Bid Solicitation Amendment No. 015**Document Imaging Services (DIS)**

Please note: For evaluation purposes, Canada will use the “whole number” volumes that appear in each “cell” in the Volumes for Evaluation worksheet of Attachments 2, 3 and 4 to Part 4, and not the numbers, which may include some decimal values, that appear in the “formula cell” when clicking on the “cell”.

Part A Questions and Answers**Question #36**

Should a vendor be successful with this RFP, will PWGSC allow production Facilities be added to the bidders corporate capability should demand arise at that Canadian location? It would be assumed all security and contracting requirements would be met by the new facility.

Answer #36

Yes, should demand arise additional production facilities will be allowed to be added.

Question #37

In Attachments 2, 3 and 4 to Part 4, the 'Optional and Prof Services' tab Section VI does not include the Rated resources within this RFP. It is envisaged that the Account Manager/Project Lead, Project Manager and Quality Assurance Specialist would be required on a 'Historical and Significant collection' project and any professional services work such as GCDOCs integration. Would Canada consider adding the Account Manager/Project Lead, Project Manager and Quality Assurance Specialist to the resource lists that are included in Section VI on the 'Optional and Prof Services' tab of each of Attachments 2, 3 and 4 to Part 4?

Answer #37

No, the per diem rates associated with Historical and Significant collections included in Section VI on the 'Optional and Prof Services' tab of each of Attachments 2, 3 and 4 to Part 4 are to be inclusive of business processes normally required in delivering document imaging services such as Account Manager/Project Lead, Project Manager and Quality Assurance Specialist. Refer to Rows 27, 31 and 32 of the worksheet H&S in the Attachments 2, 3 and 4 of Part 4.
