Amendment 1

This amendment is issued to answer a question from a potential bidder and extend the solicitation closing date.

This solicitation closing has been extended and now closes on **April 15, 2015 at 2 PM MDT.**

- Q1.** Do you have drawings for the steel posts and spacers?
A1. No detail drawing has been provided for the steel posts and spacers, please refer to Section 32 17 23 – Guardrail, Item 2.1.1.
- Q2.** Could you please give us some specifications for the W-Beam because in your bid at page 89, Part 2, section .7, item 5. It mentions that sheet width for the W-Beam rail shall be 483 mm. If this a standard width, is it appropriate?
A2. Refer to Alberta Transportation Standard Drawing - TEB 3.02 (Current Version).
- Q3.** As mentioned on page 89, Part 2.5, section “Bolts, nuts and washers”, you talk about a specific drawing TEB 3.06... we would like to receive the same thing for the steel posts, spacers, and W-beam. Can you do this for us?
A3. Refer to the responses for questions 1 & 2.
- Q4.** In Annex A, Unit Price Table, the Specification Reference for the Guardrail is 34 71 13.25. However in the specifications there is only 32 17 23. Can you please clarify?
A4. This is an error. The Specification Reference should be 32 17 23.

All other terms and conditions remain unchanged.
