**AMENDMENT 001**

**TITLE: MOBILE WET LAB TRAILER**

**SEE ATTACHED.**

### **AMENDMENT 001**

This amendment is raised to present the following questions from bidders and the responses from the Project Authority.

- **Questions and Answers:**

Q1. Is this trailer meant to be a road-legal trailer that moves more than once per year? Or is it actually a mobile office (with axles for delivery only) that will stay at one site for many years at a time?

**A1. Once delivered the trailer will not leave site. However, the mobile office will be periodically be moved within site thus requiring it to be mounted on a trailer.**

Q2. Does Fisheries and Oceans Canada have a desired layout for the 10x32 Mobile Wet Lab Trailer?

**A2. Not at this time, Fisheries and Oceans Canada will retrofit the trailer with equipment once delivered to site.**

Q3. In order for the trailer to be mobile here in Ontario, the maximum width avail is 8.5'. In your RFQ you have the request as 10'. Can we price out an 8.5' trailer instead of 10'?

**A3. No, 10' is the required width for the trailer. The trailer does not need to be "road-legal".**

- **ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
