**Solicitation Amendment # 003 is raised to answer the following questions from industry, replace Schedule 1 - Pricing Schedule and to amend Part 7 A. - Subarticle 4.2 of the Request for Standing Offer:**

**1) At Schedule 1 - Pricing Schedule**

Schedule 1 "Pricing Schedule" calls for only one configuration section 3.2.10 "Prices for all items for one system for Sea Area 4".

Section 3.2.10.1 further states, "GMDSS consoles shall include all operation interface components with the exception of VHF/DSC Radios, EPIRB, SART, NAVTEX, and Handheld GMDSS Lifeboat Transceivers"

**Question # 002**

With the removal of the items listed in 3.2.10.1 a considerable number of components remain for pricing in Schedule 3.2.10. Is the intention to use this configuration as a core from which consoles could be built to suit all three configurations listed in Table 1?

**Answer # 002**

This question is addressed by the publication of the revised Pricing Schedule.

**Question # 003**

In 3.2.2.2 it states: Radios shall be operable from two locations, the main unit and one remote control stations. Does this mean you want the radio supplied with just the telephone handsets, or do you want the additional remote stations included in the pricing ? The same is true for equipment listed in 3.2.3 and 3.2.4.

**Answer # 003**

Radios are to be supplied with a single handheld speaker microphone or telephone handset. Remote stations are to be included in the pricing schedule and will be purchased as needed.

**2) Question # 004**

Can you please confirm what accessories you want supplied with each piece of equipment?

**Answer # 004**

The required accessories are those listed in the revised Pricing Schedule.

**3) Question # 005**

For the possible 2 year extension, what pricing are you suggesting we use? The same pricing as Year 5?

Is it acceptable for us to provide pricing for each of the 7 years ?

**Answer # 005**

The option years are not to be priced at this time. Subarticle 4.2 has been revised and is included in this amendment to clarify the option year pricing.

**4) Question # 006**

Will the Crown consider removing Exchange Rate Fluctuation under Part 3 - Offer Preparation Instructions - Section II Financial Offer?

**Answer # 006**

No, the Exchange Rate Fluctuation clause will not be removed.

**5) At Part 7 - Standing Offer and Resulting Contract Clauses - Subarticle 4.2:**

**Delete:** In its entirety.

**Insert:**

**4.2 Extension of Standing Offer**

If the Standing Offer is authorized for use beyond the initial period, the Offeror offers to extend its offer for an additional two (2) year period, from \_\_\_\_\_ to \_\_\_\_\_. All terms and conditions remain the same, but the pricing will be subject to negotiation prior to its use beyond the initial period.

The Offeror will be advised of the decision to authorize the use of the Standing Offer for an extended period by the Standing Offer Authority ninety (90) days before the expiry date of the Standing Offer. A revision to the Standing Offer will be issued by the Standing Offer Authority.

**6) At Schedule 1 - Pricing Schedule:**

**Delete:** In its entirety.
