The insurance requirements specified within the Request for Supply Arrangement has been revised as follows:

Contractors are not required to have the specified CGL insurance to qualify for a supply arrangement. However, Contractors must provide a letter from their insurance indicating that this coverage can be obtained within 5 calendar days. This letter shall be included with solicitation documents.

Part 6 #6 - Please note that the Supply arrangement Authority or authorized representative of Public Works and Government Services Canada ( Newfoundland region ) can also issue bid solicitations on behalf of the identified users.

Part 6 #7 - "once a year" is to be replaced with "quarterly"

Annex A #2 - remove the requirement for underwater aluminum welding.

Annex B - Remove Annex B. "Basis of Payment" and include your companies published price list.

All responsive suppliers will be issued a Supply Arrangement (SA) and will become a qualified supplier under the Supply Arrangement. The published Rates listed under the SA represent the maximum Rates that the qualified supplier will be allowed to propose for any bid solicitation under the Supply Arrangement. Qualified suppliers may submit unit rates lower than their Published Rates during the bid solicitation stage.

Suppliers are to identify what regions they are wishing to qualify for. Duplicate rates are to be provided if they differ for various areas.

All other Terms and Conditions remain unchanged
