Amendment 2

This amendment is issued to answer a question from a potential bidder and extend the solicitation closing date.

This solicitation closing has been extended and now closes on **April 2, 2015 at 2 PM MDT.**

Q2. *“Final line painting shall be measured in linear metres along the centre of the paint line regardless of width or line-gap ratio and payment shall be considered full compensation for all equipment, labour, and materials required to complete the Work. Payment will be made under **“Unit Price Item 4a) – Pavement Marking - Line Painting”.**”*

Does this mean that on a kilometer of road with three lines paint that we would only be paid for the length of the center line? ie painting 1 km of 3 line is 3000m of paint but we would only receive 1000m? So the 33,100 Meters of line paint would mean there are 33.1 kms of road to have painted, not line kilometers?

A2. Line painting is measured per meter of painted line with each lane line measured separately for payment.

Q3. Is it permitted to use an MOTI approved warm mix additive in the asphalt pavement for the project?

A3. The use of an MOTI approved warm mix additive in the asphalt pavement will not be permitted for this project.

All other terms and conditions remain unchanged.
