## Request for Standing Offer ECADB-RFSO-14-0349

### Part 1. General Information

#### 1.1 Code of Conduct for Procurement

- 1.1.1 Offerors must comply with the [Code of Conduct for Procurement](#). In addition, Offerors must respond to RFSOs in an honest, fair and comprehensive manner; accurately reflect their capacity to satisfy the requirements stipulated in the RFSO, Standing Offer and any resulting contracts; submit offers as well as enter into contracts only if they will fulfill all obligations of those contracts.
- 1.1.2 By submitting an offer, Offerors acknowledge that, to ensure fairness, openness and transparency in the procurement process, the commission of certain acts or offences will render them ineligible to be issued a Standing Offer and awarded contracts. Elections Canada will declare non-responsive any offer in respect of which the information herein requested is missing or inaccurate, or in respect of which the information contained in the certificates contemplated in this Section 1.1 is found to be untrue, in any respect, by Elections Canada. If it is determined, after issuance of a Standing Offer, that the Offeror made a false declaration or certification, Elections Canada will have the right to set aside the Standing Offer and to terminate for default any resulting contracts. The Offeror and any of the Offeror's Affiliates will also be required to remain free and clear of any acts or convictions specified herein during the period of any Standing Offer arising from this RFSO and any Call-ups made against such Standing Offer. Elections Canada may verify the information provided by the Offeror including the information relating to the acts or convictions specified herein, through independent research, use of any government resources or by contacting third parties.
- 1.1.3 By submitting an offer, the Offeror certifies that no one convicted under any of the provisions under Subparagraphs 1.1.3 (a) and (b) are to receive any benefit under a Standing Offer or any resulting contracts arising from this RFSO. In addition, the Offeror certifies that except for those offences where a criminal pardon or a record suspension has been obtained or capacities restored by the Governor in Council, neither the Offeror nor any of the Offeror's Affiliates has ever been convicted of an offence under any of the following provisions:
- (a) *Criminal Code of Canada*, R.S.C. 1985, c. C-46:
    - i. Section 121 (Frauds on the government and Contractor subscribing to election fund);
    - ii. Section 124 (Selling or Purchasing Office);
    - iii. Section 380 (Fraud committed against Her Majesty);
    - iv. Section 418 (Selling defective stores to Her Majesty);
    - v. Section 462.31 (Laundering proceeds of crime);

- vi. Section 467.11 to 467.13 (Participation in activities of criminal organization);
- (b) *Financial Administration Act*, R.S.C. 1985, c. F-11:
  - i. Paragraph 80(1)(d) (False entry, certificate or return);
  - ii. Subsection 80(2) (Fraud against Her Majesty);
  - iii. Section 154.01 (Fraud against Her Majesty);
- (c) *Competition Act*, R.S.C. 1985, c. C-34:
  - i. Section 45 (Conspiracies, agreements or arrangements between competitors);
  - ii. Section 46 (Foreign directives);
  - iii. Section 47 (Bid Rigging);
  - iv. Section 49 (Agreements or arrangements of federal financial institutions);
  - v. Section 52 (False or misleading representation);
  - vi. Section 53 (Deceptive notice of winning a prize);
- (d) *Income Tax Act*, R.S.C. 1985, c-1:
  - i. Section 239 (False or deceptive statements);
- (e) *Excise Tax Act*, R.S.C. 1985, c. E-15:
  - i. Section 327 (False or deceptive statements);
- (f) *Corruption of Foreign Public Officials Act*, S.C. 1998, c-34:
  - i. Section 3 (Bribing a foreign public official);
- (g) *Controlled Drugs and Substance Act*, S.C. 1996, c-19:
  - i. Section 5 (Trafficking in substance);
  - ii. Section 6 (Importing and exporting);
  - iii. Section 7 (Production of substance).

1.1.4 In circumstances where a criminal pardon or a record suspension has been obtained or capacities restored by the Governor in Council, the Offeror must provide with its offer a certified copy of confirming documentation from an official source. If such documentation has not been received by the time the evaluation of offers is completed, Elections Canada will inform the Offeror of a time frame within which to provide the information. Failure to comply will render the offer non-responsive.

1.1.5 Offerors understand that Elections Canada may issue standing offers or contracts outside of the present solicitation process with an Offeror or an Affiliate who has been convicted of an offence enumerated under Subparagraphs 1.1.3 (c) to (g) or with someone who has been convicted of an offence enumerated under Subparagraphs 1.1.3 (c) to (h) when required to do so by law or legal proceedings or when Elections Canada, in its sole discretion, considers it necessary to the public interest for reasons which include, but are not limited to:

- (a) no one else is capable of performing the contract;
- (b) emergency;
- (c) national security;
- (d) health and safety; or
- (e) economic harm.

Elections Canada reserves the right to impose additional conditions or measures to ensure the

integrity of the procurement process.

- 1.1.6 By submitting an offer, the Offeror certifies that neither the Offeror nor any of the Offeror's Affiliates have directly or indirectly, paid or agreed to pay, and will not, directly or indirectly, pay a contingency fee to any individual for the solicitation, negotiation or obtaining of the Standing Offer and any Call-ups made against the Standing Offer if the payment of the fee would require the individual to file a return under section 5 of the *Lobbying Act*.
- 1.1.7 For the purpose of this Section 1.1, an Affiliate means a business concern, organization or individual that, directly or indirectly, 1) either one controls or has the power to control the other or 2) a third party has the power to control both. Indicia of control include, but are not limited to, interlocking management or ownership, identity of interests among family members, shared facilities and equipment, common use of employees, or a business entity created following the charges or convictions contemplated in Section 1.1, which has the same or similar management, ownership or principal employees as the Offeror that is charged or convicted, as the case may be.
- 1.1.8 The Offeror acknowledges and agrees that the certifications contemplated in Section 1.1 must remain valid during the period of any Standing Offer arising from this RFSO.

## **1.2 Definitions**

Unless the context requires otherwise, the capitalized terms used in Part 1 to 5 of this RFSO shall have the definitions assigned to them in the Standing Offer.

## **1.3 Summary**

The Chief Electoral Officer of Canada ("CEOC"), an agent of Parliament, exercises general direction and supervision over the conduct of elections and referendums at the federal level. The CEOC heads the Office of the Chief Electoral Officer, commonly known as Elections Canada.

### **1.3.1 The Requirement**

As part of its readiness planning activities for a general election or referendum, Elections Canada has a requirement for up to 250 temporary help resources on standby ready to be quickly deployed. Elections Canada anticipates issuing up to five Standing Offers for the provision of ten different temporary help resource categories, as listed in the SOW. Offerors may be required to provide the services of any or all ten temporary help resource categories to Elections Canada on an "as and when required" basis within 24 hours of a Call-up.

The Standing Offers will be for the exclusive use of Elections Canada. The Technical Authority will identify the requirements and the Standing Offer Authority will authorize the Call-up.

The SOW outlines the temporary help resources that will be required by Elections Canada.

### **1.3.2 Period of the Standing Offer**

The period for making Call-ups against the Standing Offer will be from the Effective Date of the Standing Offer until March 31, 2016.

The Offeror will also be granting to Elections Canada the irrevocable option to extend the term of the Standing Offer by up to four additional one year periods under the same terms and conditions.

### **1.3.3 Security Requirement**

There is a security requirement associated with the requirement. For additional information, consult Part 5 – Security, Financial and other Requirements, and Part 6 – Standing Offer.

### **1.3.4 Trade Agreements**

The requirement is subject to the provisions of the Agreement on Internal Trade.

## **1.4 Communications Notification**

As a courtesy, Elections Canada requests that successful Offerors notify the Standing Offer Authority in advance of their intention to make public announcements related to the issue of a Standing Offer or any resulting Call-Ups.

## **1.5 Debriefings**

After the issuance of a Standing Offer, Offerors may request a debriefing on the results of the RFSO process. Offerors should make the request to the Standing Offer Authority within 15 Business Days of receipt of the results of the RFSO process. The debriefing may be in writing, by telephone or in person.

## **Part 2. Offeror Instructions**

### **2.1 Instructions and Conditions**

Offerors who submit an offer agree to be bound by the terms and conditions of this RFSO and accept the clauses and conditions of the Standing Offer and any resulting contracts.

### **2.2 Procurement Business Number**

Canadian suppliers are required to have a Procurement Business Number (PBN) before the Effective Date of the Standing Offer. Suppliers may register for a PBN in the Supplier Registration Information system on the Contracts Canada Web site. For non-Internet registration, suppliers may contact the

InfoLine at 1-800-811-1148 to obtain the telephone number of the nearest Supplier Registration Agent.

### **2.3 Definition of Offeror**

“Offeror” means the person or entity (or, in the case of a joint venture, the persons or entities) submitting an offer to provide goods, services or both under a Call-up resulting from a Standing Offer. It does not include the parent, subsidiaries or other Affiliates of the Offeror nor its subcontractors.

### **2.4 Submission of Offers**

2.4.1 Elections Canada requires that each offer, at RFSO closing date and time or upon request from the Standing Offer Authority, be signed by the Offeror or by an authorized representative of the Offeror. If an offer is submitted by a joint venture, it must be in accordance with Section 2.16.

2.4.2 It is the Offeror's responsibility to:

- (a) obtain clarification of the requirements contained in the RFSO, if necessary, before submitting an offer;
- (b) prepare its offer in accordance with the instructions contained in the RFSO;
- (c) submit by the RFSO closing date and time a complete offer;
- (d) send its offer only to the Proposal Receiving Unit specified on page 1 of this RFSO (“Proposal Receiving Unit”). The Proposal Receiving Unit is open from 8:00 a.m. to 4:00 p.m. EST Monday to Friday;
- (e) ensure that the Offeror's name, the Offeror’s return address, the RFSO number, and the RFSO closing date and time are clearly visible on the envelope or parcel(s) containing the offer; and
- (f) provide a comprehensible and sufficiently detailed offer including all requested pricing details, that will permit a complete evaluation in accordance with the criteria set out in the RFSO.

2.4.3 If Elections Canada has provided Offerors with multiple formats of a document that forms part of the RFSO (for example, a document may be downloaded through the Government Electronic Tendering Service (GETS) but may also be made available on CD-ROM through GETS), the format downloaded through GETS will take precedence. If Elections Canada posts an amendment to the RFSO revising any documents provided to Offerors in multiple formats, Elections Canada will not necessarily update all formats to reflect these revisions. It is the Offeror's responsibility to ensure that revisions made through any RFSO amendment issued

through GETS are taken into account in those alternate formats that were not revised as a result of an amendment.

- 2.4.4 Offers will remain open for acceptance for a period of not less than 90 calendar days from the RFSO closing date. Elections Canada reserves the right to seek an extension of the offer validity period from all responsive Offerors in writing, within a minimum of three calendar days before the end of the offer validity period. If the extension is accepted by all responsive Offerors, Elections Canada will continue with the evaluation of the offers. If the extension is not accepted by all responsive Offerors, Elections Canada will, at its sole discretion, either continue with the evaluation of the offers of those who have accepted the extension or cancel the RFSO.
- 2.4.5 Offer documents and supporting information may be submitted in either English or French.
- 2.4.6 Offers received on or before the stipulated RFSO closing date and time will become the property of Elections Canada and will not be returned. All offers will be treated as confidential, subject to the provisions of the *Access to Information Act*, R.S. 1985, c. A-1 and the *Privacy Act*, R.S. 1985, c. P-21, as amended from time to time.
- 2.4.7 Unless specified otherwise in the RFSO, Elections Canada will evaluate only the documentation provided with an Offeror's offer. Elections Canada will not evaluate information such as references to Web site addresses where additional information can be found or technical manuals or brochures not submitted with the offer.
- 2.4.8 An offer cannot be assigned or transferred in whole or in part.

## **2.5 Transmission by Facsimile and Email**

Offers transmitted by facsimile or electronic mail to Elections Canada will not be accepted.

## **2.6 Late Offers**

Elections Canada will return offers delivered after the stipulated RFSO closing date and time, unless they qualify as a delayed offer as described in Section 2.7.

## **2.7 Delayed Offers**

- 2.7.1 An offer delivered to the Proposal Receiving Unit after the RFSO closing date and time but before the announcement of the successful Offeror or Offerors, as the case may be, or before a Standing Offer is entered into may be considered, provided the Offeror can prove the delay is due solely to a delay in delivery that can be attributed to the Canada Post Corporation (CPC) (or national equivalent of a foreign country). Purolator Inc. is not considered to be part of CPC for the purposes of this Section. The only pieces of evidence relating to a delay in the CPC system that are acceptable to Elections Canada are :

- (a) a CPC cancellation date stamp;
- (b) a CPC Priority Courier bill of lading; or
- (c) a CPC Xpresspost label,

that clearly indicates that the offer was mailed before the RFSO closing date.

- 2.7.2 Misrouting, traffic volume, weather disturbances, labour disputes or any other causes for the late delivery of offers are not acceptable reasons for the offer to be accepted by Elections Canada.
- 2.7.3 Postage meter imprints, whether imprinted by the Offeror, the CPC or the postal authority outside Canada, are not acceptable as proof of timely mailing.

## **2.8 Customs Clearance**

It is the responsibility of the Offeror to allow sufficient time to obtain customs clearance, where required, before the RFSO closing date and time. Delays related to the obtaining of customs clearance cannot be construed as "undue delay in the mail" and will not be accepted as a delayed offer under Section 2.7.

## **2.9 Legal Capacity**

The Offeror must have the legal capacity to contract. If the Offeror is a sole proprietorship, a partnership or a corporate body, the Offeror must provide, if requested by the Standing Offer Authority, a statement and any requested supporting documentation indicating the laws under which it is registered or incorporated together with the registered or corporate name and place of business. This also applies to Offerors submitting an offer as a joint venture.

## **2.10 Rights of Elections Canada**

Elections Canada reserves the right to:

- (a) reject any or all offers received in response to the RFSO;
- (b) enter into negotiations with Offerors on any or all aspects of their offers;
- (c) accept any offer in whole or in part without negotiations;
- (d) cancel the RFSO at any time;
- (e) reissue the RFSO;

- (f) if no responsive offers are received and the requirement is not substantially modified, reissue the RFSO by inviting only the Offerors that had submitted an offer to resubmit offers within a period designated by Elections Canada; and
- (g) negotiate with the sole responsive Offeror to ensure best value to Elections Canada.

## **2.11 Rejection of Offer**

2.11.1 Elections Canada may reject an offer where any of the following circumstances is present:

- (a) the Offeror is bankrupt or where, for whatever reason, its activities are rendered inoperable for an extended period;
- (b) evidence, satisfactory to Elections Canada, of fraud, bribery, fraudulent misrepresentation or failure to comply with any law protecting individuals against any manner of discrimination, has been received with respect to the Offeror, any of its employees or any subcontractor included as part of the offer;
- (c) evidence, satisfactory to Elections Canada, that based on past conduct or behavior, the Offeror, a subcontractor or a person who is to perform the Work is unsuitable or has conducted himself/herself improperly;
- (d) Elections Canada has exercised its contractual remedies of suspension or termination for default with respect to a contract with the Offeror, any of its employees or any subcontractor included as part of the offer; and
- (e) Elections Canada determines that the Offeror's performance on other contracts, including the efficiency and workmanship as well as the extent to which the Offeror performed the work in accordance with those contracts, is sufficiently poor to jeopardize the successful completion of the requirement of this RFSO.

2.11.2 Where Elections Canada intends to reject an offer pursuant to a provision of Subsection 2.11.1, the Standing Offer Authority will so inform the Offeror and provide the Offeror ten calendar days within which to make representations, before making a final decision on the rejection of the offer.

2.11.3 Elections Canada reserves the right to apply additional scrutiny, in particular when multiple offers are received in response to the RFSO from a single Offeror or a joint venture. Elections Canada reserves the right to:

- (a) reject any or all of the offers submitted by a single Offeror or joint venture if their inclusion in the evaluation has the effect of prejudicing the integrity and fairness of the process; and

- (b) reject any or all of the offers submitted by a single Offeror or joint venture if their inclusion in the procurement process would distort the solicitation evaluation; cause a result that would not reasonably have been expected under prevailing market conditions; and/or not provide good value to Elections Canada.

## **2.12 Communication – Solicitation Period**

- 2.12.1 To ensure the integrity of the competitive RFSO process, enquiries and other communications regarding the RFSO must be directed to only the Standing Offer Authority. Failure to comply with this requirement may result in the offer being declared non-responsive.
- 2.12.2 To ensure consistency and quality of information provided to Offerors, enquiries of significance received and the replies to such enquiries will be provided simultaneously to Offerors to which the RFSO has been sent, without revealing the sources of the enquiries.

## **2.13 Price Justification**

- 2.13.1 In the event that the Offeror's offer is the sole responsive offer received, the Offeror must provide, on Elections Canada's request, a fair price certification in the form prescribed by Elections Canada, whereby the Offeror certifies that the price offered to Elections Canada for the goods or services:
  - (a) is not in excess of the lowest price charged to anyone else, including the Offeror's most favoured customer, for the like quality and quantity of goods, services or both;
  - (b) does not include an element of profit on the sale in excess of that normally obtained by the Offeror on the sale of goods, services or both of like quality and quantity; and
  - (c) does not include any provisions for discounts to selling agents.
- 2.13.2 Offerors must submit the fair price certification within the delay prescribed in the request issued pursuant to Subsection 2.13.1. Failure to comply with the request may result in the offer being declared non-responsive.

## **2.14 Offer Costs**

No payment will be made for costs incurred in the preparation and submission of an offer in response to the RFSO. Costs associated with preparing and submitting an offer, as well as any costs incurred by the Offeror associated with the evaluation of the offer, are the sole responsibility of the Offeror.

## **2.15 Conduct of Evaluation**

- 2.15.1 In conducting its evaluation of the offers, Elections Canada may, but will have no obligation to, do the following:

- (a) seek clarification or verification from Offerors regarding any or all information provided by them with respect to the RFSO;
- (b) contact any or all references supplied by Offerors to verify and validate any information submitted by them;
- (c) request, before issuance of any Standing Offer, specific information with respect to Offerors' legal status;
- (d) conduct a survey of Offerors' facilities and/or examine their technical, managerial and financial capabilities to determine if they are adequate to meet the requirements of the RFSO;
- (e) correct any error in the extended pricing of offers by using unit pricing and any error in quantities in offers to reflect the quantities stated in the RFSO. In the case of error in the extension of prices, the unit price will govern;
- (f) verify any information provided by Offerors through independent research, use of any government resources or by contacting third parties; and
- (g) test and interview, at the sole costs of Offerors, the Offeror and/or any or all of the resources proposed by Offerors to fulfill the requirement of the RFSO.

## **2.16 Joint Venture**

2.16.1 A joint venture is an association of two or more parties who combine their money, property, knowledge, expertise or other resources in a single joint business enterprise, sometimes referred as a consortium, to submit together an offer on a requirement. Offerors who submit an offer as a joint venture must indicate clearly that it is a joint venture and provide the following information:

- (a) the name of each member of the joint venture;
- (b) the PBN of each member of the joint venture;
- (c) the name of the representative of the joint venture, i.e. the member chosen by the other members to act on their behalf, if applicable; and
- (d) the name of the joint venture, if applicable.

2.16.2 If the information is not clearly provided in the offer, the Offeror must provide the information on request from the Standing Offer Authority.

2.16.3 The offer and any Standing Offer must be signed by all the members of the joint venture unless one member has been appointed to act on behalf of all members of the joint venture. The Standing Offer Authority may, at any time, require each member of the joint venture to confirm that the representative has been appointed with full authority to act as its representative for the purposes of the RFSO and any Standing Offer. If a Standing Offer is issued to a joint venture, all members of the joint venture will be jointly and severally liable for the performance of any contract resulting from a Call-up.

## **2.17 Conflict of Interest – Unfair Advantage**

2.17.1 In order to protect the integrity of the procurement process, Offerors are advised that Elections Canada may reject an offer in the following circumstances:

- (a) if the Offeror, any of its subcontractors, any of their respective employees or former employees was involved in any manner in the preparation of the RFSO or in any situation of conflict of interest or appearance of conflict of interest; and
- (b) if the Offeror, any of its subcontractors, any of their respective employees or former employees had access to information related to the RFSO that was not available to other Offerors and that would, in Elections Canada's opinion, give the Offeror an unfair advantage.

2.17.2 The experience acquired by an Offeror who is providing or has provided the goods and services described in the RFSO (or similar goods or services) will not, in itself, be considered by Elections Canada as conferring an unfair advantage or creating a conflict of interest. This Offeror remains however subject to the criteria established in Subsection 2.17.1.

2.17.3 Where Elections Canada intends to reject an offer under this Section, the Standing Offer Authority will inform the Offeror and provide the Offeror an opportunity to make representations before Elections Canada makes a final decision. Offerors who are in doubt about a particular situation should contact the Standing Offer Authority before the RFSO closing date. By submitting an offer, the Offeror represents that it does not consider itself to be in conflict of interest nor to have an unfair advantage. The Offeror acknowledges that it is within Elections Canada's sole discretion to determine whether a conflict of interest, unfair advantage or an appearance of conflict of interest or unfair advantage exists.

## **2.18 Entire Requirement**

The RFSO contains all the requirements relating to the request for offers. Any other information or documentation provided to or obtained by an Offeror from any source are not relevant to this RFSO. Offerors should not assume that practices used under previous Standing Offers or contracts will continue, unless they are described in the RFSO. Offerors should also not assume that their existing capabilities meet the requirements of the RFSO simply because they have met previous requirements.

## **2.19 Enquiries**

- 2.19.1 All enquiries must be submitted in writing to the Standing Offer Authority no later than 5 calendar days before the RFSO closing date. Enquiries received after that time may not be answered.
- 2.19.2 Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Elections Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Elections Canada determines that the enquiry is not of a proprietary nature. Elections Canada may edit the questions or may request that the Offerors do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered with copies to all Offerors. Enquiries not submitted in a form that can be distributed to all Offerors may not be answered by Elections Canada.

## **2.20 Applicable Laws**

- 2.20.1 Any Standing Offer and resulting contracts must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario, subject always to any paramount or applicable federal laws.
- 2.20.2 Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting Ontario in Subsection 2.20.1 and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the laws of Ontario are acceptable to the Offerors in accordance with such subsection.

## **2.21 Basis for Elections Canada's Ownership of Intellectual Property**

Elections Canada has determined that any intellectual property rights arising from the performance of the Work under the Standing Offer will belong to Elections Canada on the following grounds:

- (a) the main purpose of the Standing Offer, or of the deliverables contracted for, is to generate knowledge and information for public dissemination; and
- (b) where the material developed or produced consists of material subject to copyright, with the exception of computer software and all documentation pertaining to that software.

## **2.22 Refresh**

- 2.22.1 In the event that an Offeror's Standing Offer is set-aside or cancelled for whatever reason, Elections Canada may replace the set aside or cancelled Standing Offer by posting a notice on the Government Electronic Tendering Service (GETS) for a refresh RFSO. The refresh RFSO will contain the same terms and conditions as the original RFSO and allow new Offerors to submit offers to qualify for issuance of a Standing Offer to provide the services described in the Standing Offer.
- 2.22.2 Offers will not be accepted during the refresh RFSO for updates to pricing and services of existing Offerors.
- 2.22.3 The offer submission period for the refresh RFSO will be 15 days. An offer must be submitted by the RFSO closing date, which will be identified on the first page of the RFSO, and meet all of the requirements of the RFSO to be considered for issuance of a Standing Offer.

### **Part 3. Offer Preparation Instructions**

#### **3.1. Offer Preparation Instructions**

- 3.1.1 Elections Canada requests that Offerors provide their offer in separately bound sections as follows:
- Section I: Technical Offer (four hard copies)
  - Section II: Financial Offer (one hard copy)
  - Section III: Certifications (one hard copy)
- 3.1.2 Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer.
- 3.1.3 Elections Canada requests that Offerors follow the format instructions described below in the preparation of their offer:
- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper; and
  - (b) use a numbering system that corresponds to the RFSO.
- 3.1.4 In the event that the Offeror fails to provide the numbers of copies required pursuant to Subsection 3.1.1, the Standing Offer Authority will contact the Offeror and provide the Offeror with a time frame within which to meet the requirement. Failure to comply with the request of the Standing Offer Authority and meet the requirement within that time period will render the Offer non-responsive.
- 3.1.5 To assist in reaching the objective set out in the [Policy on Green Procurement](#), Offerors are

encouraged to:

- (a) use paper containing fibre certified as originating from a sustainably-managed forest and/or containing a minimum 30 percent recycled content; and
- (b) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

### **3.2. Section I – Technical Offer**

- 3.2.1 In their technical offer, Offerors should demonstrate their understanding of the requirements contained in the RFSO and, in a thorough, concise and clear manner, explain how they will meet the requirements of the SOW and carry out the Work.
- 3.2.2 The technical offer should address clearly and in sufficient depth the points that are subject to the evaluation criteria against which the offer will be evaluated, which are set out in Part 7 – Technical Evaluation Criteria. Simply repeating the statement contained in the RFSO is not sufficient. In order to facilitate the evaluation of the offer, Elections Canada requests that Offerors structure their offer in the order of the evaluation criteria by using the same headings. To avoid duplication, Offerors may refer to different sections of their offer by identifying the specific paragraph and page number where the subject topic has already been addressed.
- 3.2.3 Offerors should complete and submit a copy of Annex A to Part 7 – Technical Response Template as part of their technical offer. Offerors should not modify the template but simply input their data into the required fields in the format that is specified.

Offerors must submit their financial offer in accordance with Part 8 – Financial Evaluation Criteria.

### **3.4. Section III – Certificates**

- 3.4.1 The Certificates in Part 9 must be completed by the Offeror in accordance with this Section 3.4. Offerors must provide the required certifications to be issued a Standing Offer. Elections Canada will declare an offer non-responsive if the required certifications are not completed and submitted as requested.
- 3.4.2 Offerors' compliance with the certifications provided to Elections Canada is subject to verification by Elections Canada during the offer evaluation period and after the issuance of a Standing Offer. The Standing Offer Authority will have the right to ask for additional information to verify Offerors' compliance with the certifications before the issuance of a

Standing Offer. The offer will be declared non-responsive if any certification made by the Offeror is untrue, whether knowingly or unknowingly. Failure to comply with the certifications or to comply with the request of the Standing Offer Authority for additional information will also render the offer non-responsive.

- 3.4.3 The Certificates in Part 9 should be completed and submitted with the offer but may be submitted afterwards. If any part of these Certificates is not completed and submitted as requested, the Standing Offer Authority will so inform the Offeror and provide the Offeror with a time frame within which to meet the requirement. Failure to comply with the request of the Standing Offer Authority and meet the requirement within that time period will render the offer non-responsive.

### **4.3. Financial Evaluation**

- 4.3.1 The mandatory financial evaluation criteria are set out in Part 8 – Financial Evaluation Criteria.

### **4.4. Basis of Selection**

- 4.4.1 An offer must comply with all the requirements of the RFSO. If it is determined that an offer does not comply with any of the requirements of the RFSO, such offer will be deemed non-responsive and will not be given further consideration.
- 4.4.2 The evaluation and selection process will be conducted in the following phases:

Phase 1 – Mandatory Technical Evaluation

Phase 2 – Financial Evaluation

Phase 3 – Determination of Highest Ranked Offeror

#### 4.4.3 Phase 1 – Mandatory Technical Evaluation

- (a) In Phase 1, all offers will be evaluated for their compliance with all of the requirements of the RFSO and the mandatory technical evaluation criteria set out in Part 7 – Technical Evaluation Criteria. Any offer that fails to meet any of such requirements or the mandatory technical evaluation criteria will be deemed non-responsive and will not be given further consideration.
- (b) With respect to each client reference provided by Offerors for mandatory technical evaluation criterion, Elections Canada may decide to contact all client references for such mandatory technical evaluation criterion. If it so decides, the client references of all Offerors for such mandatory technical evaluation criterion will be contacted.
- (c) Elections Canada will make only three attempts over a maximum of five Business Days from the first attempt to contact a reference provided in the Offeror's offer (the "Original Contact Information"). If Elections Canada is not successful in reaching a reference after three attempts using the Original Contact Information, the Standing Offer Authority may contact the Offeror for alternate contact information for that same reference. Elections Canada will make only three attempts over a maximum of five Business Days from the first attempt to contact a reference using alternate contact information. The Offeror will not be permitted to submit an alternate reference after the RFSO closing date.
- (d) If Elections Canada is unsuccessful in obtaining a response from a reference (either through the Original Contact Information or the alternate contact information), after making such attempts, the offer will be deemed non-responsive and will not be given further consideration.
- (e) For greater certainty, the Offeror will only be given the opportunity to provide alternate contact information one time for each reference.
- (f) If at any time during the reference check, Elections Canada determines that the Offeror has not met a mandatory technical evaluation criterion, the Offeror's offer will be deemed non-responsive and will not be given further consideration.

#### 4.4.4 Phase 2 – Financial Evaluation

In Phase 2, the offers that are deemed responsive in Phase 1 will be evaluated against the mandatory financial evaluation criteria set out in Part 8 – Financial Evaluation Criteria.

The price of the offer will be evaluated in Canadian dollars. Applicable sales tax must be excluded. Canadian customs duties and excise taxes are, where applicable, to be included.

#### 4.4.5 Phase 3 – Determination of Highest Ranked Offeror

For the purpose of Phase 3, the “Total Offer Price” is the amount submitted by each Offeror under Column G in their completed Annex A – Financial Offer Tables of Part 8 – Financial Evaluation Criteria.

In Phase 3, the three Offerors with the lowest “Total Offer Price” who are deemed responsive in Phases 1 and 2 will be considered for the issuance of a Standing Offer.

The Offeror with the lowest “Total Offer Price” will be considered the highest ranked Offeror.

If there is a tie between any of the Offerors because of identical “Total Offer Price”, then the Offeror with the most consecutive months of experience providing temporary help services that are similar in nature to those outlined in the SOW will be considered the higher ranked Offeror.

### **Section 3.01 Term**

- 3.01.01 The Work must be completed within the term set out in the Call-up (the “Contract Term”).

## **Article 4 Authorities**

### **Section 4.01 Contracting Authority**

- 4.01.01 The Contracting Authority will be the Standing Offer Authority.
- 4.01.02 The Contracting Authority is responsible for the management of the Contract, and any changes to the Contract must be authorized in writing by the Contracting

Authority. The Contractor must not perform work in excess of or outside the scope of the Contract based on verbal or written requests or instructions from anybody other than the Contracting Authority.

- 4.01.03 Elections Canada may change the name of the representative designated as Contracting Authority by sending a written notice to the Contractor.

#### **Section 4.02 Technical Authority**

- 4.02.01 The Technical Authority will be the Standing Offer Authority unless otherwise indicated in the Call-up.
- 4.02.02 The Technical Authority is the representative of Elections Canada and is responsible for all matters concerning the technical content of the Work under the Contract. Technical matters may be discussed with the Technical Authority; however, the Technical Authority has no authority to authorize changes to the scope of the Work. Changes to the scope of the Work can only be made through a contract amendment issued by the Contracting Authority.
- 4.02.03 Elections Canada may change the name of the representative designated as Technical Authority by sending a written notice to the Contractor.

### **Article 5 Basis of Payment**

#### **Section 5.01 Contract Price**

- 5.01.01 The Contractor will be paid an hourly rate for the Work in accordance with the Pricing Table.
- 5.01.02 The Contractor must not perform Work beyond 7.5 hours in one day unless authorized in advance by the Technical Authority.

#### **Section 5.02 Overtime**

- 5.02.01 No overtime work shall be performed under the Contract unless authorized in advance and in writing by Elections Canada's authorized representative.
- 5.02.02 The rate for overtime in Quebec will be calculated as follows based on a week commencing on Monday:

(Firm All-Inclusive Hourly Rate Per Resource) 1.5 X hours approved over 40 hours per week

7.5

5.02.03 The rate for overtime in Ontario will be calculated as follows based on a week commencing on Monday:

$$\frac{\text{(Firm All-Inclusive Hourly Rate Per Resource)} \times 1.5 \text{ X hours approved over 44 hours per week}}{7.5}$$

### Section 5.03 Consumer Price Index

5.03.01 For the first option year, if exercised by Elections Canada, the “Firm Hourly Base Rate” identified in Column C of the Pricing Table, will be adjusted based on the percentage increase (or decrease) of the Consumer Price Index (CPI) for Canada, All-Items (not seasonally adjusted), published by Statistics Canada, in accordance with the following formula:

$$\text{Annual Inflation Adjustment Factor} = \left( \frac{A}{B} - 1 \right) \times 100$$

Where:

- A** = Average of the monthly CPI for Canada, for the 12 months ending on March 31<sup>st</sup> of the calendar year immediately preceding the adjustment year
- B** = Average of the monthly CPI for Canada for the 12 months ending on March 31<sup>st</sup> of two calendar years preceding the adjustment year.

**Example:** If Work described in the SOW is delivered pursuant to a Call-up during the period between April 1, 2016 and March 31, 2017, the “Firm Hourly Base Rate” identified in Column C of the Pricing Table would be increased by 2.40% based on the following assumptions:

- A** = Average of the monthly CPI for Canada, for the 12 months ending March 31, 2018 = 145.3
- B** = Average of the monthly CPI for Canada for the 12 months ending March 31, 2017 = 141.9.

$$\text{Inflation Adjustment Factor} = \left( \frac{A}{B} - 1 \right) \times 100$$

$$\text{Inflation Adjustment Factor} = \left( \frac{145.3}{141.9} - 1 \right) \times 100$$

$$\text{Inflation Adjustment Factor} = 2.40\%$$

- 5.03.02 For the second, third and fourth option years, if exercised by Elections Canada, the “Firm Hourly Base Rate” calculated for the previous option year in accordance with Section 5.03.01, will be adjusted based on the percentage increase (or decrease) of the Consumer Price Index (CPI) for Canada, All-Items (not seasonally adjusted), published by Statistics Canada, in accordance with the formula set out in Section 5.03.01.

#### **Section 5.04 Limitation of Expenditure**

- 5.04.01 Elections Canada’s total liability to the Contractor under the Contract must not exceed the amount identified on the Call-up. Customs duties are included, and any applicable sales tax is extra.
- 5.04.02 No increase in the total liability of Elections Canada or in the price of the Work resulting from any design changes, modifications or interpretations of the Work, will be authorized or paid to the Contractor unless these design changes, modifications or interpretations have been approved in writing, by the Contracting Authority before their incorporation into the Work. The Contractor must not perform any work or provide any services that would result in Elections Canada’s total liability being exceeded before obtaining the written approval of the Contracting Authority.
- 5.04.03 The Contractor must notify the Contracting Authority in writing as to the adequacy of the sum:
- (a) when it is 75 percent committed, or
  - (b) four months before the Contract expiry date, or
  - (c) as soon as the Contractor considers that the Contract funds provided are inadequate for the completion of the Work,
- whichever comes first.
- 5.04.04 If the notification is for inadequate Contract funds, the Contractor must provide to the Contracting Authority a written estimate for the additional funds required. Provision of such information by the Contractor does not increase Elections Canada’s liability.

#### **Section 5.05 Applicable Sales Tax**

- 5.05.01 The estimated amount of sales tax, if applicable, is included in the total estimated cost specified on page 1 of the Contract. The applicable sales tax is not included in the Contract Price but will be paid by Elections Canada as provided in Article 7 – Payments and Invoices. - 5.06.02 Where the Contractor, its employees, subcontractors or agents are providing services on Elections Canada premises pursuant to Subsection 8.01.01 and as a result of a strike or lock-out, the Contractor or its employees, subcontractors or agents are unable to obtain access to government premises and no Work is performed, Elections Canada is not responsible for paying the Contractor for Work that otherwise would have been performed if that Contractor or its employees, subcontractors or agents had been able to access the government premises.

### **Section 5.07 Statutory Holidays**

The Contractor will be paid a firm hourly rate for work performed by a resource during statutory holidays in accordance with the following calculation:

### **Section 1.02 Powers of Elections Canada**

All rights, remedies, powers and discretions granted or acquired by Elections Canada under the Contract or by law are cumulative, not exclusive.

### **Section 1.03 Status of the Contractor**

The Contractor is an independent contractor engaged by Elections Canada to perform the Work. Nothing in the Contract is intended to create a partnership, a joint venture or an agency between Elections Canada and the other Party or Parties. The Contractor must not represent itself as an agent or representative of Elections Canada to anyone. Neither the Contractor nor any of its personnel is engaged as an employee or agent of Elections Canada. The Contractor is responsible for all deductions and remittances required by law in relation to its employees.

### **Section 1.04 Severability**

If any provision of the Contract is declared by a court of competent jurisdiction to be unenforceable, that provision is to be either adjusted the minimum necessary to make it enforceable (if permitted by law) or stricken (if not). If adjusting or striking the unenforceable provision would result in failure of an essential purpose of this agreement, the entire agreement is to be held unenforceable. After an unenforceable provision is adjusted or stricken in accordance with this Section 1.04, the rest of the Contract is to remain in effect as written and the unenforceable provision is to remain as written in any circumstances other than those in which the provision is held to be unenforceable.

### **Section 1.05 Entire Agreement**

The Contract constitutes the entire and only agreement between the Parties and supersedes all previous negotiations, communications and other agreements, whether written or oral, unless they are incorporated by reference in the Contract. - 2.01.01 The Contractor represents and warrants that:
- (a) it is competent to perform the Work;

- 2.01.04 The Contractor must provide all reports that are required by the Contract and any other information that Elections Canada may reasonably require from time to time.
- 2.01.05 The Contractor is fully responsible for performing the Work. Elections Canada will not be responsible for any negative consequences or extra costs if the Contractor follows any advice given by Elections Canada unless the Contracting Authority provides the advice to the Contractor in writing and includes a statement specifically relieving the Contractor of any responsibility for negative consequences or extra costs that might result from following the advice.

## **Article 3 Work**

### **Section 3.01 Specification**

- 3.01.01 All Specifications provided by Elections Canada or on behalf of Elections Canada to the Contractor in connection with the Contract belong to Elections Canada and must be used

by the Contractor only for the purpose of performing the Work.

- 3.01.02 If the Contract provides that Specifications furnished by the Contractor must be approved by Elections Canada, that approval will not relieve the Contractor of its responsibility to meet all requirements of the Contract.

### **Section 3.02 Condition of Material**

Unless provided otherwise in the Contract, material supplied must be new and conform to the latest issue of the applicable drawing, specifications and part number that is in effect on the bid closing date or, if there was no bid solicitation, the date of the Contract.

### **Section 3.03 Replacement of Specific Individuals**

- 3.03.01 If specific individuals are identified in the Contract to perform the Work, the Contractor must provide the services of those individuals unless the Contractor is unable to do so for reasons beyond its control.
- 3.03.02 If the Contractor is unable to provide the services of any specific individual identified in the Contract, it must provide a replacement with similar qualifications and experience. The replacement must meet the criteria used in the selection of the Contractor and be acceptable to Elections Canada. The Contractor must, as soon as possible, give notice to the Contracting Authority of the reason for replacing the individual and provide:
- (a) the name, qualifications and experience of the proposed replacement; and
  - (b) proof that the proposed replacement has the required security clearance granted by Elections Canada or Canada, if applicable.
- 3.03.03 Upon receiving the notice of replacement of a specific individual, if the Contracting Authority determines that the replacement is acceptable to Elections Canada, the Contracting Authority shall send a written notice to the Contractor confirming its acceptance of the replacement.
- 3.03.04 The Contractor must not, in any event, allow performance of the Work by unauthorized replacement persons. The Contracting Authority may order that a replacement stop performing the Work. In such a case, the Contractor must immediately comply with the order and secure a further replacement in accordance with Subsection 3.03.02. The fact that the Contracting Authority does not order that a replacement stop performing the Work does not relieve the Contractor from its responsibility to meet the requirements of the Contract.

### **Section 3.04 Inspection and Acceptance of the Work**

- 3.04.01 All the Work is subject to inspection and acceptance by Elections Canada. Inspection and acceptance of the Work by Elections Canada do not relieve the Contractor of its

responsibility for defects or other failures to meet the requirements of the Contract. Elections Canada will have the right to reject any Work that is not in accordance with the requirements of the Contract and require its correction or replacement at the Contractor's expense.

- 3.04.02 The Contractor must provide representatives of Elections Canada access to all locations where any part of the Work is being performed at any time during working hours. Representatives of Elections Canada may make examinations and such tests of the Work as they may think fit. The Contractor must provide all assistance and facilities, test pieces, samples and documentation that the representatives of Elections Canada may reasonably require for the carrying out of the inspection. The Contractor must forward such test pieces and samples to such person or location as Elections Canada specifies.
- 3.04.03 The Contractor must inspect and approve any part of the Work before submitting it for acceptance or delivering it to Elections Canada. The Contractor must keep accurate and complete inspection records that must be made available to Elections Canada on request. Representatives of Elections Canada may make copies and take extracts of the records during the performance of the Contract and for up to three years after the end of the Contract.

### **Section 3.05 Time of the Essence**

It is essential that the Work be delivered within or at the time stated in the Contract.

## **Article 4 Subcontracts**

### **Section 4.01 Consent**

- 4.01.01 Except as provided in Subsection 4.01.02, the Contractor must obtain the written consent of the Contracting Authority before subcontracting or permitting the subcontracting of any part of the Work. A subcontract includes a contract entered into by any subcontractor at any tier to perform any part of the Work.
- 4.01.02 The Contractor is not required to obtain consent for subcontracts specifically authorized in the Contract. The Contractor may also without the consent of the Contracting Authority:
- (a) purchase "off-the-shelf" items and any standard articles and materials that are ordinarily produced by manufacturers in the normal course of business;
  - (b) subcontract any portion of the Work as is customary in the carrying out of similar contracts; and
  - (c) permit its subcontractors at any tier to make purchases or subcontract as permitted in Paragraphs (a) and (b).

### **Section 4.02 Subcontractor to be bound by Contract**

- 4.02.01 In any subcontract other than a subcontract referred to in Paragraph 4.01.02 (a), the Contractor must, unless the Contracting Authority agrees in writing, ensure that the subcontractor is bound by conditions compatible with and, in the opinion of the Contracting Authority, not less favourable to Elections Canada than the conditions of the Contract.
- 4.02.02 Even if Elections Canada consents to a subcontract, the Contractor is responsible for performing the Contract and Elections Canada is not responsible to any subcontractor. The Contractor is responsible for any matters or things done or provided by any subcontractor under the Contract and for paying any subcontractors for any part of the Work they perform.

## **Article 5 Harassment in the Workplace**

### **Section 5.01 No Tolerance**

The Contractor must not, either as an individual, or as a corporate or unincorporated entity, through its employees or subcontractors, harass, abuse, threaten, discriminate against or intimidate any employee, contractor or other individual employed by, or under contract with Elections Canada. The Contractor will be advised in writing of any complaint and will have the right to respond in writing. Upon receipt of the Contractor's response, the Contracting Authority will, at its entire discretion, determine if the complaint is founded and decide on any action to be taken, which action may be termination of the Contract by reason of default by the Contractor.

## **Article 6 Payment**

### **Section 6.01 Invoice Submission**

- 6.01.01 Invoices must be submitted in the Contractor's name. The Contractor must submit invoices for each delivery or shipment; invoices must only apply to the Contract. Each invoice must indicate whether it covers partial or final delivery.
- 6.01.02 Invoices must show:
- (a) the date, the name and address of Elections Canada, item or reference numbers, deliverable and/or description of the Work, contract number, Procurement Business Number (PBN), the Contractor's business number for tax remission purposes, and financial code(s);
  - (b) details of expenditures in accordance with the basis of payment provision in the Articles of Agreement, exclusive of applicable sales tax (such as item, quantity, unit of issue, unit price, fixed time labour rates and level of effort, subcontracts, as applicable);
  - (c) deduction for holdback, if applicable;

(d) the extension of the totals, if applicable; and

(e) if applicable, the method of shipment together with date, case numbers and part or reference numbers, shipment charges and any other additional charges.

6.01.03 Applicable sales tax must be specified on all invoices as a separate item together with the corresponding registration number issued by the appropriate tax authority. All items that are zero-rated, exempt or to which no sales tax applies, must be identified as such on all invoices.

6.01.04 By submitting an invoice, the Contractor certifies that the invoice is consistent with the Work delivered and is in accordance with the Contract.

### **Section 6.02 Payment Period**

6.02.01 Provided that Elections Canada has received a duly signed original copy of the Contract, Elections Canada's standard payment period is 30 calendar days. The payment period will commence the date the invoice, in acceptable form and content, is received in accordance with the Contract or the date the Work is delivered in acceptable condition as required in the Contract, whichever is later. A payment is considered overdue on the 31st day following that date and interest will be paid automatically in accordance with Section 6.04.

6.02.02 If the content of the invoice and its substantiating documentation are not in accordance with the Contract or the Work is not in acceptable condition, Elections Canada will notify the Contractor within 15 calendar days of receipt. The 30-day payment period begins upon receipt of the revised invoice or replacement invoice or the Work being corrected. Failure by Elections Canada to notify the Contractor within 15 calendar days will only result in the date specified in Subsection 6.02.01 to apply for the sole purpose of calculating interest on overdue accounts.

### **Section 6.03 Withholding of Payment**

Where a delay referred to in Article 16 – Excusable Delay has occurred, Elections Canada may, at Elections Canada's discretion, withhold all or a portion of any payment due to the Contractor until a "work-around" plan approved by Elections Canada has been implemented in accordance with Article 16. Section 6.04 shall not apply to any amount withheld under this Subsection.

### **Section 6.04 Interest on Overdue Accounts**

6.04.01 For the purpose of this Section:

"Average Rate" means the simple arithmetic mean of the Bank Rates in effect at 4:00 p.m. Eastern Time each day during the calendar month immediately before the calendar month in which payment is made;

“Bank Rate” means the rate of interest established from time to time by the Bank of Canada as the minimum rate at which the Bank of Canada makes short term advances to members of the Canadian Payments Association;

“date of payment” means the date of the negotiable instrument drawn by the Receiver General for Canada to pay any amount under the Contract; and

an amount becomes “overdue” when it is unpaid on the first day following the day on which it is due and payable according to the Contract.

- 6.04.02 Elections Canada will pay to the Contractor simple interest at the Average Rate plus 3 percent per year on any amount that is overdue, from the date that amount becomes overdue until the day before the date of payment, inclusive. The Contractor is not required to provide notice to Elections Canada for interest to be payable.
- 6.04.03 Elections Canada will pay interest in accordance with this Article only if Elections Canada is responsible for the delay in paying the Contractor. Elections Canada will not pay interest on overdue advance payments.

## **Article 7 Accounts and Audit**

### **Section 7.01 Accounts and Audit**

- 7.01.01 The Contractor must keep proper accounts and records of the cost of performing the Work and of all expenditures or commitments made by the Contractor in connection with the Work, including all invoices, receipts and vouchers. The Contractor must retain records, including bills of lading and other evidence of transportation or delivery, for all deliveries made under the Contract.
- 7.01.02 If the Contract includes payment for time spent by the Contractor, its employees, representatives, agents or subcontractors performing the Work, the Contractor must keep a record of the actual time spent each day by each individual performing any part of the Work.
- 7.01.03 Unless Elections Canada has consented in writing to its disposal, the Contractor must retain all the information described in this Article for six years after it receives the final payment under the Contract, or until the settlement of all outstanding claims and disputes, whichever is later. During this time, the Contractor must make this information available for audit, inspection and examination by the representatives of Elections Canada, who may make copies and take extracts. The Contractor must provide all reasonably required facilities for any audit and inspection and must furnish all the information as the representatives of Elections Canada may from time to time require to perform a complete audit of the Contract.
- 7.01.04 The amount claimed under the Contract, calculated in accordance with the basis of payment provision in the Articles of Agreement, is subject to audit both before and after

payment is made. If an audit is performed after payment, the Contractor agrees to repay any overpayment immediately on demand by Elections Canada. Elections Canada may hold back, deduct and set off any credits owing and unpaid under this Article from any money that Elections Canada owes to the Contractor at any time (including under other contracts). If Elections Canada does not choose to exercise this right at any given time, Elections Canada does not lose this right.

## **Article 8 Taxes**

### **Section 8.01 Municipal Taxes**

Municipal Taxes do not apply.

### **Section 8.02 Provincial Taxes Exemption**

8.02.01 Except as provided by law, Elections Canada is not required to pay any sales tax payable to the province in which the taxable goods or services are delivered. This exemption has been provided to federal government departments and agencies under the authority of one of the following:

(a) Provincial Sales Tax (PST) Exemption Licence Numbers, for the provinces of:

- i. British Columbia PST-1000-5001;
- ii. Manitoba 390-516-0;

(b) for Saskatchewan, the Yukon Territory, the Northwest Territories and Nunavut, an Exemption certification, which certifies that the goods or services purchased by Elections Canada are not subject to the provincial and territorial sales and consumption taxes because they are purchased by a federal government department or agency with Canada funds for the use of Elections Canada.

8.02.02 Currently, in Alberta, the Yukon Territory, the Northwest Territories and Nunavut, there is no general PST. However, if a PST is introduced in Alberta, the Yukon Territory, the Northwest Territories or Nunavut, PST will be payable unless an exemption certification is included in the purchasing document.

### **Section 8.03 Harmonized Sales Tax**

Elections Canada must pay the HST in the participating provinces of Newfoundland and Labrador, Nova Scotia, New Brunswick, Ontario and Prince Edward Island.

### **Section 8.04 Quebec Sales Tax**

Elections Canada must pay the Quebec Sales Tax in the province of Quebec.

### **Section 8.05 Provincial Taxes paid by the Contractor**

The Contractor is not exempt from paying PST under the above Exemption Licence Numbers or Exemption Certification. The Contractor must pay the PST on taxable goods or services used or consumed in the performance of the Contract (in accordance with applicable provincial legislation), including material incorporated into real property.

### **Section 8.06 Changes to Taxes and Duties**

8.06.01 If there is any change to any tax or duty payable to any level of government in Canada after the bid submission date that affects the costs of the Work to the Contractor, the Contract Price will be adjusted to reflect the increase or decrease in the cost to the Contractor.

8.06.02 However, there will be no adjustment for any change that increases the cost of the Work to the Contractor if public notice of the change was given before bid submission date in sufficient detail to have permitted the Contractor to calculate the effect of the change on its cost. There will be no adjustment if the change takes effect after the date required by the Contract for delivery of the Work.

### **Section 8.07 Applicable Sales Tax**

The estimated amount of applicable sales tax is included in the total estimated cost on page 1 of the Contract. The applicable sales tax is not included in the Contract Price but will be paid by Elections Canada as provided in Section 6.01. The Contractor agrees to remit to the appropriate government agency any amount of applicable sales tax paid or due.

### **Section 8.08 Tax Withholding of 15 Percent**

Pursuant to the Income Tax Act, 1985, c. 1 (5th Supp.) and the Income Tax Regulations, Elections Canada must withhold 15 percent of the amount to be paid to the Contractor in respect of services provided in Canada if the Contractor is a non-resident unless the Contractor obtains a valid waiver. The amount withheld will be held on account for the Contractor in respect to any tax liability which may be owed to Canada.

## **Article 9 Transportation**

### **Section 9.01 Transportation Costs**

Unless provided otherwise in the Contract, if transportation costs are payable by Elections Canada under the Contract and the Contractor makes the transportation arrangements, shipments must be made by the most direct and economical means consistent with normal shipping practice. The costs must be shown as a separate item on the invoice.

### **Section 9.02 Transportation Carriers' Liability**

In light of the federal government's policy of underwriting its own risks, Elections Canada is precluded to pay for insurance or valuation charges for transportation beyond the point at which ownership of

goods passes to it (determined by the FOB point or Incoterms). Where increased carrier liability is available without charge, the Contractor must obtain the increased liability for shipment.

#### **Article 10 Ownership**

- 10.01.01 Unless provided otherwise in the Contract, the Work or any part of the Work belongs to Elections Canada after delivery and acceptance by or on behalf of Elections Canada.
- 10.01.02 However if any payment is made to the Contractor for or on account of any Work, either by way of progress or milestone payments, that Work paid for by Elections Canada belongs to Elections Canada upon such payment being made. This transfer of ownership does not constitute acceptance by Elections Canada of the Work or any part of the Work and does not relieve the Contractor of its obligation to perform the Work in accordance with the Contract.
- 10.01.03 Despite any transfer of ownership, the Contractor is responsible for any loss or damage to the Work or any part of the Work until it is delivered to Elections Canada in accordance with the Contract. Even after delivery, the Contractor remains responsible for any loss or damage to any part of the Work caused by the Contractor or any subcontractor.
- 10.01.04 Upon transfer of ownership to the Work or any part of the Work to Elections Canada, the Contractor must, if requested by Elections Canada, establish to Elections Canada's satisfaction that the title is free and clear of all claims, liens, attachments, charges or encumbrances. The Contractor must execute any conveyances and other instruments necessary to perfect the title that Elections Canada may require.

#### **Article 11 Elections Canada Property**

- 11.01.01 All EC Property must be used by the Contractor solely for the purpose of the Contract and remains the property of Elections Canada. The Contractor must maintain adequate accounting records of all EC Property and, whenever feasible, mark it as being the property of Elections Canada.
- 11.01.02 The Contractor must take reasonable and proper care of all EC Property while it is in its possession or subject to its control. The Contractor is responsible for any loss or damage resulting from its failure to do so other than loss or damage caused by ordinary wear and tear.
- 11.01.03 All EC Property, unless it is installed or incorporated in the Work, must be returned to Elections Canada on demand. All scrap and all waste materials, articles or things that are EC Property must, unless provided otherwise in the Contract, remain the property of Elections Canada and must be disposed of only as directed by Elections Canada.
- 11.01.04 At the time of completion of the Contract, and if requested by the Contracting Authority, the Contractor must provide to Elections Canada an inventory of all EC Property relating to the Contract.

## **Article 12 Liability**

The Contractor is liable for any damage caused by the Contractor, its employees, subcontractors, or agents to Elections Canada or any third party. Elections Canada is liable for any damage caused by Elections Canada, its employees or agents to the Contractor or any third party. The Parties agree that no limitation of liability or indemnity provision applies to the Contract unless it is specifically incorporated in full text in the Articles of Agreement or specifically provided for in any supplemental general conditions that form part of the Contract. Damage includes any injury to persons (including injury resulting in death) or loss of or damage to property (including real property) caused as a result of or during the performance of the Contract.

## **Article 13 Confidentiality**

### **Section 13.01 Confidentiality**

- 13.01.01 The Contractor must keep confidential all information provided or made available to the Contractor by or on behalf of Elections Canada in connection with the Work, including any information that is confidential or proprietary to third parties, and all information conceived, developed or produced by the Contractor as part of the Work when copyright or any other intellectual property rights in such information belongs to Elections Canada under the Contract (collectively, the “EC Information”). The Contractor must not disclose any EC Information without the written permission of Elections Canada. The Contractor may disclose to a subcontractor any EC Information necessary to perform the subcontract as long as the subcontractor agrees to keep such EC Information confidential and that it will be used only to perform the subcontract.
- 13.01.02 The Contractor agrees to use the EC Information only for the purpose of the Contract. The Contractor acknowledges that all EC Information remains the property of Elections Canada or the third party, as the case may be. Unless provided otherwise in the Contract, the Contractor must deliver to Elections Canada all such EC Information, together with every copy, draft, working paper and note that contains such information, upon completion or termination of the Contract or at such earlier time as Elections Canada may require.
- 13.01.03 Subject to the *Access to Information Act*, R.S.C. 1985, c. A-1, and to any right of Elections Canada under the Contract to release or disclose, Elections Canada must not release or disclose outside the Government of Canada any information delivered to Elections Canada under the Contract that is proprietary to the Contractor or a subcontractor.
- 13.01.04 The obligations of the Parties set out in this Article do not apply to any information if the information:
- (a) is publicly available from a source other than the other Party; or
  - (b) is or becomes known to a Party from a source other than the other Party, except any source that is known to be under an obligation to the other Party not to disclose the

information; or

(c) is developed by a Party without use of the information of the other Party.

- 13.01.05 Wherever possible, the Contractor must mark or identify any proprietary information delivered to Elections Canada under the Contract as “Property of (Contractor’s name), permitted uses defined under Elections Canada Contract No. (fill in Contract Number)”. Elections Canada will not be liable for any unauthorized use or disclosure of information that could have been so marked or identified and was not.
- 13.01.06 If the Contract, the Work, or any information referred to in Subsection 13.01.01 is identified as TOP SECRET, SECRET, CONFIDENTIAL, or PROTECTED by Elections Canada, the Contractor must at all times take all measures reasonably necessary for the safeguarding of the material so identified, including those set out in the PWGSC Industrial Security Manual and its supplements and any other instructions issued by Canada.
- 13.01.07 If the Contract, the Work, or any information referred to in Subsection 13.01.01 is identified as TOP SECRET, SECRET, CONFIDENTIAL, or PROTECTED, by Elections Canada, representatives of Elections Canada are entitled to inspect the Contractor’s premises and the premises of a subcontractor at any tier for security purposes at any time during the term of the Contract. The Contractor must comply with, and ensure that any subcontractor complies with, all written instructions issued by Elections Canada dealing with the material so identified, including any requirement that employees of the Contractor or of any subcontractor execute and deliver declarations relating to reliability screenings, security clearances and other procedures.

## **Section 13.02 An Oath of Secrecy**

The Parties hereby agree to sign any document that is necessary for the execution of this Contract, including but not limited to, an oath of secrecy pertaining to information contained in the Register of Electors, lists of electors and/or any record placed under the responsibility and/or owned by Elections Canada.

## **Article 14 Copyright**

### **Section 14.01 Copyright**

- 14.01.01 In this Section, “Material” means anything that is created by the Contractor as part of the Work under the Contract, that is required by the Contract to be delivered to Elections Canada and in which copyright subsists. “Material” does not include anything created by the Contractor before the date of the Contract.
- 14.01.02 Copyright in the Material belongs to Elections Canada and the Contractor must include the copyright symbol and either of the following notice on the Material: © Her Majesty the Queen in right of Canada (year) or © Sa Majesté la Reine du chef du Canada (année).

- 14.01.03 The Contractor must not use, copy, divulge or publish any Material except as is necessary to perform the Contract. The Contractor must execute any conveyance and other documents relating to copyright in the Material as Elections Canada may require.
- 14.01.04 The Contractor must provide at the request of Elections Canada a written permanent waiver of moral rights, in a form acceptable to Elections Canada, from every author that contributed to the Material. If the Contractor is the author of the Material, the Contractor permanently waives its moral rights in the Material.

## **Section 14.02 Use and Translation of Documentation**

The Contractor agrees that Elections Canada may translate in the other official language any documentation delivered to Elections Canada by the Contractor that does not belong to Elections Canada under Section 14.01. The Contractor acknowledges that Elections Canada owns the translation and that it is under no obligation to provide any translation to the Contractor. Elections Canada agrees that any translation must include any copyright notice and any proprietary right notice that was part of the original. Elections Canada acknowledges that the Contractor is not responsible for any technical errors or other problems that may arise as a result of the translation.

## **Article 15 Intellectual Property Infringement and Royalties**

- 15.01.01 The Contractor represents and warrants that, to the best of its knowledge, neither it nor Elections Canada will infringe any third party's intellectual property rights in performing or using the Work, and that Elections Canada will have no obligation to pay royalties of any kind to anyone in connection with the Work.
- 15.01.02 If anyone makes a claim against Elections Canada or the Contractor concerning intellectual property infringement or royalties related to the Work, that Party agrees to notify the other Party in writing immediately. If anyone brings a claim against Elections Canada, Elections Canada may either defend the claim or may request that the Contractor defend Elections Canada against the claim. In either case, the Contractor agrees to participate fully in the defence and any settlement negotiations and to pay all costs, damages and legal costs incurred or payable as a result of the claim, including the amount of any settlement. Both Parties agree not to settle any claim unless the other Party first approves the settlement in writing.
- 15.01.03 The Contractor has no obligation regarding claims that were only made because:
- (a) Elections Canada modified the Work or part of the Work without the Contractor's consent or used the Work or part of the Work without following a requirement of the Contract;
  - (b) Elections Canada used the Work or part of the Work with a product that the Contractor did not supply under the Contract (unless that use is described in the Contract or the manufacturer's specifications);

- (c) the Contractor used equipment, drawings, specifications or other information supplied to the Contractor by Elections Canada (or by someone authorized by Elections Canada); or
- (d) the Contractor used a specific item of equipment or software that it obtained because of specific instructions from the Contracting Authority; however, this exception only applies if the Contractor has included the following language in its own contract with the supplier of that equipment or software:

“[Supplier name] acknowledges that the purchased items will be used by the Elections Canada. If a third party claims that equipment or software supplied under this contract infringes any intellectual property right, [supplier name], if requested to do so by either [Contractor name] or Elections Canada, will defend both [Contractor name] and Elections Canada against that claim at its own expense and will pay all costs, damages and legal fees payable as a result of that infringement.”

Obtaining this protection from the supplier is the Contractor’s responsibility and, if the Contractor does not do so, it will be responsible to Elections Canada for the claim.

15.01.04 If anyone claims that, as a result of the Work, the Contractor or Elections Canada is infringing its intellectual property rights, the Contractor must immediately do one of the following:

- (a) take whatever steps are necessary to allow Elections Canada to continue to use the allegedly infringing part of the Work; or
- (b) modify or replace the Work to avoid intellectual property infringement, while ensuring that the Work continues to meet all the requirements of the Contract; or
- (c) take back the Work and refund any part of the Contract Price that Elections Canada has already paid.

If the Contractor determines that none of these alternatives can reasonably be achieved, or if the Contractor fails to take any of these steps within a reasonable amount of time, Elections Canada may choose either to require the Contractor to do (c), or to take whatever steps are necessary to acquire the rights to use the allegedly infringing part(s) of the Work itself, in which case the Contractor must reimburse Elections Canada for all the costs it incurs to do so.

#### **Article 16 Excusable Delay**

16.01.01 A delay in the performance by the Contractor of any obligation under the Contract that is caused by an event that:

- (a) is beyond the reasonable control of the Contractor;
- (b) could not reasonably have been foreseen;
- (c) could not reasonably have been prevented by means reasonably available to the Contractor; and
- (d) occurred without the fault or neglect of the Contractor, will be considered an “Excusable Delay” if the Contractor advises the Contracting Authority of the occurrence of the delay or of the likelihood of the delay as soon as the Contractor becomes aware of it.

16.01.02 Within 15 Business Days of an Excusable Delay, the Contractor must:

- (a) provide written notice to the Contracting Authority of all the circumstances relating to such Excusable Delay; and
- (b) provide for approval to the Contracting Authority within 15 Business Days a clear work around plan explaining in detail the steps that the Contractor proposes to take in order to minimize the impact of the event causing the delay.

16.01.03 Any delivery date or other date that is directly affected by an Excusable Delay will be postponed for a reasonable time that will not exceed the duration of the Excusable Delay.

16.01.04 However, if an Excusable Delay has continued for 30 calendar days or more, the Contracting Authority may, by giving notice in writing to the Contractor, terminate the Contract. In such a case, the Parties agree that neither will make any claim against the other for damages, costs, expected profits or any other loss arising out of the termination or the event that contributed to the Excusable Delay. The Contractor agrees to repay immediately to Elections Canada the portion of any advance payment that is unliquidated at the date of the termination.

16.01.05 Unless Elections Canada has caused the delay by failing to meet an obligation under the Contract, Elections Canada will not be responsible for any costs incurred by the Contractor or any of its subcontractors or agents as a result of an Excusable Delay.

16.01.06 If the Contract is terminated under this Article, the Contracting Authority may require the Contractor to deliver to Elections Canada, in the manner and to the extent directed by the Contracting Authority, any completed parts of the Work not delivered and accepted before the termination and anything that the Contractor has acquired or produced specifically to perform the Contract. Elections Canada will pay the Contractor:

- (a) the value, of all completed parts of the Work delivered to and accepted by Elections Canada, based on the Contract Price, including the proportionate part of the Contractor’s profit or fee included in the Contract Price; and

- (b) the Cost to the Contractor that Elections Canada considers reasonable in respect of anything else delivered to and accepted by Elections Canada.

The total amount paid by Elections Canada under the Contract to the date of termination and any amounts payable under this Subsection must not exceed the Contract Price.

### **Article 17 Suspension of the Work**

- 17.01.01 The Contracting Authority may at any time, by written notice, order the Contractor to suspend or stop the Work or part of the Work under the Contract for a period of up to 180 calendar days. The Contractor must immediately comply with any such order in a way that minimizes the cost of doing so. While such an order is in effect, the Contractor must not remove any part of the Work from any premises without first obtaining the written consent of the Contracting Authority. Within these 180 calendar days, the Contracting Authority must either cancel the order or terminate the Contract, in whole or in part, under Article 18 or Article 19.
- 17.01.02 The Contracting Authority may, whether in the notice of the order or during the 180 calendar days referred to in Subsection 17.01.01, request that the Contractor provide information regarding the status of the Work or outstanding invoices. The Contractor shall respond within the timeline provided in the request.
- 17.01.03 When an order is made under Subsection 17.01.01, unless the Contracting Authority terminates the Contract by reason of default by the Contractor or the Contractor abandons the Contract, the Contractor will be entitled to be paid its additional costs incurred as a result of the suspension plus a fair and reasonable profit.
- 17.01.04 When an order made under Subsection 17.01.01 is cancelled, the Contractor must resume work in accordance with the Contract as soon as practicable. If the suspension has affected the Contractor's ability to meet any delivery date under the Contract, the date for performing the part of the Work affected by the suspension will be extended for a period equal to the period of suspension plus a period, if any, that in the opinion of the Contracting Authority, following consultation with the Contractor, is necessary for the Contractor to resume the Work. Any equitable adjustments will be made as necessary to any affected conditions of the Contract.

### **Article 18 Default by the Contractor**

- 18.01.01 If the Contractor is in default in carrying out any of its obligations under the Contract, the Contracting Authority may, by giving written notice to the Contractor, terminate for default the Contract or part of the Contract. The termination will take effect immediately or at the expiration of a cure period specified in the notice, if the Contractor has not cured the default to the satisfaction of the Contracting Authority within that cure period.
- 18.01.02 If the Contractor becomes bankrupt or insolvent, makes an assignment for the benefit of creditors, or takes the benefit of any statute relating to bankrupt or insolvent debtors, or if

a receiver is appointed under a debt instrument or a receiving order is made against the Contractor, or an order is made or a resolution passed for the winding down of the Contractor, the Contracting Authority may, to the extent permitted by the laws of Canada, by giving written notice to the Contractor, immediately terminate for default the Contract or part of the Contract.

18.01.03 If Elections Canada gives notice under Subsection 18.01.01 or 18.01.02, the Contractor will have no claim for further payment except as provided in this Article. The Contractor will be liable to Elections Canada for all losses and damages suffered by Elections Canada because of the default or occurrence upon which the notice was based, including any increase in the cost incurred by Elections Canada in procuring the Work from another source. The Contractor agrees to repay immediately to Elections Canada the portion of any advance payment that is unliquidated at the date of the termination.

18.01.04 Upon termination of the Contract under this Article, the Contracting Authority may require the Contractor to deliver to Elections Canada, in the manner and to the extent directed by the Contracting Authority, any completed parts of the Work, not delivered and accepted before the termination and anything the Contractor has acquired or produced specifically to perform the Contract. In such a case, subject to the deduction of any claim that Elections Canada may have against the Contractor arising under the Contract or out of the termination, Elections Canada will pay or credit to the Contractor:

- (a) the value, of all completed parts of the Work delivered to and accepted by Elections Canada, based on the Contract Price, including the proportionate part of the Contractor's profit or fee included in the Contract Price; and
- (b) the cost to the Contractor that Elections Canada considers reasonable in respect of anything else delivered to and accepted by Elections Canada.

The total amount paid by Elections Canada under the Contract to the date of the termination and any amount payable under this Subsection must not exceed the Contract Price.

18.01.05 Title to everything for which payment is made to the Contractor will, once payment is made, pass to Elections Canada unless it already belongs to Elections Canada under any other provision of the Contract.

18.01.06 If the Contract is terminated for default under Subsection 18.01.01, but it is later determined that grounds did not exist for a termination for default, the notice will be considered a notice of termination for convenience issued under Subsection 19.01.01.

## **Article 19 Termination for Convenience**

19.01.01 At any time before the completion of the Work, the Contracting Authority may, by giving notice in writing to the Contractor, terminate for convenience the Contract or part of the Contract. Once such a notice of termination for convenience is given, the Contractor must

comply with the requirements of the termination notice. If the Contract is terminated in part only, the Contractor must proceed to complete any part of the Work that is not affected by the termination notice. The termination will take effect immediately or, as the case may be, at the time specified in the termination notice.

19.01.02 If a termination notice is given pursuant to Subsection 19.01.01, the Contractor will be entitled to be paid, for costs that have been reasonably and properly incurred to perform the Contract to the extent that the Contractor has not already been paid or reimbursed by Elections Canada. The Contractor will be paid:

- (a) on the basis of the Contract Price, for all completed Work that is inspected and accepted in accordance with the Contract, whether completed before, or after the termination in accordance with the instructions contained in the termination notice;
- (b) the Cost to the Contractor plus a fair and reasonable profit for all work terminated by the termination notice before completion; and
- (c) all costs incidental to the termination of the Work incurred by the Contractor but not including the cost of severance payments or damages to employees whose services are no longer required, except wages that the Contractor is obligated by statute to pay.

Elections Canada may reduce the payment in respect of any part of the Work, if upon inspection, it does not meet the requirements of the Contract.

19.01.03 The total of the amounts, to which the Contractor is entitled to be paid under this Article, together with any amounts paid, due or becoming due to the Contractor must not exceed the Contract Price. The Contractor will have no claim for damages, compensation, loss of profit, allowance arising out of any termination notice given by Elections Canada under this Article except to the extent that this Article expressly provides. The Contractor agrees to repay immediately to Elections Canada the portion of any advance payment that is unliquidated at the date of the termination.

#### **Article 20 Assignment**

20.01.01 The Contractor must not assign the Contract without first obtaining the written consent of the Contracting Authority. Any assignment made without that consent is void and will have no effect. The assignment will be effective upon execution of an assignment agreement signed by the Parties and the assignee.

20.01.02 Assignment of the Contract does not relieve the Contractor from any obligation under the Contract and it does not impose any liability upon Elections Canada.

#### **Article 21 Right of Set-Off**

Without restricting any right of set-off given by law, Elections Canada may set-off against any amount

payable to the Contractor under the Contract, any amount payable to Elections Canada by the Contractor under the Contract or under any other current contract. Elections Canada may, when making a payment pursuant to the Contract, deduct from the amount payable to the Contractor any such amount payable to Elections Canada by the Contractor which, by virtue of the right of set-off, may be retained by Elections Canada.

## **Article 22 Amendments and Waivers**

### **Section 22.01 Amendment**

- 22.01.01 To be effective, any amendment to the Contract must be done in writing by the Contracting Authority and the authorized representative of the Contractor.
- 22.01.02 While the Contractor may discuss any proposed modifications to the Work with other representatives of Elections Canada, Elections Canada will not be responsible for the cost of any modification unless it has been incorporated into the Contract in accordance with Subsection 22.01.01.

### **Section 22.02 Waiver**

- 22.02.01 A waiver will only be valid, binding or affect the rights of the Parties if it is made in writing by, in the case of a waiver by Elections Canada, the Contracting Authority and, in the case of a waiver by the Contractor, the authorized representative of the Contractor.
- 22.02.02 The waiver by a Party of a breach of any condition of the Contract will not be treated or interpreted as a waiver of any subsequent breach and therefore will not prevent it from enforcing that term or condition in the case of a subsequent breach.

## **Article 23 Codes**

### **Section 23.01 Conflict of Interest and Values and Ethics Codes for the Public Sector**

The Contractor acknowledges that individuals who are subject to the provisions of the *Conflict of Interest Act*, 2006, c. 9, s. 2, the Conflict of Interest Code for Members of the House of Commons, the Values and Ethics Code for the Public Sector or all other codes of values and ethics applicable within specific organizations cannot derive any direct benefit resulting from the Contract.

### **Section 23.02 Code of Conduct for Procurement**

The Contractor certifies that it has read the *Code of Conduct for Procurement* (<http://www.tpsgc-pwgsc.gc.ca/app-acq/cndt-cndct/index-eng.html>) and agrees to be bound by its terms.

## **Article 24 No Bribe or Conflict**

### **Section 24.01 No Bribe**

The Contractor declares that no bribe, gift, benefit, or other inducement has been or will be paid, given, promised or offered directly or indirectly to any official or employee of Elections Canada or to a member of the family of such a person, with a view to influencing the entry into the Contract or the administration of the Contract.

## **Section 24.02 No Conflict of Interest**

- 24.02.01 The Contractor must not influence, seek to influence or otherwise take part in a decision of Elections Canada knowing that the decision might further its private interest. The Contractor must have no financial interest in the business of a third party that causes or would appear to cause a conflict of interest in connection with the performance of its obligations under the Contract. If such a financial interest is acquired during the period of the Contract, the Contractor must immediately declare it to the Contracting Authority.
- 24.02.02 The Contractor warrants that, to the best of its knowledge after making diligent inquiry, no conflict exists. In the event the Contractor becomes aware of any matter that causes or is likely to cause a conflict in relation to the Contractor's performance under the Contract, the Contractor must immediately disclose such matter to the Contracting Authority in writing.
- 24.02.03 If the Contracting Authority is of the opinion that a conflict exists as a result of the Contractor's disclosure or as a result of any other information brought to the Contracting Authority's attention, the Contracting Authority may require the Contractor to take steps to resolve or otherwise deal with the conflict or, at its entire discretion, terminate the Contract for default. Conflict means any matter, circumstance, interest, or activity affecting the Contractor, its personnel or subcontractors, which may or may appear to impair the ability of the Contractor to perform the Work diligently and independently.

## **Article 25 Contingency Fees**

- 25.01.01 The Contractor certifies that it has not, directly or indirectly, paid or agreed to pay and agrees that it will not, directly or indirectly, pay a contingency fee for the solicitation, negotiation or obtaining of the Contract to any person, other than an employee of the Contractor acting in the normal course of the employee's duties.
- 25.01.02 In this Article:
- (a) "contingency fee" means any payment or other compensation that depends or is calculated based on a degree of success in soliciting, negotiating or obtaining the Contract; and
  - (b) "person" includes any individual who is required to file a return with the registrar pursuant to section 5 of the *Lobbying Act*, 1985, c. 44 (4th Supplement).

## **Article 26 International Sanctions**

- 26.01.01 Persons in Canada, and Canadians outside of Canada, are bound by economic sanctions imposed by Canada. As a result, Elections Canada cannot accept delivery of goods or services that originate, either directly or indirectly, from the countries or persons subject to economic sanctions.
- 26.01.02 The Contractor must not supply to Elections Canada any goods or services which are subject to economic sanctions.

## **Annex C - Basic Standards for Testing Temporary Help Resources**

### **1. Keyboarding Examinations**

#### **1.1. Skills Assessed**

Keyboarding examinations are available separately in English and French. They must evaluate the speed of the keyboarding skill in English or French and determine the error rate.

#### **1.2. Examination Specifications**

- 1.2.1 Two equivalent versions in each language must be available for the assessment of the keyboarding skills listed in Section 1.1; that is two parallel forms of the French keyboarding test and two parallel forms of the English keyboarding test.
- 1.2.2 The equivalency of the two forms of the examination is determined by an evaluation of the following two factors:
  - (a) stroke intensity; and
  - (b) syllabic intensity
- 1.2.3 Each equivalent form is comprise of the following:
  - (a) a page of general instructions preceding the test;
  - (b) a practice keyboarding text of approximately 150 words (3 to 5 minutes);
  - (c) a first examination text of 1,250 to 1,550 strokes in narrative format (that does not contain numbers or symbols) with a time limit of 5 minutes; and
  - (d) a second examination text of 1,250 to 1,550 strokes in narrative of 5 minutes duration.
- 1.2.4 For each keyboarding text the mean number of strokes per dictionary word fall between 5.90 and 6.10. The average stroke intensity may be calculated by dividing the total number of key-strokes in the keyboarding text by the total number of words.
- 1.2.5 The syllabic intensity of each keyboarding text fall between 1.45 and 1.55. The average syllabic intensity can be calculated by dividing the total number of syllables by the total number of words in the text.
- 1.2.6 At the completion of the examination the candidates are asked to decide which of the two examination texts typed they wish to be scored upon. Only the one text designated by the candidate is to be scored.
- 1.2.7 The scoring of the examination take into account the two criteria below:

- (a) the speed in number of words typed per minute, determined by dividing the total number of keyboarding strokes by 25; and
- (b) accuracy by percentage of errors, determined by dividing the number of error by the total number of words typed.

1.2.8 The pass mark required on the keyboarding examination is a speed of 60 words per minute with no more than 5% error.

1.2.9 To be fully qualified each candidate is able to meet the criterion for both speed and accuracy. Failure on either one or the other of these criteria will result in a failure on the examination.

1.2.10 In the case of a failure the candidate may be re-tested within a reasonable time. However in this case a different version of the examination form must be used and the examination is to be administered under the same conditions as in the first test session.

- (d) arithmetic ability.

### **3.2. Examination Specifications**

- 3.2.1 An examination of clerical abilities must be available in each official language to evaluate the qualifications.
