Questions and Answers - Set 5

Q66	We would like to submit a Joint Venture (JV) arrangement for PASS. We are already a registered CPSS Supplier as is the company with which we wish to form a JV. We registered the JV and now have a JV PBN. How do I respond to PASS as the JV on CPSS? Do I have to register on CPSS as the JV? Or, do I respond via the existing CPSS Profile for my organization?
A66	Identical to the current PASS SA (E60ZG-060004) and all other Methods of Supply that use the CPSS (e.g. TSPS, TBIPS, etc.), a Joint Venture must register in CPSS under a unique Procurement Business Number (PBN).
Q67	We have created a Joint Venture (JV) and have prepared our response for PASS. We were successfully granted a PBN for our JV and registered right away under CPSS with our new PBN for the JV. As this JV is specific for PASS, we are not certain if in the Company Details section we should only provide the information for our own organization (as the Lead) or are we to provide the information for the JV, with the details for each company under JV Information section?
A67	The information that should be provided in the "Company Details" section (e.g. Legal Name, Operating Name, PBN, etc.) should be that of the JV and not that of the Lead Member of the JV.
Q68	We would like to submit a bid as a JV but the JV is not a legal entity and as such does not have a PBN. According to clause # 2.1.4 b) we are still not required to have a legally formed joint venture. Can we submit the electronic portion of the bid through an existing CPSS account of one of the JV members or how would we register the JV?
A68	See response provided to Q66. Furthermore, Clause 2.1.4 b) does not speak to the requirements of a JV but only identifies the possible combinations in which a supplier can become an SA Holder.
Q69	We have entered our information in CPSS in the DCC component however when identifying the 2 Streams 1 and 6 that we wish to apply to, we are not seeing the categories to enter the project information and references as we did for ProServices and TBIPS. Can you please advise.
A69	Please refer to the response provided to Q7 in Solicitation Amendment 001, Questions and Answers - Set 001.
Q70	On the CPSS submission for PASS, it only allows us to enter information for one former public servant. How do we proceed if we need to declare more than one individual? We are also experiencing the same issue for declaring individuals under the Workforce reduction program.
