pertaining to this subject.

The following items are to be included in the specification:

Insert:

The following list of items are to remain in the ARGO Building:
