Amendment 2

This amendment is issued to answer questions from a potential bidder.

- Q5.** Will Parks Canada consider alternative products for the impact absorbing guardrail end treatment other than the Fleat-350? Alberta Transportation has products on its trial product list which would allow for tangent installation and mitigate the need for supplementary shoulder widening.
- A6.** Yes. Only NCHRP 350 TL-3 products listed as 'Proven Products' will be considered provided that they meet all Contract requirements. Refer to Section 32 17 23 Clause 2.3.3.
- Q7.** If the Fleat-350 is ultimately required, can you clarify if requirements for shoulder widening will be paid in the Prime Cost Sum (as per 1.3) or if it is considered incidental to item 1.C "Supply and Install Impact Absorbing Guardrail End Treatment?"
- A7.** Widening for the installation of Impact Absorbing End Treatments will be incidental to Unit Price Item 1c as per Section 32 17 23 Clause 1.4.4.
- Q8.** The spec indicates the use of 1970 mm posts. The standard post is 1829 mm. Would this also be acceptable for this project?
- A8.** Yes, provided all other Contract requirements are met.
- Q9.** Is there a site provided in order to set up a camp for sleeping accommodations?
- A9.** No. Please refer to Section 01 14 00 Clause 1.5.2.
- Q10.** Is there a designated material laydown area?
- A10.** Laydown is permitted at Marmot Pit provided that the Contractor coordinates with other contractors.
- Q11.** Are we to assume that the Marmot Pit is to be the designated disposal site for old guardrail?
- A11.** No. Disposal is to be outside the National Parks. Refer to Section 32 17 23 Clause 1.4.1 and Clause 2.1.1.
- Q12.** Special Provisions section 01 35 31 refers to Certified flaggers. Can those flaggers be replaced with Temporary traffic lights?
- A12.** Competent flag persons, properly equipped, and certified must be provided at all times noted by Section 01 35 31 Clause 1.10 Control of Public Traffic.
- Q13.** How many separate sections of W-beam are there?
- A13.** 12
- Q14.** Are any bridge tie ins included in the scope?
- A14.** No.

All other terms and conditions remain unchanged.
