Part A Questions and Answers

Question #4

Does the crown expect multiple bid documentation if the bidder responds to multiple streams, or will 1 bid document with clear differences per stream identified within it (both in terms of technical and financial)?

Answer #4

One bid document with clear references to each Series being proposed by the bidder is acceptable for Attachment 1 to Part 4 – Technical Bid. Bidders must be careful to check off the Series that they are bidding on in the check boxes on Page 2 of the Technical Bid, and to clearly identify which Series the response relates to within each Criterion. Alternatively, the bidder may choose to duplicate Attachment 1 to Part 4 – Technical Bid and submit each Series separately.

Attachments 2, 3 & 4 – Financial Bids are specific to each Series and must be completed separately for each Series bid on.

Question #6:

If a joint venture consisted of a contractor with Protected “B” DOS Clearance and a contractor without this clearance, would a bid from this joint venture be eligible to perform work requiring Protected “B” DOS Clearance?

Answer #6:

No, all members of a joint venture must individually hold the appropriate Security Clearances as outlined in RFP Part 7, Article 7.3 and in Annex C – Security Requirements Check List.

Question #8

Given the timing of the Ontario March Break, we are requesting a 2 week extension to the submission date – i.e. April 30th 2015.

Answer #8

Canada will not consider any extension requests.
