|---------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <u>3.2 Removal</u>              | <p>.1 Remove in their entirety all materials and objects specified for removal.</p> <p>.2 Do not disturb adjacent work designated to remain in place.</p>                                                                                                                                                                                                                                            |
| <p>3.3 Safety Code</p>          | <p>.1 Do demolition work in safe manner and according to applicable laws and regulations from authorities having jurisdiction.</p> <p>.2 Blasting is not permitted.</p>                                                                                                                                                                                                                              |
| <p>3.4 Disposal of Material</p> | <p>.1 The Owner maintains the right of first refusal (at no cost) to demolished material except those designated for reuse.</p> <p>.2 Upon refusal of demolished materials</p> <p>by the Owner, such materials become the property of the Contractor. Remove such materials from sites and dispose in accordance with Section 01 74 21 - Construction/ Demolition Waste Management and Disposal.</p> |
| <u>3.5 Restoration</u>          | <p>.1 Upon completion of work, remove debris, trim surfaces and leave work site in clean condition.</p> <p>.2 Reinstate areas and existing works outside areas of demolition to conditions that existed prior to commencement of work.</p>                                                                                                                                                           |
