Amendment 002

SC – O/H Cranes, Hoists and Monorail

This amendment was raised to answer questions:

Questions:

1. How many tons / pounds of test weight are you asking for to be quoted and used for load testing? (item #3) Prices are usually on a per ton basis?
2. What size of scissor lift are you asking us to give a daily rental price for? (item #15) Prices for lifts vary according to the reach / or required height of the unit.
3. What would the maximum height be of an additional crane or hoist be? (item #2, #11, #13) This information is required in order to determine the size of man lift required in order to quote this spec.

Answers:

1. This line item has been removed see attached new pricing basis.
2. Line item has been updated and an additional item has been added to provide flexibility. See attached new pricing basis.
3. New installations are unknown as well as any heights. New line items to cover over 32 feet have been added. See attached new pricing basis.

To update the RFSO.
