1 SECTION 1 GENERAL INFORMATION

1.1 Overview of Section 1

The purpose of this section is to provide general information about CMHC and this Request for Proposal.

1.2 Introduction and Scope

Canada Mortgage and Housing Corporation (CMHC) wishes to enter into a contract with a vendor for the purpose of providing a comprehensive, integrated media monitoring and media analysis (media management) solution to make its media relations practices more efficient at a national and regional level.

This contract shall begin June 1, 2015 and be for a period of two years, with two, additional one-year potential renewal options, not to exceed a cumulative total of 4 years. The value of the contract is not expected to exceed approximately \$300,000 annually.

Canada Mortgage and Housing Corporation shall not be obligated in any manner to any proponent whatsoever until a written Agreement has been duly executed relating to a qualified, approved proposal.

More detailed specifications can be found in Section 3, "Statement of Work".

1.3 CMHC Background

CMHC is the Government of Canada's National Housing Agency, with a mandate to help Canadians gain access to a wide choice of quality, affordable homes. It is a Crown corporation, with a Board of Directors, reporting to Parliament through the Minister of Employment and Social Development, Minister for Democratic Reform, and Minister responsible for Canada Mortgage and Housing Corporation, the Honourable Pierre Poilievre.

CMHC has more than 2,000 people located at its National Office in Ottawa, and at various Business Centres throughout Canada. The Business Centre areas are divided into five regions: Atlantic; Quebec; Ontario; British Columbia; and Prairies & Territories.

1.4 Purpose of Request for Proposal

CMHC uses a Request for Proposal (RFP) to describe its requirements, ask suppliers for their proposed solutions, describe the criteria which will be used in evaluating proposals and selecting a lead proponent, and outline the terms and conditions under which the successful proponent will operate or supply goods and/or services. In an RFP process, proposals and proponents are evaluated in terms of ability to satisfy the stated requirements, while providing "Best Value" to CMHC in terms of price.

1.4.1 All Service Providers

CMHC's contracting and procurement activities are decentralized among CMHC's National Office in Ottawa and various Business Centres throughout Canada.

The policy pertaining to the selection of suppliers is based on the principle that all suppliers must be treated fairly and equally. Suppliers are defined as an individual or firm that could provide, or has provided, goods or services or construction under contract.

CMHC utilizes the Supplier Information (SI) database, maintained by **Business Access Canada** as the Official CMHC source list. All proponents **must** be registered with **Business Access Canada** prior to submitting a proposal. The Procurement Business Number (PBN) provided by **Business Access Canada** must be included with your proposal. If you are not registered, and you wish to do so, you may access **Business Access Canada** (<https://buyandsell.gc.ca/>) or you may call their Information Line at: 1-800-811-1148. Present Suppliers not registered with Business Access Canada are required to self-register on the SI via the Business Access Canada Web site.

1.6 Mandatory Requirements

Throughout this RFP, certain requirements are identified as mandatory. A mandatory requirement is a minimum standard that a proposal must meet in order to be considered for further evaluation. Mandatory is defined as having substantial compliance as assessed by CMHC in its sole and absolute discretion.

Mandatory requirements are identified in:

- Section 2 Submission Instructions
- Section 4 Proposal Requirements
- Section 6 Proposed Contract, and
- Appendix A The Certificate of Submission.

Caution: Proposals which fail, in the sole discretion of CMHC, to meet any mandatory requirement will be eliminated from further consideration in the evaluation process. However, CMHC reserves the right to waive any mandatory requirements if it deems fit and appropriate to meet the interests of and provide best value to CMHC. This clause should be interpreted solely for the benefit of CMHC and not for the benefit of the Proponents.

1.7 Proponent Feedback

CMHC aims to continuously improve its bid documents and procedures. CMHC welcomes input regarding proponent experience in responding to its RFPs. whether as a compliment or suggestion for future RFPs.

Proponents may submit comments labelled as *Proponent Feedback RFP #201500489* to the name and address provided in Section 2.4.

As CMHC does not wish to be perceived as influenced by such feedback in the award decision, proponents are requested to submit their feedback after the contract award has been announced.

Any proponent who notes a material flaw in the RFP that could affect the outcome should report it as specified in Section 2.4

1.8 Income Tax Reporting Requirement

As a federal Crown Corporation, CMHC is obliged under the Income Tax Act and Regulations to report payments made by the Corporation to suppliers of goods and/or services by using a T1204 supplementary slip. CMHC must therefore obtain the necessary information from suppliers (including the Contractor's social insurance number and/or corporate identification number) in order to allow it to complete the T1204 supplementary slip. The Lead Proponent(s) will be required to complete and sign a Supplier - Direct Deposit and Tax Information Form (CMHC/SCHL 3085) prior to execution of this Agreement.

2 SECTION 2 SUBMISSION INSTRUCTIONS

2.1 Overview of Section 2

The purpose of Section 2 is to inform the proponent about CMHC's procedures and rules pertaining to this RFP process.

Proponents are advised that CMHC has provided as Appendix C a Mandatory Compliance Checklist for your benefit to complete prior to submission. This is to assist you in ensuring that you comply with all Mandatory criteria as non-compliance will result in disqualification.

2.2 Certificate of Submission

Timely and correct delivery of proposals to the exact specified proposal delivery address is the sole responsibility of the proponent. All risks and consequences of incorrect delivery of proposals are the responsibility of the proponent. CMHC will not assume or have transferred to it those responsibilities. An alternative to any portion of a proposal may be submitted and must be in a separate addendum to the proposal.

An acceptable alternative is one which CMHC considers satisfactory in meeting a mandatory requirement. CMHC at its sole discretion will determine if a proposed alternative meets the intent of the original mandatory requirement.

2.11 Liability for Errors

While CMHC has made considerable efforts to ensure an accurate representation of information in this RFP, the information contained in this RFP is supplied solely as a guideline for proponents. The information is not guaranteed or warranted to be accurate by CMHC, nor is it necessarily comprehensive or exhaustive. Nothing in this RFP is intended to relieve proponents from forming their own opinions and conclusions in respect of the matters addressed in this RFP.

2.12 Verification of Proponent's Response

The proponent authorizes CMHC to conduct such investigation as it deems appropriate to verify the contents of the proponent's response.

2.13 Ownership of Responses

All responses and related materials become the property of CMHC and will not be returned. CMHC will not reimburse the proponent for any work related to, or materials supplied in the preparation of the RFP response.

All information regarding the terms and conditions, financial and/or technical aspects of the proponent's proposal, which, in their opinion, are of a proprietary or confidential nature, must be clearly marked "**PROPRIETARY**" or "**CONFIDENTIAL**" at **each item** or at the **top of each page**. Proponents' documents and information so marked will be treated accordingly by CMHC. Notwithstanding the foregoing, proponents are advised that as a Crown corporation, CMHC is subject to the federal legislation with respect to access to information and privacy. Information submitted by third parties will be protected or may be required to be disclosed in specific circumstances pursuant to the federal legislation.

2.17 Conflict of Interest

- (a) The Contractor and its principals, employees and agents shall avoid any conflict of interest during the term of this Agreement and shall immediately declare any existing, potential or apparent conflict and shall, upon direction of CMHC, take steps to eliminate any conflict or perception that a conflict of interest exists.
- (b) The Contractor must not provide any services to any third party in circumstances that might reasonably give rise to a conflict of interest, including a conflict between the Contractor's duties to that third party and the Contractor's duties to CMHC.
- (c) In the event that a conflict of interest, real or perceived, cannot be resolved to the satisfaction of CMHC, CMHC shall have the right to immediately terminate the Agreement. All portions of the Work which have been completed at the date of termination shall be forwarded to CMHC and CMHC shall be liable for payment to the Contractor of an amount which, in the sole opinion of CMHC, constitutes reasonable payment for the partial performance of the Contractor's obligations under the Agreement. Upon such payment, CMHC shall have no further obligation of any nature or kind to the Contractor.
- (d) Any former public office holder must be in compliance with the post-employment provisions of the Conflict of Interest and Post-Employment Code for Public Office Holders (2012) in order to derive a direct benefit from any contract which may arise from this request for proposal.

In submitting its proposal, the proponent certifies that:

- (a) prices as submitted in its proposal have been arrived at independently from those of any other proponent;
- (b) the prices as submitted have not been knowingly disclosed by the proponent, and will not knowingly be disclosed by the proponent prior to award, directly or indirectly, to any other proponent or competitor; and
- (c) no attempt has been made, nor will be made, to induce any other person to submit, or not to submit, a proposal, for the purpose of restricting competition.

2.19 Joint Venture Responses

Joint venture proposals should adequately represent and communicate the proposed participation and responsibilities of each company in the joint venture, and must provide a description of the proposed joint venture business arrangement which would be entered into by all parties upon receipt of a contract. The description must list the companies involved, indicate how long the business arrangement has been in existence, indicate the service(s) each respective party would be providing and describe the proposed participation and responsibility of each party.

The proponent shall designate one of the partners as the contact person through whom any communication between the proponent and CMHC will be channelled during the RFP process.

Joint venture responses must be accompanied by a signed Certification of Submission from each participating company. Refer to Section 2.2.

2.20 Intellectual Property Rights

All material, reports and other work product produced under this (RFP and the resulting) Agreement will be the sole property of CMHC. The Contractor warrants that the Contractor is the only person who has or will have moral rights in the material created by the Contractor and supplied under this Agreement and the Contractor hereby waives in favour of CMHC all of the Contractor's moral rights in the material, as provided for in the law of copyright. Upon the material coming into existence, the Contractor agrees to execute any document requested by CMHC acknowledging CMHC's ownership of the material and work product and the waiver of the Contractor's moral rights therein.

2.21 Non-Disclosure of CMHC Information

Under this section, "CMHC Information" refers to any and all information which is managed, accessed, collected, used, disclosed, retained, received, created or disposed of in order to fulfil the requirements of the Contract, however obtained. Without limiting the generality of the foregoing, CMHC Information includes data held in any type of electronic format and information provided directly, indirectly or through third parties to the Contractor, any subcontractor, reseller, agent or any other person engaged to perform the Work under the contract.

The Contractor acknowledges and understands that all CMHC Information is subject to Canadian laws on privacy and access to information under which CMHC is bound and that CMHC considers CMHC information to be under its custody and control at all times.

The Contractor further understands and agrees to treat all CMHC Information as proprietary, confidential and sensitive unless otherwise specifically agreed to in writing by CMHC. The Contractor shall restrict access to CMHC Information to those persons who have a need to know this information in order to perform the Work under the Contract.

The Contractor shall ensure that CMHC Information shall remain in Canada and expressly agrees to segregate CMHC Information (whether in electronic format or in hard copy) from any other information in a database or repository physically independent from all other databases or repositories. Without limiting the generality of the foregoing, the Contractor shall not and shall ensure that any subcontractor, reseller, agent or any other person engaged to perform any part of the Work does not release, share or otherwise divulge CMHC Information to any other person including subsidiaries, branch offices, partners of the Contractor or subcontractors without the prior written consent of CMHC.

Where disclosure of CMHC Information is required pursuant to a lawful requirement or for the purposes of complying with a subpoena or warrant lawfully issued or lawfully made by a court, person or body, the Contractor shall notify CMHC promptly after discovering the potential of disclosure of the CMHC Information so that CMHC has the opportunity to seek a protective order or other appropriate remedy.

The Contractor also agrees that in the event that disclosure of CMHC Information is required by a valid and applicable law, it shall, in co-operation with CMHC, do all things possible to prevent access to CMHC Information including but not limited to taking appropriate legal action against disclosure, providing information and other assistance in order for CMHC to take appropriate legal action against disclosure and ensuring that disclosure is strictly limited to the information lawfully requested.

The system must include an analytical reporting tool that allows users to analyse media coverage and create visual representations of this analysis.

1. Media monitoring and alerts

The proponent will monitor and deliver quickly and efficiently relevant media items according to keywords identified by CMHC from the following media sources: print, television, radio and Internet. News stories should be made available in the proponent's portal a few minutes after airing (broadcast sources) or posting (web sources). Print articles should be made available in the proponent's portal no later than 5:30 a.m. EST.

1.3 Web

The proponent will provide access to web-based articles containing content related to CMHC's keywords from websites such as cbc.ca, The Huffington Post, Bloomberg and Reuters.

2. Media Searches

The system must allow for the archiving and organization of articles related to CMHC, based on keywords provided by CMHC. The system must also provide a search engine that will enable users to perform searches throughout the day and capture broadcast and web articles within minutes of their release. The archived material must be available for searching by keyword for an extended period of time.

3. Media Analysis

The system should include media analysis tools that generate data and give meaning to CMHC-related media coverage, based on selected keywords, over the short- and long-term. It will also use designated keywords to automatically generate charts and graphs that visually explain the analysis. Measurement tools should be an integral part of the system (such as broadcast reach, print circulation, ad value, etc.). In addition, the system should allow users to determine the tone of the media coverage captured (system-generated, with manual override capability). Reporting features must be provided to assess coverage and produce media reports in PDF format that are exportable in Excel and CSV formats for further in-house analysis, and which can be distributed via e-mail within CMHC.

4. Technical Support

If a technical problem with the system should occur, the proponent must be able to provide immediate technical support from early morning to late afternoon on weekdays.

At that time, the Lead Proponent(s) must provide to CMHC the following information, as appropriate upon 72 hours of CMHC's request:

- 4) Additional costs related to viewing and/or saving digital video (audio) clips: cost per clip.
- 5) Also, please specify whether bundle rates are available (for example, special rate for 50 clips per month).

5 SECTION 5 EVALUATION AND SELECTION

5.1 Overview of Section 5

Section 5 describes the process CMHC will use to evaluate proposals, select a lead proponent and finalize and sign a contract.

The lowest cost or any proposal will not necessarily be accepted and CMHC reserves **the right to accept or reject any or all proposals in whole or in part.**

CMHC reserves the right to alter the stated requirements as needs require and to accept an alternate proposal included in any proponent's response.

CMHC shall conduct the RFP process in a visibly fair manner and will treat all proponents equitably. To this end, it has established objective RFP standards and evaluation criteria which will be applied uniformly to all proponents. Therefore, no proponent shall have any cause of action against CMHC arising out of a failure to award a contract, the failure to evaluate any proposal, or the methods by which proposals are assessed.

5.2 Limitation of Damages

The proponent, by submitting a proposal, agrees that it will not claim damages in excess of an amount equivalent to the reasonable costs incurred by the proponent in preparing its proposal for matters relating to the agreement or in respect of the competitive process, and the proponent, by submitting a proposal, waives any claim for loss of profits if no agreement is made with the proponent.

5.3 Evaluation Table

The Evaluation Table as provided in Appendix "B" lists all the criteria upon which each proposal will be evaluated. The criteria are based on the requirements as provided in this RFP.

5.4 Evaluation Methodology

Each proposal will be examined to determine compliance with each mandatory requirement identified in this RFP. A proposal must comply with all of the mandatory requirements in order to proceed in the evaluation process. A proposal which is deemed by CMHC to be non-compliant in one or more mandatory requirements will be eliminated from further consideration. A proposal which meets all the mandatory requirements will be deemed compliant and will proceed in the evaluation process.

Each compliant proposal shall be individually evaluated by each member of the Evaluation Committee, made up of qualified personnel. Evaluators shall evaluate and numerically score each proposal in accordance with the evaluation criteria as shown in the Evaluation Table, Appendix "B". Once individual evaluations are complete, the Evaluation Committee will discuss and agree upon a final score for each proposal.

Each proponent shall then be evaluated using the “greatest score” methodology, where the proponent with the highest overall score will be named the lead proponent.

5.5 Proponent Selection

Acceptance of a proposal does not oblige CMHC to incorporate any or all of the accepted proposal into a contractual agreement, but rather demonstrates a willingness on the part of CMHC to enter into negotiations for the purpose of arriving at a satisfactory contractual arrangement with one or more parties.

Without changing the intent of this RFP or the lead proponent’s proposal, CMHC will enter into discussions with the lead proponent for the purpose of finalizing the contract. If at any time CMHC decides that the lead proponent cannot satisfy CMHC’s requirements, CMHC may terminate negotiations. If at this time CMHC feels that the secondary proponent may meet the requirements, CMHC will continue the process with the secondary proponent and so on.

Announcement of the successful proponent will be made to all proponents following the signing of a contract.

6 SECTION 6 PROPOSED CONTRACT

6.1 Overview of Section 6

Attached in Section 6.3 is a proposed contract. The terms and conditions in this draft contract may be incorporated into any contract resulting from this RFP. CMHC reserves the right to add terms and conditions during negotiations. These terms and conditions will be within the scope of the RFP and will not affect the proposal evaluations.

The proponent's proposal and all associated correspondence from the proponent, where relevant, shall to the extent desired by CMHC form part of the final contract and the proponent must accept that the final contract form will be in a format acceptable to CMHC.

Submission of a proposal constitutes acknowledgement that the proponent has read and, unless otherwise stated in the proponent's proposal (including a declaration in the attached draft contract of any potential conflicts of interest), agrees to be bound by the terms and conditions in the draft contract in Section 6.3 in the event that the proponent is selected by CMHC to enter into a contract agreement.

For the purposes of this section the term "Contractor" refers to the successful proponent with whom CMHC enters into a contract agreement.

6.2 Mandatory Contract Terms and Conditions

The terms, conditions or sections of the draft contract in Section 6.3 that are labelled mandatory must be accepted by the proponent without alteration.

6.3 Proposed Contract

4.2 Contract Administrator

CMHC has assigned a contract administrator to oversee the contract (see article 5.1). The Contractor shall be expected to name a counterpart representative. The Contractor's representative will be responsible for providing scheduled status reports to the contract administrator or a designate.

Mandatory

The Contract shall not be assigned in whole or in part by the Contractor without the prior written consent of CMHC, which consent may be withheld by CMHC for any reason. It is understood and agreed that the Contractor may engage other entities to assist the Contractor in providing any of the Services, provided that the Contractor shall at all times remain responsible for the provision and quality of the Services in a manner which fully recognizes and respects the confidential nature of the Services. The Contractor undertakes to advise such entities in writing that they are independent contractors, and are not employees or agents of CMHC. No assignment of the contract shall relieve the Contractor from any obligation under the Contract or impose any liability upon CMHC.

4.4 Contractor's Indemnification

The Contractor agrees to indemnify CMHC, and its officers for all loss, damages, costs, expenses, claims, demands, actions, suits or other proceedings of every nature and kind arising from or in consequence of the performance of this agreement, provided such loss, damages, costs, expenses, claims, demands, actions, suits or proceedings arise without negligence on the part of CMHC or its officers or employees, and whether such actions, suits or proceedings are brought in the name of CMHC or in the name of the Contractor.

4.5 Liquidated Damages

No specific remedy expressed in the Contract is to be interpreted as limiting the rights and remedies which CMHC may be entitled to under any contract or otherwise in law.

4.6 Termination for Default of Contractor

Notwithstanding anything to the contrary in this document, CMHC may, by giving 10 days prior written notice to the Contractor, terminate this contract without charge with respect to all or any part of the contract for any of the following reasons:

1. The Contractor commits a material breach of its duties under this contract, unless, in the case of such breach, the Contractor, within thirty (30) calendar days after receipt of written notice of such breach from CMHC, in a manner satisfactory to CMHC in its sole, absolute and non-reviewable discretion, (a) cures such breach and (b) indemnifies for any resulting damage or loss;

2. The Contractor commits numerous breaches of its duties under this contract that collectively constitutes a material breach;

3. A change in control of the Contractor where such control is acquired, directly or indirectly, in a single transaction or series of related transactions, or all or substantially all of the assets of the Contractor are acquired, by any entity, or the Contractor is merged with or into another entity to form a new entity, unless the Contractor demonstrates to the satisfaction of CMHC that such event will not adversely affect its ability to perform the services under this contract;

4. The Contractor commits fraud or gross misconduct; or

5. The Contractor becomes bankrupt or insolvent, or a receiving order is made against the Contractor, or any assignment is made for the benefit of the creditors, or if an order is made or a resolution passed for the winding up of the Contractor, or if the Contractor takes the benefit of any Statute for the time in force relating to bankrupt or insolvent debtors.

In the event of a termination notice being given under the provisions of this section, and subject to the deduction of any claim which CMHC may have against the Contractor arising out of the contract or out of termination, payment will be made within thirty (30) days of the date of the invoice from CMHC to the Contractor for the value of all finished work delivered and accepted by CMHC, such value to be determined in accordance with the rate (s) specified in the contract.

4.7 Procedures on Termination

Commencing upon any notice of termination or non-renewal of this contract, the Contractor shall provide to CMHC, the reasonable termination /expiration assistance requested by CMHC to allow the services to continue without interruption or adverse effect and to facilitate the orderly transfer of the services to CMHC or its designee.

4.8 Non-Compliance or Default by Contractor

If the Contractor fails to comply with a direction or decision of CMHC properly given under the terms of the agreement, or is in default in any other manner under the Contract, CMHC

may do such things and incur such costs as it deems necessary to correct the Contractor's default, including without limitation the withholding of payment due or accrued due to the Contractor for services rendered pursuant to this Contract, which moneys may be set off by the Corporation against any expenses that it may incur in remedying a default or failures as described above.

4.9 Force Majeure

In the event that the Contractor is prevented from fulfilling its obligations under the terms of this agreement by a force majeure or act of God (an event or effect that cannot be reasonably anticipated or controlled), the Contractor shall notify CMHC in writing, within the shortest period of time. The said written notice shall be sent by registered mail and shall state the factors that constitute a force majeure or an act of God. Without limiting the application of the above, the following shall constitute cases of force majeure: war, serious public disturbances, all impediments arising from orders or prohibitions of public authority, acts of God, actions of public enemies, strikes, lockout and other labour disputes, riots, flooding, hurricane, fire, explosion or any other natural disasters over which the Contractor has no reasonable control.

The Contractor shall take all reasonable means to resume fulfillment of its obligations. If this is not possible, CMHC may to the extent it deems necessary secure the services of other qualified Contractors without compensation or obligation to the Contractor.

4.10 Compliance with Laws

The Contractor shall give all the notices and obtain all the licenses and permits required to perform the work. The Contractor shall comply with all the laws applicable to the work or the performance of the contract.

4.11 Provincial Laws Governing Agreement

This contract shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein. Failure by either party to assert any of its rights under the agreement shall not be construed as a waiver thereof.

4.12 Independent Contractor

The Contractor shall act as an independent contractor for the purposes of this contract. It and its employees, officers and agents are not engaged as employees of CMHC. The Contractor agrees to so advise its employees, officers, and agents. Without limiting the generality of the foregoing, the Contractor shall retain complete control of and accountability for its employees and agents. The Contractor shall prepare and process the payroll for its employees directly, and shall withhold and/or pay all applicable employment taxes and payroll deductions required in respect of its employees. All personnel shall, at all times, and for all purposes, be solely in the employment of the Contractor.

4.13 Contractor's Authority

The Contractor agrees that it has no authority to give any guarantee or warranty whatsoever expressed or implied on behalf of CMHC and that it is in no way the legal representative or agent of CMHC and that it has no right or authority to create any obligation on behalf of CMHC or to bind CMHC in anyway.

4.14 Corporation Identification

It is agreed that the Contractor will make no use whatsoever of CMHC's name, logo or initials without the express written consent of CMHC

4.15 Intellectual Property Rights

All material, reports and other work product produced under this (RFP and the resulting) Agreement will be the sole property of CMHC. The Contractor warrants that the Contractor is the only person who has or will have moral rights in the material created by the Contractor and supplied under this Agreement and the Contractor hereby waives in favour of CMHC all of the Contractor's moral rights in the material, as provided for in the law of copyright. Upon the material coming into existence, the Contractor agrees to execute any document requested by CMHC acknowledging CMHC's ownership of the material and work product and the waiver of the Contractor's moral rights therein.

4.16 Non-Disclosure of CMHC Information

Under this section, "CMHC Information" refers to any and all information which is managed, accessed, collected, used, disclosed, retained, received, created or disposed of in order to fulfil the requirements of the Contract, however obtained. Without limiting the generality of the foregoing, CMHC Information includes data held in any type of electronic format and information provided directly, indirectly or through third parties to the Contractor, subcontractor, reseller, agent or any other person engaged to perform the Work under the contract.

The Contractor acknowledges and understands that all CMHC Information is subject to Canadian laws on privacy and access to information under which CMHC is bound and that CMHC considers CMHC information to be under its custody and control of all times.

The Contractor further understands and agrees to treat all CMHC Information as proprietary, confidential and sensitive unless otherwise specifically agreed to in writing by CMHC. The Contractor shall restrict access to CMHC Information to those persons who have a need to know this information in order to perform the Work under the Contract.

The Contractor shall ensure that CMHC Information shall remain in Canada and expressly agrees to segregate CMHC Information (whether in electronic format or in hard copy) from any other information in a database or repository physically independent from all other databases or repositories. Without limiting the generality of the foregoing, the Contractor shall not and shall ensure that any subcontractor, reseller, agent or any other person engaged to perform any part of the Work does not release, share or otherwise divulge CMHC Information to any other person

including subsidiaries, branch offices, partners of the Contractor or subcontractors without the prior written consent of CMHC.

Where disclosure of CMHC Information is required pursuant to a lawful requirement or for the purposes of complying with a subpoena or warrant lawfully issued or lawfully made by a court, person or body, the Contractor shall notify CMHC promptly after discovering the potential of disclosure of the CMHC Information so that CMHC has the opportunity to seek a protective order or other appropriate remedy.

The Contractor also agrees that in the event that disclosure of CMHC Information is required by a valid and applicable law, it shall, in co-operation with CMHC, do all things possible to prevent access to CMHC Information including but not limited to taking appropriate legal action against disclosure, providing information and other assistance in order for CMHC to take appropriate legal action against disclosure and ensuring that disclosure is strictly limited to the information lawfully requested.

4.17 Confidentiality

Mandatory

Proposals: Proposals will be held in strict confidence. Notwithstanding the foregoing, proponents are advised that as a Crown Corporation, CMHC is subject to the provisions of the Access to Information Act ("the Act"). Information submitted by proponents or third parties will only be exempted from disclosure if the records or part of them qualify for an exemption under the Act.

Contracts: The Contractor agrees that all records and information obtained by the Contractor on behalf of CMHC will be kept confidential to the extent required by federal Access to Information and Privacy Legislation or provincial law.

1. The Contractor or its servants or agents will treat as confidential during, as well as after completion of, the contract, all information relating to the affairs of CMHC of which it acquires knowledge as a result of its engagement hereunder.

2. The Contractor shall, at the request of CMHC, provide an Oath of Secrecy for each of its employees or persons engaged in carrying out the work, in a form prescribed by CMHC.

This contract contains all of the agreements of the parties hereto and no other representations or warranties, verbal or otherwise, exist between the parties except those set out herein or attached as Specifications, Conditions and Addendum. In case of conflicts between the Contractor's documents and CMHC's documents, the latter shall govern.

4.21 Income Tax Reporting Requirement

As a federal Crown Corporation, CMHC is obliged under the Income Tax Act and Regulations to report payments made by the Corporation to suppliers of goods and/or services by using a T1204 supplementary slip. CMHC must therefore obtain the necessary information from suppliers (including the Contractor's social insurance number and/or corporate identification number) in order to allow it to complete the T1204 supplementary slip. The Lead Proponent(s) will be required to complete and sign a Supplier - Direct Deposit and Tax Information Form (CMHC/SCHL 3085) prior to execution of this Agreement.

4.22 Conflict of Interest

Mandatory

- (a) The Contractor and its principals, employees and agents shall avoid any conflict of interest during the term of this Agreement and shall immediately declare any existing, potential or apparent conflict and shall, upon direction of CMHC, take steps to eliminate any conflict or perception that a conflict of interest exists.
- (b) The Contractor must not provide any services to any third party in circumstances that might reasonably give rise to a conflict of interest, including a conflict between the Contractor's duties to that third party and the Contractor's duties to CMHC.
- (c) In the event that a conflict of interest, real or perceived, cannot be resolved to the satisfaction of CMHC, CMHC shall have the right to immediately terminate the Agreement. All portions of the Work which have been completed at the date of termination shall be forwarded to CMHC and CMHC shall be liable for payment to the Contractor of an amount which, in the sole opinion of CMHC, constitutes reasonable payment for the partial performance of the Contractor's obligations under the Agreement. Upon such payment, CMHC shall have no further obligation of any nature or kind to the Contractor.
- (d) Any former public office holder must be in compliance with the post-employment provisions of the Conflict of Interest and Post-Employment Code for Public Office Holders (2012) in order to derive a direct benefit from any contract which may arise from this request for proposal.

4.23 Approval of Work

Before advancing any amount to the Contractor, CMHC reserves the right to determine, in its sole and absolute discretion, whether the work was performed to the satisfaction of CMHC. The method of approving the work done will be in writing through electronic courier, fax or traditional mail as described in Schedule A attached herein.

In the event the work is not acceptable to CMHC, CMHC may take such action as it deems necessary to correct the Contractor's default, including, without limitation, the following:

- a) direct Contractor to redo the work or part of the section which was not completed to CMHC's satisfaction;
- b) withhold payment due or accrued due to the Contractor for services rendered pursuant to this Contract;

- d) terminate this Contract for default and /or seek indemnification from the Contractor for losses suffered by CMHC as a result of such default.

4.24 Ownership

(a) The quarterly reports and any other reports prepared exclusively for the Corporation shall remain the property of the Corporation and all copyrights thereto are the property of the Corporation and neither the Contractor nor its servants or agents shall divulge, release or publish any such documentation.

c) The Contractor will provide a Certificate of Insurance at least 5 days prior to the contract commencement date confirming the above insurance policies and evidencing that coverage has been placed with an Insurer licensed to do business in Canada. Upon receipt of the Certificate of Insurance CMHC reserves the right to request a Certified copy of the contractors policy for review.

It shall be the sole responsibility of the Contractor to decide whether or not any other insurance coverage, in addition to the insurance requirements stipulated herein, is necessary for its own protection or to fulfill its obligation under the contract. Any such additional insurance shall be provided and maintained by the Contractor at its own expense.

4.26 Access to CMHC Property

CMHC agrees to permit access by the Contractor's employees onto CMHC premises for the purpose of fulfilling its obligations as per the terms of this agreement. However, CMHC reserves the right to refuse entry of Contractor's personnel in cases of emergencies. CMHC also will have the right at any time to remove from and/or refuse entry to the work site any incompetent or intemperate employee who violates CMHC Safety and/or Security regulations or interferes with CMHC operations at the site.

The Contractor shall be fully responsible to CMHC for the acts and omissions (including negligence) of its subcontractors and of persons directly or indirectly engaged by such subcontractors as if such acts and omissions were those of the Contractor.

4.27 Suspension of Work and Changes in Specifications

CMHC may, at any time and from time to time, order a suspension of the work in whole or in part, and make modifications of, changes in or additions to the specifications of the type of services offered and methods of delivery. All directions given by CMHC in writing with respect to the foregoing shall be complied with by the Contractor. If any such suspension, modification, change or addition shall result in an increase or decrease in the cost of the work, the contract

price shall be adjusted accordingly provided that the Contractor shall in no event be entitled to compensation for any loss of anticipated profits and provided further that minor increases or decreases in cost shall be disregarded.

4.28 Closure of CMHC Offices

(a) Where services are being provided by the Contractor pursuant to this Agreement on CMHC premises and the premises become inaccessible due to evacuation or closure because of events or circumstances beyond the control of CMHC, and where the health or safety of persons on the premises may be reasonably determined by CMHC, in its sole judgment, to be at risk, payment to the contractor hereunder may be suspended or modified. Payment will be suspended in full after 48 hours written notice unless the Contractor provides satisfactory evidence to CMHC that the Contractor will continue to incur monetary obligations to others directly as a result of its undertakings under this Agreement and is unable to mitigate its losses due to such obligations. Based on such evidence and the extent to which the Contractor is able to mitigate, CMHC may continue payment in full (subject to clause (b) below), or at a reduced amount, or suspend payment completely.

(b) Notwithstanding clause (a) above, if closure is continued beyond one calendar week, payment under this Agreement may be suspended in full immediately, on further written notice to the Contractor, until reopening permits the services to continue.
